Stephen Paul Miller, Daniel Morris

Secular Judaism:

Secular Judaism Yaakov Malkin, 2004 The majority of Jews throughout the world are secular However few can define their secular beliefs Secular Judaism Faith Values and Spirituality attempts to articulate these beliefs and the practice of Secular Judaism It discusses Secular Humanist values Judaism as Culture and examines Judaism as both a religion and a nation It also raises the Who is a Jew issue and presents the Bible as source of collective memory and the foundation of Jewish culture and civilization going on to examine classic texts and the secular view on God as Literary Hero The idea of pluralism as being not merely desirable but as having existed in accord with ancient life and tradition is dealt with and the Talmudic mechanisms of debate and implied democratic values are described Finally the difference between pluralism and relativism and the danger of the latter is discussed together with a secular humanistic perspective on the need for spirituality with emphasis on community and principles of education Secular Judaism proposes an orientation and guidelines for a curriculum in Judaism as Culture studies and deals with both theoretical issues and practical experiences of secular Jewish communities

Jewish Secularity David M. Gordis, Zachary I. Heller, 2012-05-04 A growing number of Jews identify themselves as secular or somewhat secular Is this expansive definition of Jewishness a new phenomenon What are its roots What are its implications for the Jewish community its institutions and its future In reflecting on secular forms of Jewishness the contributors to this book explore the sources of Jewish secularism and its articulation in Jewish thought belief literature and culture Included in this book are several personal accounts of Jewish journeys as well as analyses of the extent of the division between secular Jews and others in the Jewish community In sum Jewish Secularity The Search for Roots and the Challenges of Relevant Meaning provides an overview of a profound development in the evolving history of Jewish life in America

Not in the Heavens David Biale, 2010-10-18 The story of the origins and development of a Jewish form of secularism Not in the Heavens traces the rise of Jewish secularism through the visionary writers and thinkers who led its development Spanning the rich history of Judaism from the Bible to today David Biale shows how the secular tradition these visionaries created is a uniquely Jewish one and how the emergence of Jewish secularism was not merely a response to modernity but arose from forces long at play within Judaism itself Biale explores how ancient Hebrew books like Job Song of Songs and Esther downplay or even exclude God altogether and how Spinoza inspired by medieval Jewish philosophy recast the biblical God in the role of nature and stripped the Torah of its revelatory status to instead read scripture as a historical and cultural text Biale examines the influential Jewish thinkers who followed in Spinoza's secularizing footsteps such as Salomon Maimon Heinrich Heine Sigmund Freud and Albert Einstein He tells the stories of those who also took their cues from medieval Jewish mysticism in their revolts against tradition including Hayim Nahman Bialik Gershom Scholem and Franz Kafka And he looks at Zionists like David Ben Gurion and other secular political thinkers who recast Israel and the Bible in modern terms of race nationalism and the state Not in the Heavens demonstrates how these many Jewish paths to

secularism were dependent in complex and paradoxical ways on the very religious traditions they were rejecting and examines the legacy and meaning of Jewish secularism today **Secularism in Question** Ethan B. Katz, 2015-07-16

Wine, 1995 *Judaism Beyond God* presents a new secular and humanistic alternative to any of the forms of conventional Judaism It provides new answers to old questions questions about the essence of Jewish identity about the real meaning of Jewish history the significance of the Jewish personality and not least it includes questions about the nature of Jewish ethics It also provide a radical new way of being Jewish new ways of celebrating Jewish holidays and ceremonies of the Jewish life cycle a new approach to dealing with intermarriage and conversion a new way of reinforcing Jewish identity Religion and Secular Modernity in Russian Christianity, Judaism, and Atheism Ana Siljak, 2024-11-15

The Wondering Jew Micah Goodman,2020-11-10 A celebrated Israeli author explores the roots of the divide between religion and secularism in Israel today and offers a path to bridging the divide Zionism began as a movement full of contradictions between a pull to the past and a desire to forge a new future Israel has become a place of fragmentation between those who sanctify religious tradition and those who wish to escape its grasp Now a new middle ground is emerging between religious and secular Jews who want to engage with their heritage without being restricted by it or losing it completely In this incisive book acclaimed author Micah Goodman explores Israeli Judaism and the conflict between religion and secularism one of the major causes of political polarization throughout the world Revisiting traditional religious sources and seminal works of secularism he reveals that each contains an openness to learn from the other s messages Goodman challenges both orthodoxies proposing a new

approach to bridge the divide between religion and secularism and pave a path toward healing a society torn asunder by extremism Jewry between Tradition and Secularism Eliezer Ben-Rafael, Yosef Gorny, Thomas Gergely, 2006-05-01 Are Jews today still the carriers of a single and identical collective identity and do they still constitute a single people This two fold question arises when one compares a Hassidi Habad from Brooklyn a Jewish professor at a secular university in Brussels a traditional Yemeni Jew still living in Sana'a a Galilee kibbutznik or a Russian Jew in Novossibirsk Is there still today a significant relationship between these individuals who all subscribe to Judaism The analysis shows that the Jewish identity is multiple and can be explained by considering all variants as surface structures of the three universal deep structures central to the notion of collective identity namely collective commitment perceptions of the collective's singularity and positioning vis-à-vis others
