Tobias Bleicker

Sex And The Second Best City Sex And Society In The Laws Of Plato:

Sex and the Second-Best City Kenneth Royce Moore, 2005-07-19 Sex and the Second Best City deals with the topics of sex and society in the Laws of Plato with recourse to historical context and modern critical theory It examines reconstructions of ancient sexuality with a view to increased clarification The text of the Laws is considered along with many of its literary qualities its influences and the utopian plan that it proposes Performing Citizenship in Plato's Laws Lucia Prauscello, 2014-11-13 A study of the ethical underpinning of the rhetoric of citizenship in Plato's Laws and its implementation through ritualized forms of performance **Plato: Laws 1 and 2**, 2015-09-24 Susan Sauv Meyer presents a new translation of Plato's Laws 1 and 2 In these opening books of Plato's last work a Cretan a Spartan and an Athenian discuss legislative theory moral psychology and the criteria for evaluating art The interlocutors compare the relative merits of different nomoi laws practices institutions in particular the communal meals *sussitia* practiced in Sparta and Crete and the paradigmatically Athenian institution of the drinking party *sumposion* They agree that the legislator's goal is to inculcate virtue in the citizens but they disagree about what the virtues are and what institutions are required to inculcate them The Spartan and Cretan who value military strength in a city and courage in its citizens see no value in drinking parties which they take to encourage softness and susceptibility to pleasure The Athenian insists that drinking parties train citizens in moderation just as military exercises train citizens in courage He defends this paradoxical thesis by offering a moral psychology and theory of virtue rather different from that of the Republic but highly evocative of Aristotle's Ethics along with a theory of education in which choral song and dance play an important role A detailed discussion of the criteria for evaluating works of art rounds out the discussion and here too the reader will find a discussion very different from the treatment of art in the Republic Meyer's fluent and readable translation achieves a high standard of fidelity to the original Greek The commentary lays bare the structure of the argumentation illuminates the philosophical issues and explains difficult passages making this complex and intricate work accessible to students and scholars alike *Plato's Reverent City* Robert A. Ballingall, 2023-07-15 This book offers an original interpretation of Plato's Laws and a new account of its enduring importance Ballingall argues that the republican regime conceived in the Laws is built on reverence an archaic virtue governing emotions of self assessment particularly awe and shame Ballingall demonstrates how learning to feel these emotions in the right way at the right time and for the right things is the necessary basis for the rule of law conceived in the dialogue The Laws remains surprisingly neglected in the scholarly literature although this is changing The cynical populisms haunting liberal democracies are focusing new attention on the characterological basis of constitutional government and Plato's Laws remains an indispensable resource on this question especially when we attend to the theme of reverence at its core Plato Plato, 2015 Susan Sauv Meyer presents a new translation of Laws 1 and 2 the opening books of Plato's last work which discuss legislative theory moral psychology and aesthetics This fluent readable and authoritative translation is

accompanied by a critical commentary which explores the argument's structure and the philosophical issues at stake The City and the Stage Marcus Folch, 2015-12-01 The City and the Stage provides an exploration of Plato's final engagement with the poetic tradition. Special attention is given to the dialogue between philosophy and poetry, the performative properties of language, the psychology of aesthetic response, genre, gender, and the status of women in the ideal city envisaged in the Laws.

Sexuality in Greek and Roman Culture Marilyn B. Skinner, 2013-07-23 This agenda-setting text has been fully revised in its second edition with coverage extended into the Christian era. It remains the most comprehensive and engaging introduction to the sexual cultures of ancient Greece and Rome. Covers a wide range of subjects including Greek pederasty and the symposium, ancient prostitution, representations of women in Greece and Rome, and the public regulation of sexual behavior. Expanded coverage extends to the advent of Christianity, includes added illustrations, and offers student-friendly pedagogical features. Text boxes supply intriguing information about tangential topics. Gives a thorough overview of current literature while encouraging further reading and discussion. Conveys the complexity of ancient attitudes towards sexuality and gender and the modern debates they have engendered. *The Prison Before the Panopticon* Jacob Abolafia, 2024-07-09

