**Infectious Greed** Frank

Partnoy,2014-06-03 From the bestselling author of *F I A S C O* a riveting chronicle of the rise of dangerous financial

instruments and the growing crisis in American business One by one major corporations such as Enron Global Crossing and Worldcom imploded all around us prey to a greed driven culture and dubious or illegal corporate finance and accounting In a

compelling and disturbing narrative Frank Partnoy's *Infectious Greed* brings to bear all of his skills and experience as a securities attorney financial analyst law professor and bestselling author to tell the story of the rise of the trading instruments and corporate financial structures that imperil the economic health of the country Starting in the mid 1980s with the introduction of the first proto derivatives and taking us through such high profile disasters as Barings Bank and Long Term Capital Management Partnoy traces a seamless progression to today's dangerous manipulations He documents how each new level of financial risk and complexity obscured the sickness of the company in question and required ever more ingenious deceptions It's an alarming story but Partnoy offers a clear vision of how we can step back from the precipice

The Regulation of Financial Planning in Australia Angelique Nadia Sweetman McInnes, 2019-08-20 This book investigates the legitimacy of the current Australian Financial Services Licensee Authorised Representative AFSL AR licensing model as specified in the Commonwealth Corporations Act 2001 The book rectifies the deficiency in scholarly attention to this matter by developing a new conceptualised framework for the financial planning discipline It takes into account theories in agency legislation legitimacy and the independent individual regulatory regimes in other professions thereafter integrating this framework with the financial planning theory to examine the legitimacy or what was found to be the illegitimacy of licensing advisers via multiple third party conflicted commercially oriented licensees This book makes a very useful reference to understanding financial planning licencing model in Australia *California.
