Secret: Fame or Failure Dorothy L. Johnson, 2020-05-19. As a health professional, personal conversations with thousands of women from around the world revealed one trend: They had little self-worth, were not empowered, and others saw them similarly. It must be noted that even historians portray no ancient writing as unique as the Bible, whose successful female characters existed within an exclusively male dominant culture when women were excluded from the population statistic of their times. Exodus 11:37 and Matt 14:21 and 15:38. Significant changes are occurring in some areas of the world as women struggle for their rights to freedom and equity. While writing this book, British Broadcasting Corporation (BBC) highlighted areas of breakthrough: the first story, women drivers in Saudi Arabia allowed obtaining driver's license; the second story, featured a stewardess on a Turkish Airline taking legal action against the Airline for being paid less than her male counterpart; the third, Malala Yousafzai, Noble Peace Prize Winner who was shot in her head by the Taliban in 2012 for campaigning for education among girls, was fit to return home after six years; the fourth, a major historical landmark, her campaign for women's right to vote during the 19th Century was memorialized in 2018, more than one hundred years later. In her honor, Millicent Fawcett, the first female statue, was erected and unveiled in London.

Secret: Fame or Failure provides unbiased biblical solutions, empowering women by positive role models, although not exclusively for women. It features life in the palace and life among ordinary people who did uncommon things. This unique book enhances the knowledge of men and women who have read and studied the Bible for many years, creating a hunger for cultural ancestral

heritage within scriptures It is saturated with revelation and teachings linking the lives of the biblical women to women today
