Rules Of The Wild A Novel Of Africa:

Rules of the Wild Francesca Marciano, 2009-07-29 A mesmerizing novel of love and nostalgia set in the vast spaces of contemporary East Africa Romantic often resonantly ironic moving and wise Rules of the Wild transports us to a landscape of unsurpassed beauty even as it gives us a sharp eyed portrait of a closely knit tribe of cultural outsiders the expatriates living in Kenya today Challenged by race by class and by a longing for home here are safari boys and samaritans reporters bent on their own fame travelers who care deeply about elephants but not at all about the people of Africa They all know each other They meet at dinner parties they sleep with each other they argue about politics and the best way to negotiate their existence in a place where they don't really belong At the center is Esm a beautiful young woman of dazzling ironies and introspections who tells us her story in a voice both passionate and self deprecating Against a paradoxical backdrop of limitless physical freedom and escalating civil unrest Esm struggles to make sense of her own place in Africa and of her feelings for the two men there whom she loves Adam a second generation Kenyan who is the first to show her the wonders of her adopted land and Hunter a British journalist sickened by its horrors Rules of the Wild evokes the worlds of Isak Dinesen Beryl Markham and Ernest Hemingway It explores unforgettably our infinite desire for a perfect elsewhere for love and a place to call home It is an astonishing literary debut

Germans on the Kenyan Coast Nina Berman, 2017-01-16 Shed s light on the romantic psychosexual and psychosocial and economic entanglements that tie German tourists to their Kenyan hosts Daily Nation Diani a coastal town on the Indian Ocean is significantly defined by a large European presence that has spurred economic development and is also supported by close relationships between Kenyans and European immigrants and tourists Nina Berman looks carefully at the repercussions that these economic and social interactions have brought to life on the Kenyan coast She explores what happens when poorer and less powerful members of a community are forced to give way to profit based real estate development what it means when most of Diani s schools and water resources are supplied by funds from immigrants and what the impact of mixed marriages is on notions of kinship and belonging as well as the economy This unique story about a small Kenyan town also recounts a wider tale of opportunity oppression resilience exploitation domination and accommodation in a world of economic political and social change In this richly detailed book

Nina Berman tracks the influx of thousands of German speaking tourists and residents especially in the 1990s and the making of a distinctive Kenyan European cultural enclave in the coastal community of Diani as many of these visitors choose to extend their stay as long term residents Ann Biersteker author of *Masomo ya Kisasa Contemporary Readings in Swahili* An informative and thought provoking work that deserves to be read by scholars of Kenya and those interested in globalized structures of gentrification north south humanitarian assistance and love and romance in Africa African Studies Quarterly

Chaytor,K.R. Gray,2013-11-11 C O OKID1 I welcome the opportunity to prepare a Foreword to the book on Environmental Policy and Law in Africa edited by Kevin R Gray and Beatrice Chaytor It is a pleasure to do that because the book is a contribution to the cause of capacity building for development and implementation of environmental law in Africa a goal towards which I have had an undivided focus over the last two decades There is still some belief in and outside Africa that for developing countries in general and Africa in particular development and implementation of environmental law is not a priority This belief prevails strongly in many quarters of the industrialised countries In fact the view is held either out of blatant ignorance or by some renegade industrialists who fail to appreciate Michael Royston's 1979 thesis that Pollution Prevention Pays 2 That group for obvious reasons must have their correspondent counterparts in Africa to provide hope that

