The Powers That Be have discovered his illegal relationship with Jennifer Kaley and he's about to be punished big time for all the rules he has broken. A Train of Thought headed for The World has disappeared and the first group of Fixers sent to find it has vanished now too. As usual, The Tide is the prime suspect. This latest mission takes Becker to the remotest places and introduces him to the more powerful people in *The Seems*. It was never seen again. Seventy-two years later, Will Stattin, a former MP and the son of a famous archaeologist, gets a call for help from a prestigious art collector in Italy. For Will, it's a job offer and a chance to escape his troubles, even if the job sounds strange and unbelievable. Track down a series of nine paintings that reveal the location of the lost train and its legendary wealth. Shortly after he arrives, Will is caught up in a deadly game as five of the paintings are stolen. Now it is a race across Europe to find the lost train and the killers before they turn their sights on him. Lost Texas Treasure W. Craig Gaines,2022-07-11 Track pirate gold and misplaced riches across 168 counties in this comprehensive guide to the lost treasures of Texas Countless fortunes have disappeared into the vast expanse of the Lone Star State The history of the coast is cluttered with shipwrecks like that of the 1554 Spanish fleet Even when pirates such as Jean Laffite managed to get their ill gotten gains ashore their loot vanished just as completely as if it had sunk beneath the waves Entire mines including the ventures of Jim Bowie and San Saba Presidio have been reclaimed by the earth The unmarked caches of bandits like Jesse James and Pancho Villa still bedevil the dreams of treasure seekers today W Craig Gaines reveals what has been lost what has been found and what remains to be recovered

Inseparable Faris Cassell,2023-09-12 See the Holocaust through the Eyes of Children Stefan and Marion Hess s happy childhood was shattered in 1943 Torn from their home in Amsterdam the six year old twins and their parents were deported to a place their mother called this dying hell the infamous concentration camp at Bergen Belsen Inseparable is the vivid account of one family s struggle to survive the Holocaust In the camp the children ran from SS soldiers making it a game to see who could get closest to the guard towers before being warned they would be shot Stefan and Marion witnessed their father beaten beyond

recognition dodged strafing warplanes and somehow survived in a place where the children were looking for bread between the corpses Above all this is the unforgettable story of a young mother and father who were willing to sacrifice everything for their children From the Hesses prosperous pre war life in Germany to their desperate ride in a bulletstrafed boxcar through the rubble of the collapsing Third Reich Faris Cassell weaves Stefan and Marion s personal memories and historical details into a gripping narration of their family s heroic fight for their lives As the number of Holocaust survivors dwindles the Hess twins account of their childhood ordeal forces the reader to grapple with pure evil And more important it is an opportunity to offer the most meaningful of tributes to victims and survivors of the Third Reich remembrance
