Mark of a Man Mark Sephton, 2021-11-30 In a world where men are told to be strong to suppress their feelings to hold it together Mark Sephton wants to educate today's man on how he can understand his needs emotions responsibilities and his duty not only to those around him but to himself Mark wants to lift the lid on the emotions men feel and face yet lack the understanding and confidence to express and grasp the importance of the masculine energy which creates a frame promoting a positive environment where women can thrive and together we can benefit from the beautiful feminine energy in return Mark's vision is to help men be better men through the lens and struggle of his own divorce and creating a healthy and open space for men to take a look at themselves in the mirror Mark's heart is to help men find a way out through the more difficult paths we must all at some point in our life take

The Son of Man in Mark's Gospel David Forrest Mitchell, 2020-01-09 Many scholars disagree about what was meant by Jesus's intriguing self designation the Son of Man This book attempts to find some clarity by working through every example of the phrase in the Gospel of Mark to determine how the phrase functions and what it means in that narrative While every use of the phrase is self referential and describes Jesus and his ministry the analysis yields three main distinctions in use of the phrase as well as three significant unifying features The book then moves to explore whether despite of the skepticism of some scholars there is some background for the phrase in the book of Ezekiel's use of son of man in relation to basic form and function and to thematic import
