## **Mark Of The Beast 666:**

The Mark of the Beast Godfrey Godfrey, 2015-06-03 The Scriptures is full of codes which have been placed for human identification and gain The problem often is that man does not always have the resources to unlock these codes While acquisition of the keys to these codes is within human grasp most men have not disposed themselves to seeking the truth of the Lord God and getting the corresponding benefit that is promised man Much of the time we read the genealogies of Bible characters with the lethargy of reading a very uninteresting subject Much of the time we glance past many of these convinced there is nothing relevant in them for the modern man However there is a lot to learn and to uncover in the Bible Some of the greatest secrets and the most sought after secrets are actually cached in the supposed boring genealogies The Scriptures is replete with numbers Often these numbers have overwhelming value and significance One number that has continued to hold a mysterious grip on many and defy explication is the number 666 There can be no doubt that numbers in the Scriptures need to be studied Numbers are signs A survey of signs of the Lord easily reveal that most signs of the Lord God are revealed to the beneficiaries being almost always the people that the signs are meant for Thus studying a number or group of numbers should not be limited to scholastic approach There is a need to incline or dispose oneself to the Lord for the necessary revelation Anything short of this may lead to conjecture and wrong assumptions which may not stand rigorous empiricism The one Book of the Scriptures that holds information relating to the mark of the Beast is the Book of Revelation The interesting thing about the Book of Revelation as it concerns this number is that it was never supposed to defy interpretation It is the wisdom of the Lord God that this code be used and it is also the understanding that the Lord God Himself gives that can break this code of a number Rev 13 18 Here is wisdom Let him that hath understanding count the number of the beast for it is the number of a man and his number is Six hundred threescore and six We can see from verse 18 just above that 666 is the number of a man This is a bit ambiguous Most persons have misinterpreted it to be the number of a mans identification card or credit card When the Scriptures talks of a man in this case it is generalizing meaning generic man and not a specific person Thus we can see that the beast is actually human In actuality the beast is both spirit and man It is the product of a fusion of a spirit and a human female The product is conspicuously a man but latently a spirit It is man that has degenerated to a sub human level The beast does not have the number of a beast or the attributes of a beast but that of a man This is because the beast is actually human It is redolent of the analogy of defining the Devil as a Serpent Thus instead of saying Devil the Scripture also uses Serpent while we are actually dealing with a being that is not a snake He is supposed to have been one of the best in Heaven Serpent is only used in analogy In the same vein beast is only a satirical application to a man who has refused to identify with the Lord God The Devil himself was the first beast the beast of Eden He came to the first people like a beast that is a serpent That is why he is known as the Serpent The anti Christ being one with the devil comes in the image and spirit of his father the Devil That is why he is equally known and addressed as the Beast The mark of

the Beast is not placed on animals but on man It is a sign which incorporates the numbers of the Living God and the number of the Devil It is an unholy alliance which is detested by the Lord God and cursed Read this book and understand without the least ambiguity what the Mark of the Beast is really all about You shall have your money refunded you if you have a better explanation to this and can prove it

**"Is the Chip, the 666 Mark of the Beast?"** Reverend Fred Davis, 2019-01-14 I saw two different news broadcasts on a CEO getting a microchip in his hand And then the employees were next The phrase they used on the local news at 6 00 was the C E O is leading the way They are starting today at the top of this company starting with the C E O of the company leading the way The blind leading the blind I say well I know my Bible and it says to let them take off your head before receiving the mark 666 in your hand And don t let any man deceive you by any means Well I felt I had to get a warning out because let s face it not everyone reads the Bible And I also know how sly the old devil is So these are my words Don t take the chip Get yourself in a good Bible preaching church Get ready stay ready things are wrapping up according to prophecies

Leslie Dutcher, 2024-05-16 The Mark of the Beast is well known to be 666 When people hear the number 666 they immediately think of the Antichrist The Bible prophesies that there will be a time when everyone will be required by the Antichrist and his world government to have a number Without this number nobody will be able to buy or sell anything The problem is to get this number you will be required to worship or pledge allegiance to the Antichrist and his world governmental system According to the Bible anyone who willingly receives this number will be eternally damned to the fires of hell This requirement for everyone to have a number could never be set up until the present time This book gives a detailed explanation of what will happen during The Great Tribulation

*The Mark of the Beast* Tommy Rodriguez, Jr., 2017-10-05 THIS SINGLE PERSPECTIVE ONENESS THEOLOGICAL Argument was written with the sole intent of providing truth clarity and revelation to all individuals the Believer and non Believer alike with reference to an extremely notorious greatly misunderstood as well as highly controversial subject matter The Mark of The Beast In achieving this objective an in depth approach of the Word of God has been implemented In short several prophetic Scriptures have been utilized in order to provide whatever is useful and necessary in achieving complete understanding of this grossly misunderstood subject matter The following general thesis statement is submitted as the central assertion of this theological paper Despite what Christianity in general affirms The Mark of The Beast is not 666 The presupposition then rests solely upon the following Claim The Biblical phrase Six hundred threescore and six as appears within the original Greek Textus Receptus The New Testament Greek readings manuscript from which the King James Version was translated which is being presented here is not meant to be taken as being the literal number 666 In other words this written out numerical value is not to be translated into English integer format meaning 666 But it is to be translated into English from the Greek letter format Therefore I will provide sound Biblical Evidence that The Mark of The Beast is Chi X that The Name of The Beast is

