Market Timing with No-load Mutual Funds Paul A. Merriman, Merle E. Dowd, 1987-01-01 [Fundamentals of Personal Investing](#) M. John Sterba, 1997 *High-return, Low-risk Investment* Thomas J. Herzfeld, Robert F. Drach (author), 1993 Right from Chapter 1 you will see that High Return Low Risk Investment is no ordinary stock market investment guide The reader is going to experience a journey into the stock market guided by two internationally recognized professionals who have demonstrated their capacity for attaining consistent profitability where most others fail Over the past 16 years through boom times and the infamous crash of 1987 Thomas J Herzfeld and Robert F Drach have enjoyed exceptionally consistent success Now you can learn the techniques behind the authors success and follow their guidance in specific stock selection and market timing First Herzfeld and Drach dissect how the market works and how its participants behave so that you can take full advantage of your fellow investors weaknesses In their words We are entering into a predator prey relationship The stock market is not a team sport Next they show you how to recognize and seize areas of opportunity At the heart of High Return Low Risk Investment are the authors specific methods of risk reduction based on combining stock selection with market timing Herzfeld and Drach also show how to construct a master list of stocks to be used during buy and sell indications What s more readers of this book can receive updated master lists from the authors FREE for the asking making it possible for your investment in High Return Low Risk Investment to repay itself many times over If you re a new or risk adverse investor you will appreciate this book s emphasis on low risk More experienced investors will relish the authors blunt criticisms of well known investment theories and systems including hedging indexing random walk theories pyramiding beta factor calculations historical repetition dollar cost averaging and others Those considering nonstock investments will find incisive coverage of options bonds and closed end funds And all readers will enjoy Herzfeld and Drach s inside tips on dealing with brokers In short High Return Low Risk Investment delivers a total strategy hard nosed realistic with a documented winning record that will help you decode the signals and conquer the stock market BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Kiplinger's Personal Finance** ,1993-01 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics **Jim Kobak's Kirkus Reviews** ,1986 **Kiplinger's Personal Finance** ,1992-09 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics *Kiplinger's Personal Finance* ,1993-12 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics **You and Your Money** Henry E. Riggs, 2013-03 This book addresses the very many considerations persons face in handling their income savings investing borrowing protecting against risks and tax planning Somewhat surprisingly our educational system at the high school level and beyond rarely addresses this myriad of issues both problems and opportunities that can be

categorized as personal finances Our schools lecture ceaselessly about the challenges of drugs sex alcohol smoking social media and wellness and appropriately so since young people are exposed to endless opportunities to make poor and harmful decisions regarding each of those matters But so also are adults at all ages teenagers to senior citizens confronted by a host of challenges and opportunities as to how to manage their personal finances from before they receive their first paychecks and continuing on through retirement and death As we proceed through high school college and even graduate school we may take courses in accounting finance economics and taxation all of which offer tidbits of advice on handling our personal finances but none are comprehensive in addressing personal finance This book seeks to fill that void Kiplinger's Personal Finance ,1993-04 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics Kiplinger's Personal Finance ,1993-03 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics **ETFs for the Long Run** Lawrence Carrel,2008-09-16 Praise for ETFs For The Long Run As the title of the book suggests ETFs are going to be an increasingly important reality for a broad class of investors in coming years This book offers the reader real understanding of this growing force in our economic lives Robert J Shiller Arthur M Okun Professor of Economics at Yale University Co founder and Chief Economist at MacroMarkets LLC ETFs for the Long Run is a fascinating read A seasoned financial industry journalist Lawrence Carrel does an excellent job of highlighting exchange traded funds meteoric rise in popularity over the last few years A terrific book for anyone looking to grasp the ABCs of ETF investing Jerry Moskowitz President FTSE Americas Inc ETFs for the Long Run provides a unique combination of a detailed history of the development of ETFs a clear explanation of the sophisticated mechanics of ETFs an assessment of investors choices amongst this dynamic product area and unbiased recommendations for appropriate portfolio allocation to these efficient investment tools Lawrence Carrel has done investors and the industry a great service in pulling these four elements together in a highly readable and often entertaining book Steven Schoenfeld Chief Investment Officer Global Quantitative Management Northern Trust and Editor Active Index Investing Despite the incredible growth of exchange traded funds ETFs and the fact they ve been on the market for fifteen years some investors are still either unaware of the effectiveness of ETFs or unsure of how to use them in their investment endeavors That s why respected ETF expert and journalist Lawrence Carrel has written ETFs for the Long Run Filled with in depth insights and practical advice this reliable resource puts ETFs in perspective and reveals how they can help you profit in both up and down markets Page by page Carrel takes you through the ins and outs of ETFs including their history the tax benefits and minimal charges associated with them and the fundamental differences between ETFs and other types of investments He also provides you with the resources and tools needed to trade ETFs and build your own ETF portfolio You may have heard about ETFs while researching other investments or speaking with an investment advisor If you want to learn more about them this book will

provide you with a clear understanding of what ETFs are how they work and how they can be used to create a low cost liquid and diversified portfolio
