The Unofficial Guide® to Real Estate Investing Spencer Strauss, Martin Stone, 2003-10-22

The inside scoop for when you want more than the official line. We've all heard stories of the millionaire real estate tycoons who started out by scraping together enough money for a down payment on a modest first property, or so the legend goes. And we've all seen the books that promise to show you how to make a million dollars buying houses with no money down. But when average people like us can barely pay the mortgage or the rent, we don't need get-rich-quick schemes or hocus pocus; we need the inside scoop on how real estate investing can improve our lives. *The Unofficial Guide to Real Estate Investing*, Second Edition, gives savvy readers like you a foolproof appraisal of everything from the most basic concepts of real estate investing to complicated tax and financing formulations. Millions of Americans got burned when the Internet bubble burst and corporate scoundrels ran off with their retirement accounts. Now they're discovering that real estate can be their ticket to a prosperous retirement. Fully updated to take account of new tax law changes and now including listings of current apartment owners' associations in all 50 states, this new edition is friendlier and more comprehensive than ever. If you're looking for a long-term investment that you can control, safe from robber barons and market swings, look no further than *The Unofficial Guide to Real Estate Investing*, Second Edition. Vital information on the inside world of real estate.
