Seeing Through Everything English Writers 1918 1940:

The Oxford English Literary History: Volume 10: 1910-1940: The Modern Movement Chris Baldick, 2005-11-10 This exciting new volume provides a freshly inclusive account of literature in England in the period before during and after the First World War Chris Baldick places the modernist achievements of Virginia Woolf T S Eliot and James Joyce within the rich context of non modernist writings across all major genres allowing high literary art to be read against the background of low entertainment Looking well beyond the modernist vanguard Baldick highlights the survival and renewal of realist traditions in these decades of post Victorian disillusionment Ranging widely across psychological novels war poems detective stories satires and children s books The Modern Movement provides a unique survey of the literature of this turbulent time

Seeing through everything William H. Pritchard (Literaturprofessor, USA), 1977 The Modernity of English Art, 1914-30 David Peters Corbett, 1997 The modernity of English art reconceptualises the history of English painting from 1914 to the end of the 1920s Whereas most accounts have tended to see the period as marked by a tension between the native tradition and Modernism this ground breaking book rethinks the 1920s by situating both Modernist and non Modernist painters within a wider cultural history Established figures such as Paul Nash Edward Wadsworth and Wyndham Lewis as well as lesser known artists like Charles Sims John Armstrong and Ethelbert White are discussed and illustrated in a series of innovative readings within this context The modernity of English art offers a new account of painting in England after 1914 and argues for a strongly revisionist view of the significance of the modern during this important but neglected period in English art Catalog of Copyright Entries. S. Eliot and the Ideology of Four Quartets** John Xiros Cooper,1995-12-14 Criticism of Eliot has ignored the public dimension of his life and work His poetry is often seen as the private record of an internal spiritual struggle Professor Cooper shows how Eliot deliberately addressed a North Atlantic mandarin fearful of social disintegration during the politically turbulent 1930s Almost immediately following publication *Four Quartets* was accorded canonical status as a work that promised a personal harmony divorced from the painful disharmonies of the emerging postwar world Cooper connects

Eliot's careers as banker, director and editor to a much wider cultural agenda. He aimed to reinforce established social structures during a period of painful political transition. This powerful and original study re-establishes the public context in which Eliot's work was received and understood. It will become an essential reference work for all interested in a wider understanding of Eliot and of Anglo-American cultural relations. Anarchist Seeds beneath the Snow David Goodway, 2011-12-12 From William Morris to Oscar Wilde to George Orwell, left libertarian thought has long been an important but neglected part of British cultural and political history. In *Anarchist Seeds beneath the Snow* David Goodway seeks to recover and revitalize that indigenous anarchist tradition. This book succeeds as simultaneously a cultural history of left libertarian thought in Britain and a demonstration of the applicability of that history to current politics. Goodway argues that a recovered anarchist tradition could and should be a touchstone for contemporary political radicals. Moving seamlessly from Aldous Huxley and Colin Ward to the war in Iraq, this challenging volume will energize leftist movements throughout the world. **A.D.H. Lawrence Handbook** Keith Sagar, 1982 Includes information on author and playwright D.H. Lawrence such as a chronology of his life, a chronology of his writings, a checklist of his reading calendar and maps of his travel, bibliography, filmography and discography. **Dandy and the Herald** Richard Pine, 1988-06-18 **Routledge Library Editions: Virginia Woolf** Various Authors, 2021-03-01 The volumes in this set, originally published between 1963 and 1990, draw together research by leading academics on Virginia Woolf and provide a rigorous examination of related key issues. The volumes include literary criticism on Virginia Woolf's novels, poetry, plays and essays through the lens of linguistics, narrative theory, psychoanalysis and textual analysis, whilst also exploring the literary modernist movement. This set will be of particular interest to students of literature history and linguistics respectively. **Conrad Aiken** Edward Butscher, 2010-06-01 The first of a planned two-volume biography, *Conrad Aiken: Poet of White Horse Vale* follows Aiken's early life from his birth in 1889 to 1925, when he stood on the threshold of both nervous breakdown and poetic success. It was then that Aiken began to face his paradoxically idyllic and tragic Savannah childhood and to confront the events of February 27, 1901. On that day the eleven-year-old Aiken heard gunshots punctuate a nightlong argument between his mother and father. Running into the next room, he discovered his mother murdered and his father dead by suicide. Sounding the deep reverberations of those events in Aiken's mind, Edward Butscher follows the poet's life and work as he sought to regain in some permanent form the idyll he had lost as a child. Butscher tells of Aiken's determined efforts to gain recognition for his verse in the fevered cultural circuits of the early twentieth century, from his friendship begun at Harvard with T.S. Eliot through frustrating excursions into the literary society of England and repeated trips on the poetic trade route from his home in Boston to Chicago and New York, to often sharp encounters with such powerful cultural barons as Ezra Pound, Amy Lowell and Harriet Monroe. Hoping to build his reputation on a series of detached poetic symphonies to keep depression from boiling over into madness and suicide, Aiken skirted the border of his deepest memories and fears, a border he would cross in the works that lay ahead.
