Matthew Simpson Patriot Preacher Prophet:

Matthew Simpson Clarence True Wilson, 1929

Faith and the Presidency From George Washington to George W.

Bush Gary Scott Smith, 2006-10-12 In the wake of the 2004 election pundits were shocked at exit polling that showed that 22% of voters thought moral values was the most important issue at stake People on both sides of the political divide believed this was the key to victory for George W Bush who professes a deep and abiding faith in God While some fervent Bush supporters see him as a man chosen by God for the White House opponents see his overt commitment to Christianity as a dangerous and unprecedented bridging of the gap between church and state In fact Gary Scott Smith shows none of this is new Religion has been a major part of the presidency since George Washington's first inaugural address Despite the mounting interest in the role of religion in American public life we actually know remarkably little about the faith of our presidents Was Thomas Jefferson an atheist as his political opponents charged What role did Lincoln's religious views play in his handling of slavery and the Civil War How did born again Southern Baptist Jimmy Carter lose the support of many evangelicals Was George W Bush as his critics often claimed a captive of the religious right In this fascinating book Smith answers these questions and many more He takes a sweeping look at the role religion has played in presidential politics and policies Drawing on extensive archival research Smith paints compelling portraits of the religious lives and presidencies of eleven chief executives for whom religion was particularly important Faith and the Presidency meticulously examines what each of its subjects believed and how those beliefs shaped their presidencies and in turn the course of our history

Encyclopedia of Christianity in the United States George Thomas Kurian, Mark A. Lamport, 2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation Writings on American History, 1929

Cities of Zion Samuel Avery-Quinn, 2019-10-14 Cities of Zion The Holiness Movement and Methodist Camp Meeting Towns in America follows Methodists and holiness advocates from their urban worlds of mid century New York City and

Philadelphia out into the wilderness where they found green worlds of religious retreat in that most traditional of Methodist theaters the camp meeting Samuel Avery Quinn examines the transformation of American Methodist camp meeting revivalism from the Gilded Age through the twenty first Century These transformations are a window into the religious worlds of middle class Protestants as they struggled with economic and social change industrialization moral leisure theological controversies and radically changing city life and landscape This study comprehensively analyzes camp meeting revivalism in America to offer a larger narrative to the historical movement Avery Quinn studies how Methodists and holiness advocates sought to sanctify leisure and recreation struggled to balance a sense of community while mired in American gender role and race relation norms wrestled with the governance and town planning of their communities and confronted the shifting economic fortunes and continuing theological controversies of the Progressive Era