A groundbreaking history of philosophy and punishment. The Prison before the Panopticon traces the influence of ancient political philosophy on the modern institution of the prison, showing how prevailing theories of carceral rehabilitation and common justifications for the denial of liberty developed in classical and early modern thought. **Brill's Companion to the Reception of Plato in Antiquity** Harold Tarrant, François Renaud, Dirk Baltzly, Danielle A. Layne, 2018-04-03 Brill's Companion to the Reception of Plato in Antiquity offers a comprehensive account of the ways in which ancient readers responded to Plato as philosopher, as author, and more generally as a central figure in the intellectual heritage of Classical Greece from his death in the fourth century BCE until the Platonist and Aristotelian commentators in the sixth century CE. The volume is divided into three sections: Early Developments in Reception (four chapters), Early Imperial Reception (nine chapters), and Early Christianity and Late Antique Platonism (eighteen chapters). Sectional introductions cover matters of importance that could not easily be covered in dedicated chapters. The book demonstrates the great variety of approaches to and interpretations of Plato among even his most dedicated ancient readers, offering some salutary lessons for his modern readers too. The Routledge Companion to the Reception of Ancient Greek and Roman Gender and Sexuality K.

Moore, 2022-08-22 This Companion covers a range of receptions of ancient Greek and Roman gender and sexuality. It explores ancient representations of these concepts as we define them today, as well as recent perspectives that have been projected back onto antiquity. Beginning in antiquity, the chapters examine how the ancient Greeks and Romans regarded concepts of what we would today call gender and sexuality based on the evidence available to us, and chart the varied interpretations and receptions of these concepts across time to the present day. In exploring how different cultures have received the classical past, the volume investigates these cultures' different interpretations of Greek and Roman sexualities and what these

interpretations can reveal about their own attitudes Through the contributions in this book the reader gains a deeper understanding of this essential part of human existence derived from influential sources From ancient to modern and postmodern perspectives from cinematic productions to TikTok videos receptions of ancient gender and sexuality abound This volume is of interest to students and scholars of ancient history gender and sexuality in the ancient world and ancient societies as well as those working on popular culture and gender studies more broadly Plato, Politics and a Practical Utopia, Kenneth Royce Moore, 2012-02-16 An examination of the material culture outlined in Plato's Laws including demographic economic military and political structures analysed using contemporary theories and historical contextualization *Gender* Linda L. Lindsey, 2020-12-17 A landmark publication in the social sciences Linda Lindsey's *Gender* is the most comprehensive textbook to explore gender sociologically as a critical and fundamental dimension of a person's identity interactions development and role and status in society Ranging in scope from the everyday lived experiences of individuals to the complex patterns and structures of gender that are produced by institutions in our global society the book reveals how understandings of gender vary across time and place and shift along the intersecting lines of race ethnicity culture sexuality class and religion Arriving at a time of enormous social change the new seventh edition extends its rigorous theoretical approach to reflect on recent events and issues with insights that challenge conventional thought about the gender binary and the stereotypes that result Recent and emerging topics that are investigated include the MeToo and LGBTQ rights movements political misogyny in the Trump era norms of masculinity marriage and family formation resurgent feminist activism and praxis the gendered workplace and profound consequences of neoliberal globalization Enriching its sociological approach with interdisciplinary insight from feminist biological psychological historical and anthropological perspectives the new edition of *Gender* provides a balanced and broad approach with readable dynamic content that furthers student understanding both of the importance of gender and how it shapes individual trajectories and social processes in the U S and across the globe Children in the Hellenistic World Olympia Bobou, 2015 Bobou offers a systematic analysis of ancient Greek statues of children from the sanctuaries houses and necropoleis of the Hellenistic world in order to understand their function and meaning Looking at the literary and epigraphical evidence she argues that these statues were important for transmitting civic values to future citizens **Polis, the Journal for Ancient Greek Political Thought**, 2009 Genre, Gender, and Performance in Plato's Laws Marcus Folch, 2006 **The British National Bibliography** Arthur James Wells, 2006 *Sourcebook on Feminist Jurisprudence* Hilaire Barnett, 2012-10-02 This book is a comprehensive analysis of the relationship between feminist theories and the law and the way in which developments of the former have affected and been affected by the latter The book takes as its starting point a study of women and culture on an international level which demonstrates how religious and cultural influences have been fundamental in establishing contemporary legal and social mores This provides the setting for an investigation into legal and

