The image is a colorful illustration of a circus theme. In the center, a white banner with a brown border contains the text "Maths Circus" in a bold, yellow, rounded font. Below the banner, two red and black striped circus tents are visible at the bottom corners. To the left of the banner, a unicycle with a pink frame and black wheel is shown. To the right, another identical unicycle is present. Several small, stylized stars are scattered across the light blue background, which features faint, radiating lines emanating from behind the central banner. Small, colorful objects resembling torches or flags are also floating in the air.
