**Pearl: An Australian Story** Judith Dring, 2014-11-17 Dripping in detail Judith Dring's Pearl An Australian Story brings to life the complex nature of a small Australian town The realness of the world Judith Dring creates is truly remarkable and should not be missed Set during wartime in the 1940s the country and small towns of Australia still reel with the social issues of sex and race Sally innocent but with keen eyes and a sharp mind is slowly exposed to these ever present facts of small town life In a world speckled with abusive husbands and wealthy classmates Sally must work through the inequity of being a poor female to find a better life Through much of her youth her best friend Pearl opens her eyes to the world around her However as Sally will learn later Pearl is an outcast herself When Pearl must leave her will Sally be able to navigate the path to adulthood and success on her own

**An Immigrant Nation Seeks Cohesion** James Jupp, 2018-04-10 An Immigrant Nation Seeks Cohesion presents Australian traditions myths and legends in an understanding but often critical light in the belief that such devices have often been used by interested parties and even governments to maintain social solidarity and to mould a very complex people into a coherent and obedient whole Australia is not and never has been an equal society It has not always been a peaceful and tolerant society but it is more so than most other states and especially many of those sending immigrants It is not a perfect democracy Many have been mistreated and even persecuted but that most of those suffering at present are either indigenous or refugees should not be a cause of indifference Australians may be suspicious of foreigners and social and political deviants But they have passed a whole series of reforming laws since the Federation in 1901 not all of which have been as racist as the White Australia policy An Immigrant Nation Seeks Cohesion attempts to get a little bit closer to the truth of two hundred years of creating a liveable society in what was a remote and unknown part of the world

**Vulnerability and Resilience** Jione Havea, 2020-01-28 In Vulnerability and Resilience vulnerability is not the final word Rather resilience provides the cutting edge and living breath in the stories of subjects who are vulnerable And they have many stories stories of being trapped in bodies teachings and or situations that make them and others like them vulnerable to discrimination hatred and rejection stories of being trapped because of their bodies theologies and or cultures and stories of being trapped for no good reason For subjects who are vulnerable life is like a maze of traps and stories of resilience keep them going The contributors to Vulnerability and Resilience refuse to be trapped At the intersection of body and liberation theologies they tell their stories in the hope that they will expose cultures that make individuals and communities vulnerable and that those stories will encourage vulnerable subjects to be resilient and bring change to theological institutions that conserve vulnerability Because of the location of the contributors the Americas Africa Asia Europe Caribbean and Oceania this book is a testimony that vulnerability is present all over the world and that resilience is a liberating alternative

**Looking for Elizabeth** Helen Trinca, 2025-07-15 The full story of an

Australian literary enigma Why did Elizabeth Harrower one of Australia's most important postwar authors stop writing at the height of her powers After publishing four books that earned the admiration of Patrick White Shirley Hazzard and Christina Stead Harrower published no more novels She faded from the literary landscape until being rediscovered decades later to international acclaim In *Looking for Elizabeth* Helen Trinca unravels this mystery Exploring the personal and artistic forces that shaped Harrower's writing she draws a sensitive portrait of a wounded divorced child and the legacy of abandonment she carried throughout her life She probes the contradictions of a woman who wielded extraordinary insight into others' lives but guarded her own fiercely And she vividly brings to life the literary circles of this fascinating era in Australian culture Based on interviews with Harrower and full access to her archive *Looking for Elizabeth* is the first full biography of this significant figure in Australian letters A masterful deep dive into the enigmatic life of a writer who stunned and then stopped This is a monumental addition to Australian literary biography that's destined to become a classic Nikki Gemmell A biography that is every bit as beguiling and complex as its towering subject Exacting exhaustive and utterly essential The more I read the more compelled I felt to cut out a picture of Elizabeth Harrower and stick it above my writing desk Trent Dalton

**Plants as Persons** Matthew Hall, 2011-05-06 Plants are people too No but in this work of philosophical botany Matthew Hall challenges readers to reconsider the moral standing of plants arguing that they are other than human persons Plants constitute the bulk of our visible biomass underpin all natural ecosystems and make life on Earth possible Yet plants are considered passive and insensitive beings rightly placed outside moral consideration As the human assault on nature continues more ethical behavior toward plants is needed Hall surveys Western Eastern Pagan and Indigenous thought as well as modern science for attitudes toward plants noting the particular resources for plant personhood and those modes of thought which most exclude plants The most hierarchical systems typically put plants at the bottom but Hall finds much to support a more positive view of plants Indeed some indigenous animisms actually recognize plants as relational intelligent beings who are the appropriate recipients of care and respect New scientific findings encourage this perspective revealing that plants possess many of the capacities of sentience and mentality traditionally denied them
