Murphy, 2003-01-14 In 1930 a group of southern intellectuals led by John Crowe Ransom Allen Tate Donald Davidson and Robert Penn Warren published *I'll Take My Stand* The South and the Agrarian Tradition A stark attack on industrial capitalism and a defiant celebration of southern culture the book has raised the hackles of critics and provoked passionate defenses from southern loyalists ever since As Paul Murphy shows its effects on the evolution of American conservatism have been enduring as well Tracing the Agrarian tradition from its origins in the 1920s through the present day Murphy shows how what began as a radical conservative movement eventually became alternately a critique of twentieth century American liberalism a defense of the Western tradition and Christian humanism and a form of southern traditionalism which could include a defense of racial segregation Although Agrarianism failed as a practical reform movement its intellectual influence was wide ranging Murphy says This influence expanded as Ransom Tate and Warren gained reputations as leaders of the New Criticism More notably such neo Agrarians as Richard M Weaver and M E Bradford transformed Agrarianism into a form of social and moral traditionalism that has had a significant impact on the

Blessed Are the Peacemakers S. Jonathan Bass, 2021-03-03 Martin Luther King Jr's Letter from Birmingham Jail is arguably the most important written document of the civil rights protest era and a widely read modern literary classic Personally addressed to eight white Birmingham clergy who sought to avoid violence by publicly discouraging King's civil rights demonstrations in Birmingham the nationally published Letter captured the essence of the struggle for racial equality and provided a blistering critique of the gradualist approach to racial justice It soon became part of American folklore and the image of King penning his epistle from a prison cell remains among the most moving of the era Yet as S. Jonathan Bass explains in the first comprehensive history of King's Letter this image and the piece's literary appeal conceal a much more complex tale This updated edition of *Blessed Are the Peacemakers* includes a new foreword by Paul Harvey a new afterword by James C. Cobb and a new epilogue by the author

Desegregating Texas Schools Robyn Duff Ladino, 2010-01-01 This study of school integration struggles in 1950s Texas demonstrates how power politics denied black students their constitutional rights In the famous *Brown v. the Board of Education* decisions of 1954 and 1955 the United States Supreme Court ruled that separate but equal schools for black and white students were unconstitutional Yet it took more than a decade of struggle before black students gained full access to previously white schools Mansfield Texas a small community southeast of Fort Worth was the scene of an early school integration attempt In this book Robyn Duff Ladino draws on interviews with surviving participants media reports and archival research to provide the first full account of the Mansfield school integration crisis of 1956 Ladino explores how politics at the local state and federal levels ultimately prevented the integration of Mansfield High School in 1956 Her research sheds new light on the actions of Governor Allan Shivers who in the eyes of the segregationists validated their cause through his actions and it underscores President Eisenhower's public passivity toward civil rights during his first term of office Despite the short term failure however the Mansfield school

integration crisis helped pave the way for the successful integration of Central High School in Little Rock Arkansas in 1957 Thus it deserves a permanent place in the history of the civil rights movement **Restructured Resistance** Jeff

Roche,2010-09-01 In the spring of 1960 unprecedented public hearings were held on segregation and the future of public education These hearings held by John Sibley and the Georgia General Assembly Committee on Schools offered a rare glimpse into the reactions of southerners black and white to the changes wrought by the civil rights movement Restructured Resistance uses newly opened private papers public records newspaper reports and oral history interviews to examine how the desegregation of public schools in Georgia reflected the evolution of southern society economics and politics In the midst of crisis over segregation as a symbol of southern distinctiveness the state legislature accepted the inevitable adopted the Sibley Commission s proposals and created a deliberate and more utilitarian form of defiance a restructured resistance rooted in contemporary practicality and corporate pragmatism **Voices in Our Blood** Jon Meacham,2001-02-15 An

unprecedented portrait of the civil rights movement and the fight against white supremacy told through voices that resonate with passion and strength including Maya Angelou James Baldwin Ralph Ellison Alice Walker Richard Wright and John Lewis Jon Meacham has done about the best job of anthologizing the movement that I ve ever seen Tom Wicker Mother Jones Editor and Pulitzer Prize winning author Jon Meacham has chosen pieces by journalists novelists historians and artists bringing together a wide range of perspectives and experiences The result is a literary anthology of important and artful interpretations of the movement s spirit and struggle Maya Angelou takes us on a poignant journey back to her childhood in the Arkansas of the 1930s On the front page of The New York Times James Reston marks the movement s apex as he describes what it was like to watch Martin Luther King Jr deliver his heralded I Have a Dream speech in real time Alice Walker takes up the movement s progress a decade later in her article Choosing to Stay at Home Ten Years After the March on Washington And John Lewis chronicles the unimaginable courage of the ordinary African Americans who challenged the prevailing order paid for it in blood and tears and justly triumphed Voices in Our Blood is a compelling look at the movement as it actually happened from the days leading up to World War II to the anxieties and ambiguities of this new century The story of race in America is a never ending one and Voices in Our Blood tells us how we got this far and how far we still have to go to reach the Promised Land This powerful anthology contains works from Maya Angelou Russell Baker James Baldwin Taylor Branch Hodding Carter Ellis Cose Stanley Crouch Ralph Ellison William Faulkner Marshall Frady Henry Louis Gates Jr Peter Goldman David Halberstam Alex Haley Elizabeth Hardwick Charlayne Hunter Gault Murray Kempton John Lewis Louis E Lomax Benjamin E Mays Willie Morris Flannery O Connor Walker Percy Howell Raines James Reston Carl T Rowan John Steinbeck William Styron Calvin Trillin Alice Walker Robert Penn Warren Pat Watters Bernard Weinraub Eudora Welty Rebecca West E B White Gary Wills Tom Wolfe Richard Wright *A Bibliography on the Black American* United States. Air Force. Air Forces in Europe. Libraries,1972 *Impermanent Blackness* Korey Garibaldi,2025-02-04 Revisiting an almost

