Sectarianism Analyses Of Religious And Non Religious Sects

Simon Mabon

Sectarianism Analyses Of Religious And Non Religious Sects:

Sectarianism Roy Wallis, 1975 One of the more extraordinary trends to have emerged in the West in the 1970s and one that has created considerable interest and curiosity particularly among sociologists is the proliferation of new religious sects Their followers are often young people disenchanted with the drug culture but seeking a new spirituality in an intensely materialistic society *Sectarianism* is a collection of essays studying this development Edited by Roy Wallis Lecturer in Sociology at the University of Stirling it is written by leading sociologists from Britain Canada and the USA and covers a wide range of sectarian movements in both the religious and the secular domains Included are case studies of The Aetherius Society a flying saucer cult the Hare Krishna movement the Jehovah s Witnesses and the United Family an investigation of societal reaction to Scientology and a fascinating study contrasting modern communitarian movements with the Shakers a once flourishing communitarian sect in the USA In the secular domain the book investigates organizations that though nonreligious exhibit characteristics of religious sects These include the Concept Houses one of the latest methods for rehabilitating drug addicts two contemporary left wing political groups and two ex patient therapeutic groups Neurotics Nomine and Recovery Inc *Sectarianism* will be indispensable to the sociologists of religion it should also prove of immense interest to the layman wishing to deepen his knowledge of this phenomenon beyond the superficial and often hysterical reporting in the press Publisher **Sects and Sectarianism in Jewish History** Sacha Stern, 2011-04-21 Several Jewish groups from Antiquity until today have been traditionally identified as sects or as sectarian most famously the Qumran community and the Qaraites This volume questions the appropriateness of this interpretation of social and religious movements in Jewish history *The Sociology of Religion* Malcolm B. Hamilton, 2012-06-12 This clear introduction to the sociology of religion combines a discussion of key theorists with a modern emphasis on the diversity of religious beliefs and practices Malcolm Hamilton s expanded second edition brings the discussion fully up to date and extends its material on secularization and religious sects giving a broad comparative view Drawing on the insights of history anthropology and sociology he surveys classic and contemporary theory to give a full picture of the variety and scope of theoretical perspectives **Sectarianism in Early Judaism** David J. Chalcraft, 2014-12-05 *Sectarianism in Early Judaism* applies recent developments in sociological analysis to sect formation and development in early Judaism The essays examine sectarianism in a wide range of different forms the many layers of redaction in religious texts the development arcs of sectarian groups the role of sectarianism across Jewish history as well as in the time of the Second Temple and the relations within and between sects and between sects and wider society The book aims to establish a conceptual framework for the analysis of sects and in doing so makes particular use of the work of Max Weber and Bryan Wilson exploring the limits of their typologies and sociological theories **Routledge Library Editions: Sociology of Religion** Various, 2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains

classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class

American Sociology of Religion, 2007-08-31 This is a collection of histories of various aspects of American sociology of religion The contributions range from descriptions of early dissertations accounts of changes in theoretical conceptualization the evolution of studies of particular denominations to the rise of new areas of inquiry such as globalization feminism new religions and the study of the religious traditions of Latino Americans Taken as a whole the volume complements rather than duplicates commemorative issues of the relevant journals which focused on the scholarly organizations in the field It represents a first effort to develop an organized treatment of the fascinating history of the specialty in the U S A

Researching New Religious Movements Elisabeth Arweck, 2006 This cutting edge analysis of American and European new religious movements explores the controversies between religious groups and the majority interests which oppose them It asks how modern societies can best respond to new religious movements

Controversial New Religions James R. Lewis, Jesper Aa. Petersen, 2014-07-16 In terms of public opinion new religious movements are considered controversial for a variety of reasons Their social organization often runs counter to popular expectations by experimenting with communal living alternative leadership roles unusual economic dispositions and new political and ethical values As a result the general public views new religions with a mixture of curiosity amusement and anxiety sustained by lavish media emphasis on oddness and tragedy rather than familiarity and lived experience This updated and revised second edition of *Controversial New Religions* offers a scholarly dispassionate look at those groups that have generated the most attention including some very well known classical groups like The Family Unification Church Scientology and Jim Jones's People's Temple some relative newcomers such as the Kabbalah Centre the Order of the Solar Temple Branch Davidians Heaven's Gate and the Falun Gong and some interesting cases like contemporary Satanism the Raelians Black nationalism and various Pagan groups Each essay combines an overview of the history and beliefs of each organization or movement with original and insightful analysis By presenting decades of scholarly work on new religious movements written in an accessible form by established scholars as well as younger experts in the field this book will be an invaluable resource for all those who seek a view of new religions that is deeper than what can be found in sensationalistic media stories

