Ben P Robertson

Selected Comedies Elizabeth Inchbald:

The Diaries of Elizabeth Inchbald Ben P Robertson, 2022-07-30 An energetic woman Inchbald achieved fame as an actress novelist playwright and critic This work includes her eleven surviving diaries which record Inchbald's social contacts and professional activities itemize her day to day expenditure and chart the development of affairs such as the Napoleonic Wars and the trial of Queen Caroline

Elizabeth Inchbald's Reputation Ben P Robertson, 2015-10-06 Through an examination of her complete works and public response to them Robertson gauges the extent of Inchbald's reputation as the dignified Mrs Inchbald as well as providing a clear sense of what it meant to be a female Romantic writer

The Diaries of Elizabeth Inchbald Vol 3 Ben P Robertson, 2020-05-04 An energetic woman Inchbald achieved fame as an actress novelist playwright and critic This work includes her eleven surviving diaries which record Inchbald's social contacts and professional activities itemize her day to day expenditure and chart the development of affairs such as the Napoleonic Wars and the trial of Queen Caroline

Eighteenth-Century Women Playwrights, vol 6 Derek Hughes, 2024-11-01 This six volume anthology documents the history of women's drama throughout the 18th century starting with the emergence in 1695 of the second generation of women dramatists to Aphra Benn It includes the work of Catherine Trotter Mary Pix Eliza Haywood and Elizabeth Griffith

Eighteenth-Century Authorship and the Play of Fiction Emily Hodgson Anderson, 2009-05-15 This study looks at developments in eighteenth century drama that influenced the rise of the novel it begins by asking why women writers of this period experimented so frequently with both novels and plays Here Eliza Haywood Frances Burney Elizabeth Inchbald Maria Edgeworth and Jane Austen explore theatrical frames from the playhouse to the social conventions of masquerade to the fictional frame of the novel itself that encourage audiences to dismiss what they contain as feigned Yet such frames also as a result create a safe space for self expression These authors explore such payoffs both within their work through descriptions of heroines who disguise themselves to express themselves and through it Reading the act of authorship as itself a form of performance Anderson contextualizes the convention of fictionality that accompanied the development of the novel she notes that as the novel like the theater of the earlier eighteenth century came to highlight its fabricated nature authors could use it as a covert yet cathartic space Fiction for these authors like theatrical performance for the actor thus functions as an act of both disclosure and disguise or finally presents self expression as the ability to oscillate between the two in the play of fiction

The Routledge Anthology of British Women Playwrights, 1777-1843 Thomas C. Crochunis, Michael E. Sinatra, 2019-06-10 The Routledge Anthology of British Women Playwrights 1777 1843 brings together ten eclectic plays by female dramatists and writers to stimulate a rich discussion of women writing and theatre history Ranging through tragedy comedy musical theatre and mixed genre texts this volume celebrates the breadth and experimental spirit of women's eighteenth and nineteenth century dramatic writing Each play is accompanied by an introductory essay that addresses its sociopolitical and theatrical contexts and outlines its performance and reception history

