riveting first person account of a family's battle against demons of God's miraculous intervention and of their introduction to a Holy Spirit they never knew before      **Satan Roars!** Sandra Mackey, 2020-10-21 Satan Roars Whispering His Lies By Sandra Mackey The Bible is not about Satan The Bible is God's message to his earthly family about his Son Jesus Christ However since humanity's fall in the Garden of Eden Satan has been trying to steal God's precious human creatures for his own evil purposes precious human creatures that God's own son died to save Among other reasons he does this to keep us from glorifying God and spreading the good news of the gospel This book is a mystery of opposites and contradictions as we recognize the spiritual war taking place in our individual lives and in our world at large Spiritual realities include God the Father God the Son and God the Holy Spirit as well as God's messengers and agents whoever or whatever they may be Yet they also include Satan as he prowls around seeking to destroy those who believe and obey God He also has his messengers and agents and if we believe that in this age there continues to be active participation in our lives by angels or other spirit beings we can't take the good and reject the evil Nor should we accept the evil and resist the good There is ample evidence of both forces at work among us However none of this will be frightening for children of God Believers understand that this earth is not our home We were created for the new heaven and new earth that Jesus Christ has prepared for us I believe that heaven will be a home of endless joy and love and that once again we will have access to the Tree of Life without any interference from Satan Believers must know that this is our great hope to live righteously here on earth In fact because of our complete faith and hope in what is to come we live with anticipation as if we were already there Dear children do not let anyone lead you astray He who does what is right is righteous just as he is righteous He who does what is sinful is of the devil because the devil has been sinning from the beginning The reason the Son of God appeared was to destroy the devil's work 1 John 3:7-8      **Becoming One Workbook** Joe Beam, 1999 Open the pages of this book and learn how to experience exciting intensity in your sexual relationship deeper levels of closeness on an emotional level and the most fulfilling intimacy of all spiritual ONEness With God's help you can make your marriage all it should be and all you crave it to be no matter what it's like now page 24 Men want action Women want feeling From day one they're set up to misunderstand each other page 12 Sometimes you must tell your mate the things you've done wrong and sometimes you are much better off not to tell The secret of a strong and intimate marriage is knowing what to share and what to leave buried page 108 If you're in conflict over sexual desires one wants to do something other doesn't there is a logical and spiritual way to satisfy you both page 168 As you grow closer to God you will grow closer to each other page 225      **RELIGIOUS SYNCRETISM IN AFRICAN CHRISTIANITY** ISAIAH OLUWAJEMIRIYE OLATOYAN, 2024-04-18 Christianity among the African people whether on the soil of Africa or in diaspora is perceived and defined differently by different people For instance among African traditional religious people and Muslims Christianity is a foreign religion that must not be allowed to thrive in Africa To several Africans who profess Jesus Christianity is good but it is not adequate and effective enough to handle all human needs Still among

some Western Christians and missionaries African Christianity is superficial and lacks total commitment to Christ Of course the Africans are a cultural people with profound religious inclinations Their traditional religion ATR has tremendously shaped their worldviews and socioeconomic and political activities Consequently when traditional Africans are converted to Christianity they do not break ties with their traditional religions completely The examination of relevant biblical texts on syncretism however reveals that God condemns the worship of many gods and places a curse on anyone who offers sacrifices to carved images and bows to them in worship Therefore this work investigates the root cause of religious syncretism among African people In the attempt to find answers to why the average African Christian finds it difficult if not impossible to abandon his her traditional religious belief systems completely to embrace Christianity the author concludes that unless the issues surrounding the African forgotten and secret covenants are exposed and decisively addressed in the light of biblical teaching syncretism will continue to be a stigma on the fabric of African Christianity Therefore to overcome the threats of syncretism in African Christianity there is a need to establish a sound theological and missiological framework that can address the problems associated with the African worldviews and belief systems This task must be carried out under the searchlight of Scriptures