industries rejected as derelict in the West or inoperable due to rigorous environmental regulation can find homes to which they can escape and dump their polluting industries Margery Perham and British Rule in Africa Mary Bull, Alison Smith, 2013-12-02 Margery Perham was an outstanding influence on official and academic thinking on British Colonial rule and decolonization in Africa during the middle part of the century The book traces how the Second World War transformed her view of colonial rule and of the rate at which it would have to be relinquished **Crime Fiction and the Law** Maria Aristodemou, Fiona Macmillan, Patricia Tuitt, 2016-12-08 This book opens up a range of important perspectives on law and violence by considering the ways in which their relationship is formulated in literature television and film Employing critical legal theory to address the relationship between crime fiction law and justice it considers a range of topics including the relationship between crime fiction legal reasoning and critique questions surrounding the relationship between law and justice gender issues the legal political and social impacts of fictional representations of crime and justice post colonial perspectives on crime fiction as well as the impact of law itself on the crime fiction s development Introducing a new sub field of legal and literary research this book will be of enormous interest to scholars in critical cultural and socio legal studies as well as to others in criminology as well as in literature Think Like a Vegan Emilia A. Leese, Eva J. Charalambides, 2021-05-27 According to the latest figures the number of vegans in the UK has more than quadrupled since 2014 now representing over 1 per cent of the total population With the rise in plant based foods and cruelty free products showing no sign of stopping Think Like a Vegan explores how vegan ethics can be applied to every area of our daily lives We all want to live more healthily and ethically and this book is certainly not just for vegans It s for anyone interested in veganism its ideals and what even non vegans can learn from its practice Through a personal and often irreverent lens the authors explore a variety of contemporary topics related to animal use from the basics of vegan logic to politics economics love and other aspects of being human each chapter draws you into a thought provoking conversation about your daily ethical decisions Why should we adopt animals What s the problem with organic meat What are the economics of plant based foods What about honey What is the relationship between veganism and feminism What is vegansexualism Africa Analysis, 1999 A fortnightly bulletin on financial and political trends **The Letter of the Law in J. E. Casely Hayford's West Africa** Jeanne-Marie Jackson, 2026-02-03 The first book devoted to the the career of anglophone West Africa s most important early twentieth century statesman and intellectual The African Gold Coast writer and statesman J E Casely Hayford 1866 1930 was a key figure in liberal anticolonial thought as well as African and British imperial literary and intellectual history In this revisionist account Jeanne Marie Jackson positions his career as an intriguing case study of anticolonial literature and politics Jackson maps the contours of Casely Hayford s thought through sustained attention to his written work within its Gold Coast and British imperial contexts demonstrating the far reaching conceptual and aesthetic resources of his elite legal background Treating Casely Hayford s 1911 novel Ethiopia Unbound as a constitutional document and his legal writings as

literary exemplars Jackson breaks down artificial divisions between African textual traditions The law for Casely Hayford and his Fante nationalist peers was intimately bound to the virtues they attached to textuality clear headedness moderation restraint and public discernment Jackson argues for this liberal disposition as a crucial and neglected part of anticolonial intellectual and political history Colonial era legal debates framed the rise of an influential consummately modern Gold Coast leader deemed fit to steer ambitious new pan African institutions and in Jackson s telling Casely Hayford emerges as his era s most emblematic figure

Refusal, Transition and Post-apartheid Law Karin Van Marle,2009-11-01 Refusal Transition and Post apartheid Law under editorship of professor Karin van Marle is indeed long overdue As some of the authors in the relevant contributions to this publication rightly point out Van Marle s call for a jurisprudence of generosity enabled through an ethics of refusal signals a new shift in South African jurisprudence Through the lens of Van Marle s ethics of refusal and her jurisprudence of generosity the articles present fresh and meaningful interpretations in respect of a range of very relevant topics ranging from property theory and a rethinking of human rights to the role of forgiveness and the dangers inherent in modern technology

Who decides what is right or wrong ethical or immoral just or unjust In the world of crime and spy fiction between 1880 and 1920 the boundaries of the law were blurred and justice called into question humanity s moral code As fictional detectives mutated into spies near the turn of the century the waning influence of morality on decision making signaled a shift in behavior from idealistic principles towards a pragmatic outlook taken in the national interest Taking a fresh approach to Sir Arthur Conan Doyle s popular protagonist Sherlock Holmes this book examines how Holmes and his rival maverick literary detectives and spies manipulated the law to deliver a fairer form of justice than that ordained by parliament Multidisciplinary this work views detective fiction through the lenses of law moral philosophy and history and incorporates issues of gender equality and race By studying popular publications of the time it provides a glimpse into public attitudes towards crime and morality and how those shifting opinions helped reconstruct the hero in a new image Books of 1912- Chicago Public Library,1912