Perfect Creature of The Earth interpreted as being Perfect One and that The Number of The Beast is 6 possibly written as VI With this said the current viewpoint of the Church including Orthodoxy Christianity then may be said to be laden with numerous Scriptural inconsistencies to say the least In other words after comprehensive Biblical research I have found a substantial amount of error that has been taught within Christianity generally speaking as being truth Now contrary to standard expository writing guidelines please allow me to state that it is my professional opinion that this has occurred due to a lack of Biblical understanding faulty Biblical research as well as spiritual blindness on the part of our 21st Century Church patriarchs causing unfortunately improper hermeneutical and exegetical doctrinal teaching with reference to The Mark of The Beast The Name of The Beast and The Number of The Beast As you read through this Single perspective Oneness Theological Argument I ask that you sincerely pray seeking after The Wisdom of God asking God to unveil His truth and to provide complete understanding of this profound subject matter But most importantly to reveal the spiritual significance of The Mark of The Beast The Name of The Beast and The Number of The Beast as clearly cited within Revelation 13 16 18

*THE MARK OF THE BEAST* Dr. Jimmie Chapman, 2017-09-22 Dr Jimmie Chapman introduces us to the great beast of a government that was prophesied by Daniel and is to rule the world in the last days He explains its origins in the scriptures and how it is being formed among the nations of the world right now He reveals to us the frightening reality that the beast is already present in the world and how it is taking shape and solidifying its power in preparation for taking over the whole world He shows us how the beast will become satanic in nature forcing its evil rule upon the world and how it will ultimately place its dreadful mark on the world s people to control every facet of their lives even their very survival He tells us in frightening detail how close we are to the reality of the mark of the beast For a better understanding of the times we re living in this is a must read book

*Final Warning* Timothy H. Cator, 2015-03-31 Why would God tell us where the mark of the beast is but not tell us what it is He does tell us He wants us to know But do we want to know If you don t know you can know You will know The whole concept of the mark of the beast comes from the Bible Why would we look anywhere other than the Bible to discover its meaning

The book of Revelation's infamous mark of the beast the number 666 is familiar to believers and unbelievers alike and has been said to have been or will yet be many things people or institutions Is it a supercomputer an imbedded microchip a tattoo the social security number or is it in the form of a national ID card What if its essence is or has been present in all these things yet is none of these things singularly What if it is not an enforced or controlled mark of any kind What if it is simply and only the intellectual event of personal decision Take this journey that opens up examination on just exactly what the mark may truly be and how covert it really is due to its simplicity in comparison to the various ideas involving computers microchips tattoos identification cards individuals or institutions Examine a concept that is plainly evident in Scripture yet is rarely plainly spoken of from the pulpits Michael served as a soldier in the US Army the Army National Guard and the Army Reserves He was an infantryman a supply sergeant and served as a technician on a program developed to send robots to inspect for IEDs improvised explosive devices ICT and the Mark of Beast, 666 Donart Ngarambe, 2019-05-31

The world is coming to an end anytime soon and ICT will strongly be involved in the process according to Bible prophecies ICT will change people permanently and it is not a coincidence The Devil is behind it and God will be after him to punish the vice which will lead to the end of the world A few years ago it was unimaginable that the Revelation 13 16 17 concerning the deployment of the mark of the beast 666 would ever be fulfilled It's already happening electronic objects are being inserted into people's hands and heads for smarter ways of carrying out normal operations Sometimes we fear the mark of the beast 666 without really understanding the dangers that are associated with it and why the Devil is obsessed with it The danger is more in its objective than in the mark itself However ICT is not a bad idea per se ICT is a very good development to the society It has brought a lot more benefits and wealth as well as easier and more efficient ways of doing things than at any other time in history Indeed it is the Fourth Industrial Revolution The world has never had impact making technological breakthroughs as in the era of ICT The only problem is that it provides a perfect infrastructure that Satan will leverage to deploy the 666 mark About the Author Dr Donart Ngarambe has a PhD in Computer Engineering and he has been a researcher and scholar in IT for 17 years Dr Donart Ngarambe has been born again since 1982 and he is the author of *The Inexhaustible Wealth the World Knows Little About* **666**, 197? **Revelation and the Mark of the Beast** Z. Richard Sawan M.D., 2011-08-17