social discrimination and inequality and how this has been addressed by the emergence of feminism A number of critiques and developments are examined *Women in Western Political Thought* Susan Moller Okin, 2013-04-21 In this pathbreaking study of the works of Plato Aristotle Rousseau and Mill Susan Moller Okin turns to the tradition of political philosophy that pervades Western culture and its institutions to understand why the gap between formal and real gender equality persists Our philosophical heritage Okin argues largely rests on the assumption of the natural inequality of the sexes Women cannot be included as equals within political theory unless its deep rooted assumptions about the traditional family its sex roles and its relation to the wider world of political society are challenged So long as this attitude pervades our institutions and behavior the formal equality women have won has no chance of becoming substantive **The Historiography of**

Alexander the Great Krzysztof Nawotka, Robert Rollinger, Josef Wiesehöfer, Agnieszka Wojciechowska, 2018 This volume tries to tackle the most serious problem facing modern Alexander the Great studies that of inadequate sources Its principal interest is in surviving ancient continuous accounts Diodorus Curtius Rufus Plutarch Arrian and Justin which are at least three hundred years younger than Alexander and in many ways one sided in their Greek bias often promoting the view of Alexander within the narrow bounds of a Western conqueror The papers in this volume deconstruct these accounts and search for sources used by their authors principally in narrative of eye witnesses and other authors of the first generation after Alexander including his court historian Callisthenes and his companions Onesicritus Aristobulus and Ptolemy They search for fragments of ancient literary works known from papyri and for shadowy accounts created on the Persian side like the mercenaries source Some papers look into propaganda patterns of the age of Alexander and their connections with clichés of Egyptian literature Some investigate a parallel tradition on the last will of Alexander enshrined in I Maccabees and best known from the Alexander Romance Finally papers in this volume examine post classical rendition of Alexander Jewish from the Talmud to Josippon and Byzantine composed of separate textual traditions of various ancient authors with Plutarch taking pride of place Feminist Interpretations and Political Theory Carole Pateman, Mary Lyndon Shanley, 1991 This

volume brings together exciting and provocative new feminist readings of famous classic and contemporary texts from Plato to Habermas The collection also includes examinations of the writings of Mary Wollstonecraft and Simone de Beauvoir that are usually excluded from the works conventionally held to comprise Western political thought The essays raise fundamentally important questions about the significance of sexual difference in the great works of political theory and draw attention to neglected arguments and silences in the texts No single feminist view of either the texts or the theoretical way forward informs these essays A wide diversity of feminist approaches and theoretical frameworks are represented forming a rich variety of interpretations and argument about such questions as the patriarchal construction of central political categories the relation between public and private life and the problem of equality and difference including differences among women This refreshing and stimulating collection will be indispensable for students of political thought and offers all

those interested in the connection between the classic writings and current political discussions as accessible introduction to feminist argument

Sex And The Second Best City Sex And Society In The Laws Of Plato Introduction

In today's digital age, the availability of Sex And The Second Best City Sex And Society In The Laws Of Plato books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sex And The Second Best City Sex And Society In The Laws Of Plato books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sex And The Second Best City Sex And Society In The Laws Of Plato books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sex And The Second Best City Sex And Society In The Laws Of Plato versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sex And The Second Best City Sex And Society In The Laws Of Plato books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sex And The Second Best City Sex And Society In The Laws Of Plato books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sex And The Second Best City Sex And Society In The Laws Of Plato books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sex And The Second Best City Sex And Society In The Laws Of Plato books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sex And The Second Best City Sex And Society In The Laws Of Plato books and manuals for download and embark on your journey of knowledge?

FAQs About Sex And The Second Best City Sex And Society In The Laws Of Plato Books

What is a Sex And The Second Best City Sex And Society In The Laws Of Plato PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sex And The Second Best City Sex And Society In The Laws Of Plato PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sex And The Second Best City Sex And Society In The Laws Of Plato PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sex And The Second Best City Sex And Society In The Laws Of Plato PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sex And The Second Best City Sex And Society In The Laws Of Plato PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" ->

"Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