The Oxford Handbook of the Dead Sea Scrolls Timothy H. Lim, John J. Collins, 2012-10-11 In 1946 the first of the Dead Sea Scroll discoveries was made near the site of Qumran at the northern end of the Dead Sea Despite the much publicized delays in the publication and editing of the Scrolls practically all of them had been made public by the time of the fiftieth anniversary of the first discovery That occasion was marked by a spate of major publications that attempted to sum up the state of scholarship at the end of the twentieth century including *The Encyclopedia of the Dead Sea Scrolls* OUP 2000 These publications produced an authoritative synthesis to which the majority of scholars in the field subscribed granted disagreements in detail A decade or so later *The Oxford Handbook of the Dead Sea Scrolls* has a different objective and character It seeks to probe the main

disputed issues in the study of the Scrolls Lively debate continues over the archaeology and history of the site the nature and identity of the sect and its relation to the broader world of Second Temple Judaism and to later Jewish and Christian tradition It is the Handbook s intention here to reflect on diverse opinions and viewpoints highlight the points of disagreement and point to promising directions for future research **The Sociology of Mennonites, Hutterites and Amish** Donovan E.

Smucker,1991-05-14 This book provides an annotated survey and analysis of the sociological literature concerning three sectarian religious groups the highly varied Mennonites the communal Hutterites and the semi communal anti industrial Amish We the People, Servants of Deception Christopher M. Dawson,2012-05-14 Using the principles and tools of sociology presented in his university course Chris Dawson challenges the reader to reconsider the social reality of our society This book exposes inconsistencies and deceptions in the conventional portrayal of America s experiment in democracy His provocative social commentary explores the role of our military the culture of fear strategies in the war on terror the excesses of corporate power and our misconceptions about crime He speaks of social inequality social and racial group divisions and offers unconventional views about education medicine universal healthcare and the origins of religion The doubts he raises will merit your serious reflection *The Origins of the Bahá'í Community of Canada, 1898-1948* Will C. van den Hoonaard,2010-10-30 What binds together Louis Riel s former secretary a railroad inventor a Montreal comedienne an early proponent of Canada s juvenile system and a prominent Canadian architect Socialists suffragists musicians artists from 1898 to 1948 these and some 550 other individual Canadian Bah s helped create a movement described as the second most widespread religion in the world Using diaries memoirs official reports private correspondence newspapers archives and interviews Will C van den Hoonaard has created the first historical account of Bah s in Canada In addition *The Origins of the Bah Community of Canada 1898 1948* clearly depicts the dynamics and the struggles of a new religion in a new country This is a story of modern spiritual heroes people who changed the lives of others through their devotion to the Bah ideals in particular to the belief that the earth is one country and all of humankind are its citizens Thirty nine original photographs effectively depict persons and events influencing the growth of the Bah movement in Canada *The Origins of the Bah Community of Canada 1898 1948* makes an original contribution to religious history in Canada and provides a major sociological reference tool as well as a narrative history that can be used by scholars and Bah s alike for many years to come

Living in the Children of God David E. Van Zandt,2014-07-14 At the height of the religious ferment of the 1970s David Van Zandt studied firsthand the most vilified of the new radical religious movements the Children of God or the Family of Love First feigning membership and later gaining the permission of the Family the author lived full time in COG colonies in England and the Netherlands From that experience he has produced an informed insightful and humane report on how COG members function in what seems at first to be a completely bizarre setting The COG an offshoot of the Jesus People movement of the late 1960s was one of the first radical religious groups to be accused of brainwashing Led by the

charismatic David Berg known as Moses David the group demands total commitment from its full time members and proselytizes continuously Until recently the COG used sex as a proselytizing tool and it continues to encourage full sexual sharing among group members Instead of examining the COG s ideology in the abstract Van Zandt analyzes how its ideas are understood and used by ordinary members in their daily lives For them the Family is its practical day to day and all consuming activities such as litnessing the street sale of COG literature This is a vivid eyewitness account that will fascinate anyone interested in life in modern radical communal religions such as the Unification Church and the Hare Krishnas as well as in other radical Christian based total commitment groups Van Zandt s frank reflections on his near conversion experience and on the ethics of his covert observation enrich our knowledge of doing research with such groups Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Houses built on sand* Simon Mabon,2020-02-28 This electronic version has been made available under a Creative Commons BY NC ND open access license The events of the Arab Uprisings posed an existential challenge to sovereign power across the Middle East Whilst popular movements resulted in the toppling of authoritarian rule in Tunisia Egypt and Yemen other regimes were able to withstand these pressures This book questions why some regimes fell whilst others were able to survive Drawing on the work of political theorists such as Agamben and Arendt Mabon explores the ways in which sovereign power is contested resulting in the fragmentation of political projects across the region Combining an innovative theoretical approach with interviews with people across the region and beyond Mabon paints a picture of Middle Eastern politics dominated by elites seeking to maintain power and wealth seemingly at whatever cost This for Mabon is a consequence of the emergence and development of particular visions of political projects that harness or marginalise identities communities ideologies and faiths as mechanisms designed to ensure their survival This book is essential reading for those interested in understanding why the uprisings took place their geopolitical consequences and why they are likely to happen again **The SAGE Encyclopedia of the Sociology of Religion** Adam Possamai,Anthony J. Blasi,2020-02-14 The SAGE Encyclopedia of the Sociology of Religion takes a three pronged look at this namely investigating the role of religion in society unpacking and evaluating the significance of religion in and on human history and tracing and outlining the social forces and influences that shape religion This encyclopedia covers a range of themes from fundamental topics like definitions secularization dimensions of religiosity to such emerging issues as civil religion new religious movements This Encyclopedia also addresses contemporary dilemmas such as fundamentalism and extremism and the role of gender in religion Altruism in the Context of Economic Rationalistic Idelogies and Systems of Healthcare and Welfare

