Bain,1996 Emily Dickinson and Walt Whitman were not the poetic stars of their day only a few friends knew that Dickinson
wrote and Whitman's following was minuscule if influential But the contemporaries who eclipsed these major poets now have
largely disappeared from our literary landscape In this distinctive anthology Robert Bain gathers together thirteen other
scholars to re present the poetry of these former luminaries allowing readers to rediscover them reconstruct the poetic
contexts of their age and better understand why Whitman and Dickinson now overshadow other poets of their time Arranged
chronologically according to the birth dates of the poets this anthology introduces each poet's work providing biographical
information and discussing the major forms and themes of the work Each introduction places the poet in a literary and
historical context with Whitman and Dickinson and provides a bibliography of secondary sources This remarkable book
recovers a part of our literary heritage that has been lost Second Catalogue of the Library of the Peabody Institute of the
