## **Matters Of Life Longing:**

**Matters of Life and Death** David Orentlicher, 2001-12-02 Orentlicher uses controversial life and death issues as case studies for evaluating three models for translating principle into practice Physician assisted suicide illustrates the application of generally valid rules a model that provides predictability and simplicity and more importantly avoids the personal biases that influence case by case judgments The author then takes up the debate over forcing pregnant women to accept treatments to save their fetuses He uses this issue to weigh the avoidance of perverse incentives an approach to translation that follows principles hesitantly for fear of generating unintended results And third Orentlicher considers the denial of life sustaining treatment on grounds of medical futility in his evaluation of the tragic choices model which hides difficult life and death choices in order to prevent paralyzing social conflict

**RECONCILIATION: A Matter of Life and Death** Dwight Dumas, 2020-01-13 Everyone will experience separation in relationships whether personal spiritual or professional Severed relationships are often devastating This book exposes the reader to diabolical strategies that perpetuate division while offering solutions that render these tactics impotent The aim of the remedies provided is to bring healing and restoration to severed relationships Dwight Dumas takes you on a journey of understanding the Biblical mandate for the believer to be a reconciler This vital role is much more than a good idea a noble recommendation or the right thing to do it s truly a Matter of Life and Death

**Matter and Desire** Andreas Weber, 2017 Nautilus Award Gold Medal Winner Ecology Environment In Matter and Desire internationally renowned biologist and philosopher Andreas Weber rewrites ecology as a tender practice of forging relationships of yearning for connections and of expressing these desires through our bodies Being alive is an erotic process constantly transforming the self through contact with others desiring ever more life In clever and surprising ways Weber recognizes that love the impulse to establish connections to intermingle to weave our existence poetically together with that of other beings is a foundational principle of reality The fact that we disregard this principle lies at the core of a global crisis of meaning that plays out in the avalanche of species loss and in our belief that the world is a dead mechanism controlled through economic efficiency Although rooted in scientific observation Matter and Desire becomes a tender philosophy for the Anthropocene a poetic materialism that closes the gap between mind and matter Ultimately Weber discovers in order to save life on Earth and our own meaningful existence as human beings we must learn to love

The Things of Life Alexey Golubev, 2020-12-15 The Things of Life is a social and cultural history of material objects and spaces during the late socialist era It traces the biographies of Soviet things examining how the material world of the late Soviet period influenced Soviet people s gender roles habitual choices social trajectories and imaginary aspirations Instead of seeing political structures and discursive frameworks as the only mechanisms for shaping Soviet citizens Alexey Golubev explores how Soviet people used objects and spaces to substantiate their individual and collective selves In doing so Golubev rediscovers what helped Soviet citizens make sense of their selves and the world around them ranging from space rockets

and model aircraft to heritage buildings and from home gyms to the hallways and basements of post Stalinist housing Through these various materialist fascinations *The Things of Life* considers the ways in which many Soviet people subverted the efforts of the Communist regime to transform them into a rationally organized disciplined and easily controllable community Golubev argues that late Soviet materiality had an immense impact on the organization of the Soviet historical and spatial imagination His approach also makes clear the ways in which the Soviet self was an integral part of the global experience of modernity rather than simply an outcome of Communist propaganda Through its focus on materiality and personhood *The Things of Life* expands our understanding of what made Soviet people and society Soviet

**Noticing God** Richard Peace,2012-04-13 Richard Peace unpacks what it means to make a conscious practice of noticing God in daily life He explores the various ways people experience and recognize God s presence in mystical encounters ordinary life our hearts through other people through Scripture nature and the church God is present in our world You can encounter him Here s how

*Wholly Jesus: His surprising approach to wholeness and why it matters today* Mark Wesley Foreman,2008 In compelling fashion *Wholly Jesus* clarifies the foundational and frequently misinterpreted meaning of Jesus offer of salvation and heaven that to follow Him is to find wholeness in body mind and spirit The clarification has huge implications for the effectiveness of today s Christian church and subsequently for the redemption of lives and cultures

**Sacred Ashes: The Flames of Wisdom** T. D. Amber,2025-08-22 There comes a moment when silence feels heavier than words when healing doesn t look like light but like fire *Sacred Ashes* is a deeply intimate journey through the layers of emotion we often hide quiet grief unseen resilience and the aching beauty of transformation In her signature voice raw reflective and poetic T D Amber invites you into her inner world one journal entry at a time This is a mirror a companion for anyone walking the tightrope between who they were and who they are becoming With essays that read like confessions blending fiction and reflections that feel like home T D Amber explores identity purpose inner child healing divine timing and the kind of spiritual awakening that doesn t happen all at once but breath by breath Whether you ve struggled to be understood carried invisible weight or felt called to something greater without knowing why this book meets you exactly where you are to walk beside you as you remember your way forward *Sacred Ashes* is not about escaping the fire It s about learning you were the spark all along

