Bringing theory and practice together in a student-centered curriculum, they encourage reflection and discussion through working with Reflective Teaching Portfolios and Cooperative Learning Groups at the end of each chapter. The text is based on a strong model focusing on Esteem, Empathy, and Equity. Features new to the seventh edition include:

- New chapter on the academic achievement gap
- Detailed chronology of events leading to the position of multicultural education today

At the end of each chapter, the section *Growing a Professional Library* includes carefully selected resources that students will find helpful as future teachers.
