Louis Auchincloss A Writers Life:

Louis Auchincloss Carol W. Gelderman, 2007 The fascinating life of Louis Auchincloss Wall Street lawyer and master novelist Based on interviews with Auchincloss and access to his private papers Becoming a Writer takes readers inside some of America's least publicized yet most influential institutions and traces the development of a unique artist 16 page photo insert **The Man Behind the Book** Louis Auchincloss, 2021-05-12 Twenty three biographical essays on writers admired by the National Medal of Arts winning author of The Education of Oscar Fairfax For Louis Auchincloss life and letters are not two things but one It therefore comes as no surprise that when he writes about writers their lives are considered as closely as their works He takes what today is a refreshingly unpopular position that the artist and his art cannot be teased apart that biography of criticism and criticism biography For Mr Auchincloss it all boils down to that maxim of Buffon's the style is the man the man behind the book The twenty three writers discussed here are a mixed lot English American and French novelists poets and playwrights Jacobean Victorians and moderns yet each has meant a great deal to Mr Auchincloss as a reader and a writer Some of them are classics and familiar Auchincloss subjects Sarah Orne Jewett Henry James Ivy Compton Burnett Others among them Prosper Merimee Harold Frederic and Amy Lowell were famous once but are now obscure In their cases it is Mr Auchincloss's self-described task to explore the reasons for their fall from grace reasons that prove to be unfailingly personal as well as artistic But as Mr Auchincloss would rather praise and share than damn and dismiss it is also his task to seek the portions of their work that may still merit attention Alfred Kazin once noted that Mr Auchincloss's essays are marked by perfect literary grace and wit These qualities have never been so evident as in this volume an informal study of some of the author's favorite books and the fascinating artists behind them **A Writer's Capital** Louis Auchincloss, 1979

Narcissa & Other Fables Louis Auchincloss, 1983-04-07 Twelve stories observing modern American life and morals in the twentieth century from the National Medal of Arts winning author of The Cat and the King With this collection of short stories Louis Auchincloss will delight his already devoted followers and win many more into the ranks The stories which range from studies of family manipulation to the secrets of artistic inspiration are in fact subtle fables that probe the heart of modern American life to examine the moral confusion that exists there In the title story a wealthy muralist and patroness of the arts succumbs to the near compulsion of posing in the nude for a fellow artist who then blackmails her In other tales a clergyman conceives of adultery as a valid means of sharing Christian charity a socially prominent family conspires to entrap a girl into a front marriage with their homosexual son and heir an art student writes his thesis on some startling theories as to why a famed painter of elegant interiors never includes a human figure in his pictures a federal judge sells his opinions to the highest bidder with a recklessness that seems almost suicidally to invite detection Combining his powers of storytelling and observation Auchincloss creates in Narcissa and Other Fables a penetrating glimpse into the ethical malaise of our century Praise for Narcissa and Other Fables This book of short stories by America's leading novelist of manners is a

textbook in how to write fiction in miniature It begins with fables of normal short story length and ends with tour de force one pagers The confused ethics of Americans in the dying years of a revolutionary century are put under the microscope for a moment of breath taking clarity Frederick M Winship UPI Auchincloss is a worldly philosopher who writes with confident authority of the law office and the board room but he is also a social historian and an amused observer of the prosperous at play The venue may be a cruise ship or a minor stately home in Virginia an urban chateau on Fifth Avenue or a great bibliophile s private library overlooking the East River His characters tend to be tribal creatures who pay lip service to social taboos but who live by the laws of self interest Frances Taliaferro New York Times **Louis Auchincloss** Vincent

Piket,1991-06-10 **A Voice from Old New York** Louis Auchincloss,2010-12-02 An entertaining and occasionally even moving personal recollection by the lawyer historian and renowned chronicler of old money WASP society The Boston Globe At the time of his death Louis Auchincloss enemy of bores self pity and stale gossip had just finished taking on a subject he had long avoided himself His memoir confirms that despite the spark of his fiction Auchincloss himself was the most entertaining character he ever created No traitor to his class but occasionally its critic Auchincloss returns to his insular society which he maintains was less interesting than its members admitted and unfurls his life with dignity summoning family particularly his father who suffered from depression and forgave him for hating sports and intimates Brooke Astor and her circle are here along with glimpses of Jacqueline Onassis Most memorable though is Auchincloss s way with those outside the salon the cranky maid the maiden aunt perpetually out of place the less than well born boy who threw himself from a window over a woman and a man Above all here is what it was like to be Auchincloss an American master a New York Times bestselling novelist and a rare generous lively spirit to the end Auchincloss concentrates on bringing back to life literary alchemy after all the people who loved him his mother father aunts uncles school friends and colleagues He understands how lucky he was to have them and A Voice From Old New York is his thank you note The New York Times **The Very Best Men** Evan Thomas,2012-12-04 The Very Best Men is the story of the CIA s early days as told through the careers of four glamorous daring and idealistic men who ran covert operations for the government from the end of World War II to Vietnam Evan Thomas re creates the personal dramas and sometimes tragic lives of Frank Wisner Richard Bissell Tracy Barnes and Desmond FitzGerald who risked everything to contain the Soviet threat Within the inner circles of Washington they were regarded as the best and the brightest They planned and acted to keep the country out of war by stealth and political action and to do by cunning and sleight of hand what great armies could not must not be allowed to do In the end they were too idealistic and too honorable and were unsuited for the dark duplicitous life of spying Their hubris and na vet led them astray producing both sensational coups and spectacular blunders like the Bay of Pigs and the failed assassination attempts on foreign leaders in the early 1960s Thomas draws on the CIA s own secret histories to which he has had exclusive access as well as extensive interviews to bring to life a crucial piece of American history **The Princess of Albemarle** Jane Turner

Unlikely Muse Daniel Kornstein, 2010 This trail blazing book explores previously uncharted aspects of law and literature as well as the psychology paradoxes and wonderful mystery of creativity A study of artistic inspiration Unlikely Muse examines and analyzes the lives and works of three very different writers who combine law literature and imagination nineteenth century French novelist Honor de Balzac modernist American poet Wallace Stevens and controversial playwright memoirist Lillian Hellman From the literary careers of those three writers emerge two intertwined and exciting new themes The first theme demonstrates unexpected synergy between law and literature Opening original lines of inquiry Unlikely Muse probes the possible relationship between legal training and artistic creativity A surprisingly large number of great creative artists writers such as Balzac poets such as Stevens painters such as Matisse and composers such as Tchaikovsky studied or practiced law This book asks whether such people became great creative artists because of or despite their legal background Others such as Hellman had no legal training but wrote much about the law This book sketches the intellectual atmosphere and biographical background that shaped these three writers creative process highlighting the impact of the law on their work The second theme uses these same three writers to focus on the changing role of imagination in literature From Balzac through Stevens to Hellman and beyond the author traces imagination's arc from a positive artistic quality to something that is sometimes more controversial perhaps deceitful and negative In the last few decades ever since Hellman's memoirs were attacked as untrue journalists memoirists and other writers have palmed off works of fiction as non fiction often causing literary scandals This book offers a new theory why this phenomenon is happening and how it should be regarded
