F. G. Coates,2016-08-27 **German Diplomatic Documents 1871-1914 Volume 1** E.T.S. Dugdale,2025-03-19 Originally published in English in 1928 this volume deals mainly with Anglo German relations at the end of the 19th Century Chancellor Otto von Bismarck s voice can be heard clearly in the documents which give an extensive picture of the alternating phases of relations between Great Britain and Germany as influenced by their respective obligations and interests in the international issues which united or divided the Powers over a period of twenty years The strongest impression which these documents leave is the revelation of how greatly the mentality of the western world changed since they were drafted and especially during the decade which came after World War I The shaping of policy as exhibited in these despatches and memoranda is governed almost exclusively by the ultimate idea of war as the deciding factor The menace of war and the prospects of success or failure in aggression or defence appear to be the essential motives of policy **Canadian Ayrshire Herd Book** Canadian Ayrshire Breeders' Association,1899 **The Selected Letters of Bertrand Russell, Volume 1** Nicholas Griffin,2013-03-07 Those who knew the famous philosopher Bertrand Russell at the turn of the century referred to him as the Day of Judgement This acclaimed selection of his early letters available in paperback for the first time reveals the full scope of Russell s life and innermost thoughts up to the First World War It includes letters to his first wife Alys Pearsall Smith reveals the background to his now famous work in philosophy and the foundations of mathematics and how his mind was stirred by socialism free trade and votes for women It also contains letters on his famous affair with Ottoline Morrell providing yet another insight into one of the great intellectual figures of the twentieth century **The Law Times** ,1900

Commons in the lead up to the Munich crisis his sense of drama and his eye for the telling detail are unmatched These are diaries that bring a whole epoch vividly to life A heavily abridged and censored edition of the diaries was published in 1967 Only now sixty years after Chips s death can an extensive text be shared _____ Chips perfectly embodied the qualities vital to the task a capacious ear for gossip a neat turn of phrase a waspish desire to tell all and easy access to the highest social circles across Europe Blending Woosterish antics with a Lady Bracknellesque capacity for acid comment Replete with fascinating insights Jesse Norman Financial Times
