**The Complete Works of Charles Spurgeon, Volume 55** Spurgeon, Charles H., Volume 55 Sermons 3125-3177 Charles Spurgeon 19 June 1834-31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books

on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon *The Lost Years* Sonja B Field,2011-10 This is a true story inspired by my Lord and Savior Jesus Christ It will touch you deep inside your heart and soul Sonja B Field had a tough childhood with a child molesting and abusive step father and a mother who struggled to raise her seven children From age seven she remained devoted to her mother and her siblings Yet as she grew up she wanted nothing more than to escape her abusive childhood She dreamed of the day when she would have her own life with some tall and handsome man who would love her unconditionally When she finally meets Jansen she falls madly in love with him and he sweeps her off her feet and away from her hometown to an unfamiliar country where she would soon find nothing but torment and abuse at the hand of the man she trusted It was like living her childhood all over again **The Crippled God** Steven Erikson,2011-03 Savaged by the K *Sermons* Charles Haddon Spurgeon,1858 "The Modern Whitfield." **Proceedings: Seventeenth Annual Convention of Rotary International , The "Zhenzheng lun" by Xuanyi** Thomas Jülch, 2018-12-07 *The Zhenzheng lun* T 2112 Treatise of Revealing the Correct is a Chinese Buddhist apologetic treatise with a distinct anti-Daoist stance in three juan. It is organized as a dialogue between a Daoist, the Venerable Obstructed by Customs zhisu gongzi, and the Buddhist Master Revealing the Correct zhenzheng xiansheng, in which the former is gradually led towards an orthodox Buddhist understanding by the latter through the refutation of his various arguments against Buddhism. Composed in the late 7th century, the text was authored depending on the political interests and strategies of Wu Zhao (624-705), who in 690 was enthroned as Empress Wu Zetian. This study of Thomas Jülch offers a richly annotated and complete translation of the *Zhenzheng lun* along with an introductory part that focuses on reconstructing the political and propagandistic circumstances relevant to the understanding of the *Zhenzheng lun*.