The selections included here invite teachers and their students to study particular works by authors of note but also to consider the differences between works written for page and stage. While many of the plays are recognizable as published dramas, they have been placed alongside textual artifacts that suggest plays or theatrical events of which no definitive record exists, as well as supplementary materials that invite teachers to engage their students in exploring women's dramatic writing in this era. Organized in chronological order, *The Routledge Anthology of British Women Playwrights 1777-1843* traces a history of women's writing across genres and styles, offering an invaluable resource to students and teachers alike. **The Broadview Anthology of Literature of the Revolutionary Period 1770-1832**, 2010. [The Oxford Handbook of the Georgian Theatre 1737-1832](#), Julia Swindells, David Francis Taylor, 2014-01-16. *The Oxford Handbook of the Georgian Theatre 1737-1832* provides an essential guide to theatre in Britain between the passing of the Stage Licensing Act in 1737 and the Reform Act of 1832, a period of drama long neglected but now receiving significant scholarly attention. Written by specialists from a range of disciplines, its forty essays both introduce students and scholars to the key texts and contexts of the Georgian theatre and also push the boundaries of the field, asking questions that will animate the study of drama in the eighteenth and early nineteenth centuries for years to come. The Handbook gives equal attention to the range of dramatic forms, not just tragedy and comedy but the likes of melodrama and pantomime as they developed and overlapped across the period, and to the occasions, communities, and materialities of theatre production. It includes sections on historiography, the censorship and regulation of drama, theatre and the Romantic canon, women and the stage, and the performance of race and empire. In doing so, the Handbook shows the centrality of theatre to Georgian culture and politics and paints a picture of a stage defined by generic fluidity and experimentation, by networks of performance that spread far beyond London, by professional women who played pivotal roles in every aspect of production, and by its complex mediation of contemporary attitudes of class, race, and gender. **Adaptations of Laurence Sterne's Fiction**, Mary-Celine Newbould, 2016-03-23. Exploring how readers received and responded to literary works in the long eighteenth century, M. C. Newbould focuses on the role played by Laurence Sterne's fiction and its adaptations. Literary adaptation flourished throughout the eighteenth century, encouraging an interactive relationship between writers, readers, and artists when well-known works were transformed into new forms across a variety of media. Laurence Sterne offers a particularly dynamic subject: the immense interest provoked by *The Life and Opinions of Tristram Shandy, Gentleman* and *A Sentimental Journey through France and Italy* inspired an unrivalled number and range of adaptations from their initial publication onwards. In placing her examination of *Sterneana* within the context of its production, Newbould demonstrates how literary adaptation operates across generic and formal boundaries. She breaks new ground by bringing together several potentially disparate aspects of *Sterneana*, belonging to areas of literary studies that include drama, music, travel, writing, sentimental fiction, and the visual. Her study is a vital resource for Sterne scholars and for readers generally interested in cultural productivity in this period. [The Broadview Anthology of Literature of the](#)

Revolutionary Period 1770-1832 D.L. Macdonald, Anne McWhir, 2010-03-04 The selections from 132 authors in this anthology represent gender social class and racial and national origin as inclusively as possible providing both greater context for canonical works and a sense of the era's richness and diversity In terms of genre poetry non fiction prose philosophy educational writing and prose fiction are included Geographically America Canada Australia India and Africa are represented along with Britain emphasizing Romantic literature as a world literature Biographical headnotes explanatory footnotes and an extensive bibliography clarify and illuminate the texts for readers

The Diaries of Elizabeth Inchbald: The introspective years - drama criticism, Napoleonic wars and the Queen's trial Mrs. Inchbald, 2007 Encyclopedia of Romanticism (Routledge Revivals) Laura Dabundo, 2009-10-15 First Published in 1992 this encyclopedia is designed to survey the social cultural and intellectual climate of English Romanticism from approximately the 1780s and the French Revolution to the 1830s and the Reform Bill Focussing on the spirit of the age the book deals with the aesthetic scientific socioeconomic indeed the human environment in which the Romantics flourished The book considers poets playwrights and novelists critics editors and booksellers painters patrons and architects as well as ideas trends fads and conventions the familiar and the newly discovered The book will be of use for everyone from undergraduate English students through to thesis driven graduate students to teaching faculty and scholars

Revolutionary Imaginings in the 1790s A. Garnai, 2009-10-09 Revolutionary Imaginings in the 1790s discusses the work of three prominent women writers by focusing on the response to the French Revolution and the struggle for reform in Britain Examining previously neglected texts as well as more familiar ones the book contributes to our understanding of a period of intense political and literary engagement

The Routledge Companion to Romantic Women Writers Ann R. Hawkins, Catherine S. Blackwell, E. Leigh Bonds, 2022-12-30 The Routledge Companion to Romantic Women Writers overviews critical reception for Romantic women writers from their earliest periodical reviews through the most current scholarship and directs users to avenues of future research It is divided into two parts The first section offers topical discussions on the status of provincial poets on women's engagement in children's literature the relation of women writers to their religious backgrounds the historical backgrounds to women's orientalism and their engagement in debates on slavery and abolition The second part surveys the life and careers of individual women some 47 in all with sections for biography biographical resources works modern editions archival holdings critical reception and avenues for further research The final sections of each essay offer further guidance for researchers including Signatures under which the author published and a List of Works accompanied whenever possible with contemporary prices and publishing formats To facilitate research a robust Works Cited includes all texts mentioned or quoted in the essay

The Novels and Selected Plays of Thomas Holcroft Vol 5 Wil Verhoeven, Philip Cox, Rick Incorvati, Arnold A Markley, 2024-10-28 Thomas Holcroft 1745 1809 was a key figure in the radical movement of the 1790s This work is intended for scholars wanting to understand Britain and its literature in the 1790s *Mothers of the Nation* Anne K.

