and is the first book of its kind to take on the topic of adultery in relation to these four actresses It ultimately argues that our understanding of the adultery narrative is tightly bound up with our understanding of the Hollywood stars that depict it

Dick, 2021-11-09 Horror films Deanna Durbin musicals Francis the talking mule Ma and Pa Kettle Ross Hunter weepies Theme parks E T 1982 Apollo 13 1995 These are only a few of the many faces of Universal Pictures In February 1906 Carl Laemmle German immigrant and former clothing store manager opened his first nickelodeon in Chicago where he quickly

moved from exhibition to distribution and then to film production A master of publicity and promotions within ten years Uncle Carl had moved his entire operation to Southern California founded a city and established Universal Pictures as one of the major Hollywood studios In City of Dreams Bernard F Dick traces the history of Universal Pictures from its humble early origins to the modern day and analyzes the studio's films from horror flicks featuring Karloff and Lugosi to comedies starring Abbott and Costello and W C Fields Dick details how the Laemmle family was eventually forced out of the Universal empire replaced by a string of studio heads who entered and exited one after another the beginning of the age of corporate Hollywood which transformed Universal Pictures into NBCUniversal a subsidiary of Comcast Dick explains how the Universal International merger in 1946 Decca's stock takeover in the early 1950s and MCA's buyout in 1962 all presaged today's Hollywood where the art of the deal often eclipses the art of making movies Ultimately although stars and executives have come and gone shaping and reshaping the studio s image Universal s revolving globe logo has lit up screens around the world through it all Never Have Your Dog Stuffed Alan Alda, 2005-09-13 He s one of America's most recognizable and acclaimed actors a star on Broadway an Oscar nominee for The Aviator and the only person to ever win Emmys for acting writing and directing during his eleven years on M A S H Now Alan Alda has written a memoir as elegant funny and affecting as his greatest performances My mother didn t try to stab my father until I was six begins Alda s irresistible story The son of a popular actor and a loving but mentally ill mother he spent his early childhood backstage in the erotic and comic world of burlesque and went on after early struggles to achieve extraordinary success in his profession Yet Never Have Your Dog Stuffed is not a memoir of show business ups and downs It is a moving and funny story of a boy growing into a man who then realizes he has only just begun to grow It is the story of turning points in Alda's life events that would make him what he is if only he could survive them From the moment as a boy when his dead dog is returned from the taxidermist s shop with a hideous expression on his face and he learns that death can t be undone to the decades long effort to find compassion for the mother he lived with but never knew to his acceptance of his father both personally and professionally Alda learns the hard way that change uncertainty and transformation are what life is made of and true happiness is found in embracing them Never Have Your Dog Stuffed filled with curiosity about nature good humor and honesty is the crowning achievement of an actor author and director but surprisingly it is the story of a life more filled with turbulence and laughter than any Alda has Here's Looking at You Ernest D. Giglio, 2010 Now in its third edition Here's Looking ever played on the stage or screen at You Hollywood Film and Politics examines the tangled relationship between politics and Hollywood which manifests itself in celebrity involvement in political campaigns and elections and in the overt and covert political messages conveyed by Hollywood films The book s findings contradict the film industry s assertion that it is simply in the entertainment business and examines how while the majority of Hollywood films are strictly commercial ventures hundreds of movies ranging from Birth of a Nation to Capitalism do indeed contain political messages This new edition has been updated with new photos and

cartoons and includes two new chapters one on Afghan Iraqi war films and the other on the treatment of race and gender in Hollywood films that are sure to stimulate discussion Here's Looking at You serves as a basic text for political film courses and as a supplement in American government and film studies courses and will also appeal to film buffs and people in the Projecting Politics Terry Christensen, Peter J.
