A Modern Cinderella Louisa May Louisa May Alcott, 2017-08-03 How is this book unique Font adjustments for a brook ran babbling through the orchard that encompassed it about a garden plat stretched upward to the whispering birches on the slope and patriarchal elms stood sentinel upon the lawn as they had stood almost a century ago when the Revolution rolled that way and found them young One summer morning when the air was full of country sounds of mowers in the meadow black birds by the brook and the low of kine upon the hill side the old house wore its cheeriest aspect and a certain humble history began Nan Yes Di And a head brown locked blue eyed soft featured looked in at the open door in answer to the call Just bring me the third volume of Wilhelm Meister there's a dear It's hardly worth while to rouse such a restless ghost as I when I'm once fairly laid As she spoke Di Pulled up her black braids thumped the pillow of the couch where she was lying and with eager eyes went down the last page of her book Nan Yes Laura replied the girl coming back with the third volume for the literary cormorant who took it with a nod still too content upon the Confessions of a Fair Saint to remember the failings of a certain plain sinner Don't forget the Italian cream for dinner I depend upon it for it's the only thing fit for me this hot weather