Delivery. A Multi-Disciplinary Approach Donald Gates, 2006-03 This work examines the two apparently contradictory concepts of Altruism and Economic Rationalism in the context of Health and Welfare Delivery It is multi disciplinary and employs a number of disciplines including Sociology Economics Theology Religion Ecclesiology History and Political Science

Heavenly Tablets Lynn LiDonnici, Andrea Lieber, 2007-06-30 This volume brings together a wide range of international scholars of Ancient Judaism in celebration of the career of Betsy Halpern Amaru The essays in the first section Interpreting Ritual Texts examine Jewish ritual praxis in late antiquity highlighting the ways in which text and ritual intersect in the process of interpretation Mapping Diaspora Identities asks how Diaspora communities came to understand the Bible's preoccupation with land and how land was used to figure ancient authors' depictions of center and margin in drawing the boundaries of Jewish communities and of Jewish identity Finally Rewriting Tradition explores rewriting of biblical stories in Hellenistic and later Jewish sources and the ways that authors work through the tradition to reflect their current realities and their hopes for the future

The Elementary Forms of the New Religious Life Roy Wallis, 2019-03-19 This book first published in 1984 examines the whole range of new religious movements which appeared in the 1960s and 1970s in the West It develops a wide ranging theory of these new religions which explains many of their major characteristics Some of the movements are well known such as Scientology Krishna Consciousness and the Unification Church Others such as the Process Meher Baba and 3 HO are much less known While some became international others remained local in other ways too such as style belief organisation they exhibit enormous diversity The movements studied here are classified under three ideal types world rejecting world affirming and world accommodating and from here the author develops a theory of the origins recruitment base characteristics and development patterns which they display The book offers a critical exploration of the theories of the new religions and analyses the highly contentious issue of whether they reflect the process of secularisation or whether they are a countervailing trend marking the resurgence of religion in the West

Come Out from among Them, and Be Ye Separate, Saith the Lord William H. Brackney, Evan L. Colford, 2020-01-01 Believers Churches have their origin in the Radical Reformation of the sixteenth century Over the past 450 years the movement has included the Brethren Mennonites Hutterites various types of Baptists and the Restoration Movement While never a unified denominational structure the Believers Churches together have been characterized by a strong personal faith in Christ a call to discipleship and Christian activism a high view of the authority of Scripture and profession of faith in believers baptism The Believers Churches have represented their beliefs in various ecumenical settings missionary gatherings and theological conversations In the late 1950s representatives of the several Believers Churches began to meet in a series of conferences to explore their common views on doctrine history and ethics Topics at the conferences have included baptism Lord's Supper the nature of the church and religious voluntarism In 2016 the 17th Believers Church Conference was held at Acadia University and sponsored by Acadia Divinity College The theme was The Tendency Toward Separationism Among the

Believers Churches a key recurring characteristic This volume includes the papers presented at the conference and examines the theme from an immediate post Reformation perspective including Baptists Black Baptists Restorationists including the Churches of Christ the Hutterites Pentecostals the role of women and significantly the separationist tendency as it occurs in New Religious Movements Typologies and analyses are provided by leading historians theologians and social science specialists Intentional Communities (Routledge Revivals) Barry Shenker, 2011-03-31 Some communities exist for tens even hundreds of years Others short lived What then makes for communal success Barry Shenker who lived on a Kibbutz for a number of years compares the Hutterites the Kibbutzim and therapeutic communities and argues that there is no simple formula Through historical and sociological analysis combined with personal experience and insight the author provides fresh thoughts on a form of a social life which fascinates us all First published in 1986

Sectarianism Analyses Of Religious And Non Religious Sects Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sectarianism Analyses Of Religious And Non Religious Sects has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sectarianism Analyses Of Religious And Non Religious Sects has opened up a world of possibilities. Downloading Sectarianism Analyses Of Religious And Non Religious Sects provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sectarianism Analyses Of Religious And Non Religious Sects has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sectarianism Analyses Of Religious And Non Religious Sects. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sectarianism Analyses Of Religious And Non Religious Sects. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sectarianism Analyses Of Religious And Non Religious Sects, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sectarianism Analyses Of Religious And Non Religious Sects has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.

FAQs About Sectarianism Analyses Of Religious And Non Religious Sects Books

What is a Sectarianism Analyses Of Religious And Non Religious Sects PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sectarianism Analyses Of Religious And Non Religious Sects PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sectarianism Analyses Of Religious And Non Religious Sects PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sectarianism Analyses Of Religious And Non Religious Sects PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sectarianism Analyses Of Religious And Non Religious Sects PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
