**Ranger Games** Ben Blum, 2017-09-12  
A gloriously good writer Ranger Games is both surprising and moving A memorable novelistic account Jennifer Senior New York Times Intricate heartrending and morally urgent Ranger Games is a crime story like no other Alex Blum was a good kid a popular high school hockey star from a tight knit Colorado family He had one goal in life endure a brutally difficult selection program become a U S Army Ranger and fight terrorists for his country He poured everything into achieving his dream In the first hours of his final leave before deployment to Iraq Alex was supposed to fly home to see his family and beloved girlfriend Instead he got into his car with two fellow soldiers and two strangers drove to a local bank in

Tacoma and committed armed robbery The question that haunted the entire Blum family was Why Why would he ruin his life in such a spectacularly foolish way At first Alex insisted he thought the robbery was just another exercise in the famously daunting Ranger program His attorney presented a case based on the theory that the Ranger indoctrination mirrored that of a cult In the midst of his own personal crisis and in the hopes of helping both Alex and his splintering family cope Ben Blum Alex s first cousin delved into these mysteries growing closer to Alex in the process As he probed further Ben began to question not only Alex but the influence of his superior Luke Elliot Sommer the man who planned the robbery A charismatic combat veteran Sommer s manipulative tendencies combined with a magnetic personality pulled Ben into a relationship that put his loyalties to the test
