## Seeing Eye Willie:

*Seeing-Eye Willie* 94/11 Dale Gottlieb, 1994-11-01      Seeing Eye Willie Dale Gottlieb, 1992 A young child gives her own imaginary explanation of how Willie a homeless man came to be the way he is      **Willie'S World** Tom Smith, 2015-11-25

Willie's World is a collection of Christian puppet skits written to encourage young boys and girls to carry God's Word in their hearts. By doing so they will be better equipped to face those trials and temptations that will surely come their way. Each week Willie manages to find himself in one sort of dilemma or another. And also each week God's Word comes to the rescue. Whether it be through Willie's Grandpa who shares with Willie the true meaning of helping others or through the delightful Miss Pickles who teaches her class the importance of always telling the truth. Week after week Willie learns usually the hard way that by applying the principles found in the Bible a fella can spare himself a whole lot of trouble. Throughout these skits children will be taught valuable lessons to help strengthen their faith and better prepare them for life's long and often difficult journey. Lessons about trust, obedience, responsibility, forgiveness, and honoring their mothers and fathers. Lessons about God's love for them and lessons about how they can live lives that will be pleasing to Him. This can best be accomplished when making those life decisions in the light of His Word.

Where's Merrill? Gearoid O'Neary, 2013-02-28

Where's Merrill is a uniquely crafted mystery thriller based upon real life historical events. In fact it is two inter-related stories in one novel set in different time frames, namely the past and the present. An Irish genealogist called Jed is commissioned by Tim, an American client who needs to understand more about his mysterious maternal ancestry. Fate had dictated that Tim never got the chance to meet his grandparents and he didn't even know the name of his mother's father. She refused to tell Tim even on her deathbed. Why? That was a question which troubled Tim as he witnessed his mother's melancholy throughout his adult life and after her death he resolved to find some answers and peace of mind. It was also a question which intrigued Jed after he learned that Tim's grandfather simply disappeared. No death record, no burial, nothing. Jed identifies the missing grandfather to be Merrill Harrison. Within weeks Jed becomes obsessed with Merrill's life as he embarks on a personal crusade to find Merrill's resting place. If he is to ever achieve his goal, Jed needs to fully understand the complex twists and turns linked to Merrill's existence and apparent disappearance. As a result of his findings the Irish researcher is led along a fascinating historical trail stretching back to the pioneering immigrants of Midwest US through the following decades of social change in America and eventually all the way to the White House during WWII. A web of worrying deceit woven by Tim's ancestors is gradually unraveled. Once hidden family secrets are exposed, Jed turns from genealogist into cold case detective as he comes to the conclusion that multiple criminal misdeeds have been covered up, but where is Merrill?

**Willie's Bar and Grill** Rob Hirst, 2012-07-01 a terrific read. Hirst writes with some genuine flair and tempers his sharp eye for detail with a seen-it-all-before rock veteran cool. He is also insightful enough to recognise the not-yet-spoiled delights that lurk just off the USA's smog-choked SUV-clogged interstates. Think Bill Bryson rewriting *Almost Famous*. Rolling

Stone Part tour diary part war commentary part history brush up and cultural junket Willie's Bar and Grill charts legendary Australian band Midnight Oil's progress through North America shortly after the 11 September 2001 terrorist attack on the US Rob Hirst the band's drummer songwriter relates his version of life on the road in an alternately serious light hearted but always entertaining fashion introducing the group's American tour manager Willie as well as the band members and the often bizarre characters they meet Get on the bus and take the trip Hirst's strengths are his satirical tone critical eye and marvellous sense of humour this marvellous book is a view of rock music as corporatised and the music of the almost old But it is also a work that gives a clear eyed view of America on the road The Age A true rock n roll odyssey NW Required reading for Oils fans and anyone interested in what's involved in taking a rock show on the road Voyeur Henry F.
