Remember When SJD Peterson,2017-08-28 Life is simple and hopeful in youth Luke and Nelson are best friends exploring their budding sexuality They have big plans for the future and nothing can stand in their way or tear them apart except a family move that puts a continent between them Ten years later Luke and Nelson meet again but nothing is simple anymore As strong as the attraction remains obligations and expectations come between them as Luke is forced to honor family responsibilities over the desires of his heart Impossibly fate sees fit to offer them a last opportunity to see what might have been Will the third time be the charm or is trust so badly broken it is impossible to repair Can they recapture the innocent love they once knew and make up for all the wasted years In a love story that spans half a lifetime two friends destined for each other will have to fight hard for their happily ever after
