Telser,2023-10-12 David Tracy is arguably the most influential Roman Catholic theologian writing in English of the past fifty years both internationally and beyond confessional borders His generous and ever expanding conversations says contributor Willemien Otten make the future of theology now Tracy himself says that they lead him like Dante to the love that moves the sun and the other stars Tracy's most famous book *The Analogical Imagination* is now over four decades old Yet in two volumes of his essays published in 2020 Tracy emphasises the ground breaking new work that he did in the 2010s His mature theological and cultural vision is in need of fresh assessment which this book provides An international cohort of experts introduces the core themes of Tracy's thought critically exploring their relevance for theology today Tracy offers a short response of his own as well as the edited text of a previously unpublished and recent lecture **Millennial Seduction** Lee Quinby,2018-09-05 Who among us still thinks the year 2000 is just an arbitrary turn of a calendar page Why does its approach bring both fear of apocalyptic destruction and the promise of millennial salvation Lee Quinby investigates how anxiety about the arrival of the new century casts everything from El Niño to sheep cloning in apocalyptic terms

simultaneously fueling panic and fostering unfounded hope for a perfect world Millennial rhetoric is both pervasive and persuasive Quinby argues because it operates with mutually reinforcing doses of fear and hope Religious and secular anxiety erupts over charged issues such as sex education the regulation of cyberspace and the Christian masculinity of the Promise Keepers Quinby exposes the dangers of millennialist solutions which link misogyny homophobia and racism with absolutist claims about truth morality sexuality and technology It is the absolutism of apocalyptic thought not an impending apocalypse that poses the more serious threat to our society Quinby maintains Millennial Seduction advocates a form of skepticism that challenges absolutism and encourages democratic participation **Love in America** Lawrence R.