No longer do I want you to be afraid of Revelation as I was but rather embrace the inevitable future that God has planned for us This book is a passport to the future of humanity and will explain the end times in simple ways for the most part based on Biblical interpretation and not on widely accepted views or mine Most of the prevalent views on Revelation that you have learnt or

learning are incorrect Not knowing the future with respect to God's plan could jeopardize the timing of your salvation which could put one in the receiving end of God's plagues Revelation was written for us today in the end times and not for the Jews and ancient Romans 2000 years ago This book will prove this to be true beyond a shadow of a doubt Revelation cannot be interpreted without key scriptures in books in the Old Testament thus proving that there is divine intervention in the Bible as a whole It is impossible for different human authors to write so many different books with hundreds to thousands of years in between and have the same conclusions and interpretations IMPOSSIBLE We are presently near the end of the Great Tribulation with the Day of our Lord fast approaching Already five of the seven seals have been opened with the sixth approaching rapidly The beast of Revelation chapter 13 is alive and well and the mark of the beast is already in use A limited nuclear war is on the horizon and world domination by the Son of Satan by means of a 200 million man army would follow There is good news though Read this book [End-Time Events](#) Randall Cobb,2025-01-07 As I visit different congregations I find that 98 percent of them do not teach the truth when it comes to the end times I happen to believe that everyone needs to know the truth when it comes to end time events so they know what to look for such as falling away the tribulation period and the final judgment The Bible clearly instructs us to be vigilant I have covered all the events leading up to the return of Christ But it also teaches that no one can say for certain that we are living in the end times This is at best a debatable proposition Jesus himself repeatedly said that no one knows or can know the day or hour of his return Matthew 24 36 Mark 13 32 Acts 1 7 To be sure we are surrounded by events and developments that could be interpreted as signs of the end On every corner we see famines earthquakes disasters troubles persecutions wars and rumors of wars Mark 13 7 9 But has there ever been a period in the history of the world when this was not the case [Explosive New Info on Revelation with Never Before Seen Scrolls](#) Joel White,2021-09-17 The most accurate time line of the end times to date This book contains two time lines that biblically detail what the prophets foretold digital downloads The angel told Daniel that what he saw and heard would be sealed up until the end times now the end times are here Do you want to know the truth One World Order One World Religion The world broken into chunks Is the USA in the Bible What physical characteristics do we know about Antichrist Where will he come from Who is the False Prophet and what does he try to make you take When is the devil really kicked out of the third heaven The 666 have you been using it for decades The truth about the Rapture When do the seals trumpets and bowls happen and what can we expect Are the two witnesses just two people or many The war of Armageddon and the clean up after it Will there be nuclear war Are people going to live almost a thousand years old again Is the Temple Mount the real place of Solomon's Temple Were there giants before and after the flood How about dinosaurs the three heavens When you die where do you go Is there soul sleep Where is the Red Sea crossing The real Mt Sinai Noah's ark Sodom and Gomorrah This book will dive into all these topics and more Finally find out the truth and what you need to prepare for This is a battle over our souls and we need to be well armed and ready *Mark of the Beast* Harold D.

Thomas,2010-02-04 Many are aware of perilous times we are facing have a conceptual understanding of end time signs and are experiencing various degrees of a deep gut wrenching fear due to pending unknowns However due to our human nature it is much easier to live in denial i e sleepwalking than to take a good hard look at what s going on and prepare for the One that will come in the twinkling of an eye Our continually worsening global economy political ineptitudes social decline and technological advancements are a prelude to and preparation for the prophetic entrance of the beast and the fulfillment of his mark as stated in Revelations Written almost 2 000 years ago in the last book in the Bible Revelation chapter 13 versus 16 17 warns us of a decisive event of great consequences that will occur during the last days Simply stated the mark s benefits and consequences will cause each person to make an eternal decision The mark of the beast will occur It s an absolute God s word states it Therefore questions that remain are when how and why The book Mark of the Beast Will explain why the aforementioned is occurring Will illuminate and expand your understanding of past and present social economic technological and political changes that are providing the foundation for the fulfillment of the prophetic mark of the beast as stated in Revelation 13 16 17 Will provide you with valuable and insightful information so that you can make informed decisions Is short concise and easy to read Will possibly change your life for eternity **Revelation of Jesus Christ**

Grace Chung,2025-08-14 This book is the words of God explaining about the book of Revelation and about the end time It gives us the God s explanation about each chapter of the book of Revelation explaining about the seven churches in Asia and about the plagues of seven seals This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world Once Jesus showed me what will happen in the very end of the world I saw the people who will be left behind on earth being flown away by the huge fiery tempest since heaven and earth will flee away and all the gravity on earth will disappear in the end of the world In 2 Peter 3 10 12 it says But the day of the Lord will come as a thief in the night in which the heavens will pass away with a great noise and the elements will melt with fervent heat both the earth and the works that are in it will be burned up Therefore since all these things will be dissolved what manner of persons ought you to be in holy conduct and godliness looking for and hastening the coming of the day of God because of which the heavens will be dissolved being on fire and the elements will melt with fervent heat This book is the first volume of the messages of the book of Revelation that I have translated Soon there will be the second and third volume of the messages of the book of Revelation coming out This is the second volume of the messages of the book of Revelation a third volume awaits There will be explanations in detail about the plagues of seven trumpets the plagues of seven bowls the white throne judgment and heaven I wish you will all read these books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of upcoming punishment of God that will befall earth and enter into heaven in the end God bless you all **The Mark of the**