*A Life That Matters* P. K. Hallinan,2012-05-24 Invaluable insights for building a meaningful life There comes a time in every person s life when they wonder does anything I do really matter In this inspiring book bestselling author P K Hallinan shows readers how to answer that question with a resounding yes With encouraging stories from his life and others Hallinan lays out five immensely practical steps readers can follow to achieve a more meaningful life Work hard Go in the strength you have Finish what you start Be patient Help other people along the way While other books and authors try to tell readers how to change their personality or way of thinking to find their purpose P K Hallinan shows that true life change is not about thinking but about doing *A Life That Matters* does not try to change how people feel but how they act It teaches

that no matter what someone is doing with a redirection of focus he or she can make a real and lasting difference in the world Life is a journey A Life That Matters shows readers how to make their journey as productive and satisfying as possible

**Matter and Life: what are They?** William Naismith,1904 *Living a Life That Matters* Mark Matlock,Chris Lyon,2010-10-05 Money Fame Relationships Knowledge Having all these things or even one would make you happy right Well maybe for a second At least that s what King Solomon learned and he tried all those things on a HUGE scale and still wasn t content In fact chasing those ideas and getting what he wanted actually made him more depressed So what are we supposed to do if the wisest man in history couldn t make those things work Thankfully Solomon left us a whole book of his trials and errors Maybe you ve looked at other people s lives and thought If only I had that my life would be perfect The problem is those same people are asking the same question when they come across someone else Even the wisest man in the world Solomon struggled with it In *Living a Life that Matters* author and wisdom expert Mark Matlock unpacks Solomon s big If only questions on happiness in the book of Ecclesiastes to connect his timeless questions to yours and explores what really makes a perfect life *Living a Life That Matters* lets you gaze over Solomon s shoulder as he indulges every pleasure exercises every power and emerges with a radical conclusion about how to live You ll also find ways that his search for meaning connects with yours today and how your story can connect with your friends as they seek meaning in the world *Living a Life that Matters* makes the book of Ecclesiastes relevant to teens lives and also easy to understand contains contemporary examples from pop culture and everyday life explores what it means to live in the world today as well as the real issue of depression and its effects *The Oxford Handbook of Positive Psychology* C. R. Snyder,Shane J. Lopez,Lisa M. Edwards,Susana C. Marques,2021 *The Oxford Handbook of Positive Psychology* is the seminal reference in the field of positive psychology which continues to transcend the boundaries of academia to capture the imagination of the general public Almost 20 years after the first publication of this groundbreaking reference this new third edition showcases how positive psychology is thriving in diverse contexts and fields of psychology Consisting of 68 chapters of the most current theory and research this updated handbook provides an unparalleled cross disciplinary look at positive psychology from diverse fields and all branches of psychology including social clinical personality counseling health school and developmental psychology Several new chapters are included which highlight the latest research on positive psychology and neuroscience as well as growing areas for applications of positive psychology *Empty Pillows: Healing Matters of the Heart* Michael Taylor,2022-06-20 *Empty Pillows Healing Matters of the Heart* Trilogy I *Empty Pillows* series is about Men and Women looking at the choices they make when it comes to relationships *Empty Pillows* is not about pointing fingers at one s love interest but rather looking at one s own decision making skills *Empty Pillows* focuses on why we allow bad people into our lives and blame them when the relationship goes bad *Empty Pillows* helps people to look strongly at themselves Readers have summed up *Empty Pillows* to be a therapeutic book a self help book an introspective book a thought provoking book a step

bystep book not a man bashing or a woman bashing book Additionally Empty Pillows is about being the right individual for the right individual No man or woman can be the right one for the wrong person If he or she is wrong for you then you are wrong for them too **In Pursuit of the Christ-Shaped Life** Micah D. Carpenter,2021-08-16 Perhaps we don't always think of our life as having a shape But the life of Jesus certainly had a shape and we are called to imitate him Paul's letter to the Philippians presents us with this call in many ways encouragements and exhortations toward faithfulness personal examples and a rich theology of the cross This book is a mediation on the call of Philippians to embrace God's gift of a Christ shaped life Such a life is both an unshakable promise of God which defines our destiny and a personal responsibility to be embraced each day In this book you are invited to ponder the desires of your heart and to lay them at the feet of our Lord who alone is worthy of our desire and who alone can reshape our hearts after the image of his own Here we find that the process of being formed after the image of Christ is not only a matter of supreme importance but also of overwhelming joy in which we learn the delight of singing with Christ the great song of self giving love **The Systems Mindset** Sam Carpenter,2016-05-03 Fix the machinery of your life and serenity and wealth will follow Starkly compelling in its simplicity in The Systems Mindset Managing the Machinery of Your Life Sam Carpenter expands on the core inspirational element of his business bestseller Work the System The Simple Mechanics of Making More and Working Less now in its third edition Mindset is your path to quickly breaking free to making a small tweak in how you see your world and then using that more accurate vision to get what you've always wanted from work relationships and health When the systems mindset epiphany strikes you will instantly see the visible and invisible machinery that determines your existence With this startling new perception you'll see that your world is not a confusing array of sights sounds and events and instead grasp that it's a simple and logical collection of systems systems that can be quickly adjusted to deliver the life results you've always wanted You will never be the same
