The Game Master's Book of Legendary Locations Jeff Ashworth, Tim Baker, 2025-06-17 When your players are traveling through the wilderness from Point A to Point B here's the key to making that journey as intriguing and exciting as possible. As every GM knows you can spend hours preparing an adventure but rarely is any map filled in so completely that you can easily define what lies waiting in the wilds between where they are today and where they'd like to be tomorrow. That's where The Game Master's Book of Legendary Locations comes in. Legendary Locations provides Game Masters with more than 150 fascinating sites, obstacles, legends, and landscapes spread across eight environmental zones designed to make every journey an unforgettable one. From poisonous swamps and bottomless wells to dragon skull temples and abandoned mines, each location includes a brief history, exotic lore, potential dangers to fight, and treasures to be won, along with illustrations throughout. Larger entries include special Game Master notes and random encounter tables to ensure each incredible locale is as compelling as possible. Each environmental zone also includes a completely fleshed-out lair, including monster stat blocks, a map, and full-page illustration. In addition, Legendary Locations also includes dozens of roll tables for determining random encounters, eerie occurrences, natural hazards, and more to ensure players are always experiencing something unique and unexpected. It's a wellspring of inspiration and a fathomless resource for keeping players on their toes and ensuring that the journey is just as exciting as the destination. *Judged* Elise Noble, 2021-04-30 When Ro Keyes quit the military, he was looking forward to a slower pace of life. Through the eyes of this highly trained young patriot, we discover how constant exposure to killing, death, and dying poses a serious threat to the psychological, physical, and emotional wellbeing of a combatant. Day to day, while humping the thick jungles of Vietnam, Bauer escapes one day's nightmare only to be engulfed in more gruesome ones in following days. His assigned mission is to seek and destroy the enemy. However, his immediate mission becomes the struggle to outlast the enemy while battling constant sorrow and hardship. Equally important, he must avoid occupying the next body bag tagged for appropriate disposal. He has to kill or be killed and do his part to increase the enemy body count, the bloody measure of who is winning. Bauer finds

himself trapped in this brutal and morally confusing nether world During his journey through hell he meets a precocious young nurse while convalescing She unknowingly becomes the incentive Bauer needs to endure his ordeal This is Bauers story his struggle to rationalize the need for war and the carnage it creates He is troubled by his exposure to combat and the changes he sees within himself which he knows might haunt him the rest of his life **The Counterfeit Coin** Christopher Goetz,2023-05-12 The Counterfeit Coin argues that games and related entertainment media have become almost inseparable from fantasy In turn these media are making fantasy itself visible in new ways Though apparently asocial and egocentric an internal mental image expressing the fulfillment of some wish fantasy has become a key term in social contestations of the emerging medium At issue is whose fantasies are catered to who feels powerful and gets their way and who is left out This book seeks to undo the monolith of commercial gaming by locating multiplicity and difference within fantasy itself It introduces and tracks three broad fantasy traditions that dynamically connect apparently distinct strata of a game story and play that join games to other media and that encircle players in pleasurable loops as they follow these connections