forgotten American interracial literary culture that advanced racial pluralism in the decades before the 1960s In *Impermanent Blackness* Korey Garibaldi explores interracial collaborations in American commercial publishing authors agents and publishers who forged partnerships across racial lines from the 1910s to the 1960s Garibaldi shows how aspiring and established Black authors and editors worked closely with white interlocutors to achieve publishing success often challenging stereotypes and advancing racial pluralism in the process *Impermanent Blackness* explores the complex nature of this almost forgotten period of interracial publishing by examining key developments including the mainstream success of African American authors in the 1930s and 1940s the emergence of multiracial children s literature postwar tensions between supporters of racial cosmopolitanism and of Negro literature and the impact of the Civil Rights and Black Power movements on the legacy of interracial literary culture By the end of the 1960s some literary figures once celebrated for pushing the boundaries of what Black writing could be including the anthologist W S Braithwaite the bestselling novelist Frank Yerby the memoirist Juanita Harrison and others were forgotten or criticized as too white And yet Garibaldi argues these figures at once dreamers and pragmatists have much to teach us about building an inclusive society Revisiting their work from a contemporary perspective Garibaldi breaks new ground in the cultural history of race in the United States

Civil Rights in the White Literary Imagination Jonathan W. Gray, 2013-02 The statement The Civil Rights Movement changed America though true has become something of a clich *Civil rights in the White Literary Imagination* seeks to determine how exactly the Civil Rights Movement changed the literary possibilities of four iconic American writers Robert Penn Warren Norman Mailer Eudora Welty and William Styron Each of these writers published significant works prior to the Brown v Board of Education case in 1954 and the Montgomery Bus Boycott that began in December of the following year making it possible to trace their evolution in reaction to these events The work these writers

crafted in response to the upheaval of the day from Warren's *Who Speaks for the Negro* to Mailer's *The White Negro* to Welty's *Where Is the Voice Coming From* to Styron's *Confessions of Nat Turner* reveal much about their own feeling in the moment even as they contribute to the national conversation that centered on race and democracy. By examining these works closely, Gray posits the argument that these writers significantly shaped discourse on civil rights as the movement was occurring but did so in ways that intentionally or not often relied upon a notion of the relative innocence of the South with regard to racial affairs and on a construct of African Americans as politically and/or culturally naïve. As these writers grappled with race and the myth of southern nobility, their work developed in ways that were simultaneously sympathetic of and condescending to black intellectual thought occurring at the same time.

The Race Beat Gene Roberts, Hank Klibanoff, 2007-09-04 An unprecedented examination of how news stories, editorials, and photographs in the American press and the journalists responsible for them profoundly changed the nation's thinking about civil rights in the South during the 1950s and 60s. Roberts and Klibanoff draw on private correspondence, notes from secret meetings, unpublished articles, and interviews to show how a dedicated cadre of newsmen, black and white, revealed to a nation its most shameful shortcomings that compelled its citizens to act. Meticulously researched and vividly rendered, *The Race Beat* is an extraordinary account of one of the most calamitous periods in our nation's history as told by those who covered it.

Making History Jonathon S. Cullick, 2000-04-01 From his first published book to his last works, Robert Penn Warren wrote novels, poetry, biographies, and essays based on the lives of American historical figures. Even some of his critical texts take a biographical approach to their subjects. In *Making History*, the first comprehensive survey of Warren's biographical narratives, Jonathan S. Cullick tracks a clear development toward autobiography in Warren's career. By applying narrative theory to that provocative trend, he then makes an intriguing discovery: Warren's discourse techniques dramatize his philosophy of history and ethics. Cullick unearths what might be called the narrative syntax of Warren's historical vision in which genre becomes vital in the attempt to reconcile American past and present. *Making History* considers all of Warren's major biographical narratives and their evolution from detached reporting to doubtful self-examination. It offers a new reading of Warren's famed novel *All the King's Men* and close examination of several neglected texts, including Warren's first book *John Brown: The Making of a Martyr*, his essay *The World of Daniel Boone*, and two of his final works, *Jefferson Davis Gets His Citizenship Back* and *Portrait of a Father*.