Mellor, 2000-05-22 A survey of British women's writings of the late eighteenth and early nineteenth centuries and the revolutionary New Woman they promoted British women writers were enormously influential in the creation of public opinion and political ideology during the years from 1780 to 1830 Anne Mellor demonstrates the many ways in which they attempted to shape British public policy and cultural behavior in the areas of religious and governmental reform education philanthropy and patterns of consumption She argues that the theoretical paradigm of the doctrine of the separate spheres may no longer be valid According to this view British society was divided into distinctly differentiated and gendered spheres of public versus private activities in the eighteenth and nineteenth centuries Surveying all the genres of literature drama poetry fiction non-fiction prose and literary criticism Mellor shows how women writers promoted a new concept of the ideal woman as rationally educated sexually self-disciplined and above all virtuous This New Woman these writers said was better suited to govern the nation than were its current fiscally irresponsible lecherous and corruptible male rulers Beginning with Hannah More Mellor argues that women writers too often dismissed as conservative or retrogressive instead promoted a revolution in cultural mores or manners She discusses writers as diverse as Elizabeth Inchbald Hannah Cowley and Joanna Baillie as Charlotte Smith Anna Barbauld and Lucy Aikin as Mary Wollstonecraft Charlotte Reeve and Anna Seward and concludes with extended analyses of Charlotte Smith's *Desmond* and Jane Austen's *Persuasion* She thus documents women writers' full participation in that very discursive public sphere which Habermas so famously restricted to men of property Moreover the new career of philanthropy defined by Hannah More provided a practical means by which women of all classes could actively construct a new British civil society and thus become the mothers not only of individual households but of the nation as a whole Intellectual and social historians and not just feminists have long believed that the late 18th and early 19th centuries in Britain saw an increasing separation of the male public and female domestic realms with the result that the public sphere theorized by Jurgen Habermas and others to have emerged in the Enlightenment almost entirely excluded women With energy wit and admirable command of her sources Mellor author of distinguished books on Romanticism demonstrates that just the opposite was true in the years around 1800 women became the primary producers and consumers of writing in Britain and vitally participated in the discursive public sphere many arguing in their different ways for what Hannah More the most popular author of the period called a moral revolution in the national manners and principles A splendid survey of women novelists poets critics playwrights and social theorists this bracing and important work of revision deserves a place in serious academic libraries serving both undergraduates and advanced scholars D L Patey Choice *Selected Comedies* Mrs. Inchbald, 1987 To find more information on Rowman Littlefield titles please visit us at www.rowmanlittlefield.com

Women, Enlightenment and Catholicism Ulrich L. Lehner, 2017-11-21 *Women Enlightenment and Catholicism* explores for the first time the uncharted territory of women's religious Enlightenment Each chapter offers a biographical insight into the social and cultural context of female Enlighteners and how Catholic women in Europe used the thought and

values of Enlightenment to articulate their beliefs about how to live their faith in the world The collection of portraits within this book offers a closer look into the new understanding of womanhood that emerged from Enlightenment culture and was conceived independently from marital relationships They also highlight the distinctive contributions that women made to political and religious philosophy spirituality and mysticism and the efforts to bring scientific knowledge to the attention of other women Guiding readers through the complex religious intellectual and global connections influenced by the Enlightenment Women Enlightenment and Catholicism brings the achievements of Enlightenment women to the foreground and restores them to their rightful place in intellectual history It is ideal reading for scholars and students of Enlightenment history early modern religion and early modern women s history **Towards a Standard English** Dieter Stein, Ingrid Tieken-Boon van Ostade, 2012-10-25 The future of English linguistics as envisaged by the editors of Topics in English Linguistics lies in empirical studies which integrate work in English linguistics into general and theoretical linguistics on the one hand and comparative linguistics on the other The TiEL series features volumes that present interesting new data and analyses and above all fresh approaches that contribute to the overall aim of the series which is to further outstanding research in English linguistics *Hazlitt: Selected Essays* George Sampson, 2015-11-19 Originally published in 1917 this book contains a selection from the works of the renowned critic and essayist William Hazlitt 1778-1830 The selection ranges through all of Hazlitt s essays from The Round Table to the posthumous pieces taking in a variety of subject matter Thirteen essays are included with the first seven being related to drama and literature the following three to art and the final three to savouring things of the world Detailed notes and a biography are also included This book will be of value to anyone with an interest in Hazlitt and his writings
