Louisville Slugger The Making Of A Baseball Bat:

Louisville Slugger ,1984 A photo essay describing how baseball bats are made for the Hillerich and Bradsby company in Louisville Kentucky **Sweet Spot** David Magee,Philip Shirley,Ken Griffey, Jr.,2009-05-01 Away from the game and the players for which it was crafted the baseball bat is a sleek but humble creation Yet in the hands of batters both young and old who have been stepping to the plate on diamonds around the world for more than a century the bat is a powerful tool capable of yielding lasting memories or making legends of a lifetime And no bat has had more impact on baseball and the players of the game than Louisville Slugger the tool of the trade used by millions from the major leagues to college and youth leagues In accordance with Louisville Slugger s 125th anniversary the complete history of the bat its impact on the game and the ongoing story of Hillerich and Bradsby s family business is told in these pages Blending firsthand stories from former and current major leaguers with details from more than 100 years of craftsmanship and contribution this comprehensive history of baseball s bat and its impact on America s game is a must have and must read for anyone who has ever stood at the plate waiting on a pitch or watched as a fan hoping for a miracle *Crack of the Bat* Bob Hill,2012-08-03 Crack of the Bat is a comprehensive and entertaining look at the most famous icon in the history of baseball the Louisville Slugger bat It includes the evolution of bats from pioneer wagon tongues to the sleek aluminum models of today It examines the amazing physics involved in hitting a baseball where 003 seconds means the difference between a home run and a foul ball It tells the fascinating history of the still family owned Hillerich Bradsby Company which in just 80 years went from making butter churns to making seven million bats a year Reinforcing this are dozens of stories about the bats themselves and the personal idiosyncracies of the most famous hitters in baseball history including Honus Wagner Ty Cobb Babe Ruth Stan Musial Mickey Mantle Ted Williams Tony Gwynn Cal Ripken Jr and Derek Jeter The book explains why the players picked the bats they did the amazing lengths they would go to to protect them and how valuable these bats have now become in the hands of collectors Illustrated with hundreds of archival photographs baseball decals and icons many in color this book will become as much a cherished keepsake as some of the bats it describes The Original Louisville Slugger Tim Newby,2024-09-17 Louis Pete Rogers Browning was one of the greatest baseball players of the nineteenth century His skills with the bat made the difficult art of hitting a baseball appear easy Over his thirteen year career he won three batting titles finished in the top three nine times and was one of the premodern era s greatest hitters Browning is recognized as not only the namesake but also the genesis for the famed Louisville Slugger as the Hillerich Bradsby Company shaped the first ever custom made bat based on his instructions Browning s athletic prowess was overshadowed by his drunken adventures and struggles off the field A champion consumer of bourbon and a man with obvious demons he led a life littered with eccentricities During games he refused to slide and often stood perched on one leg Known as the Gladiator he drank tabasco sauce washed his eyes with buttermilk and named bats after biblical characters all in an effort to improve his hitting Few were aware that behind the

comedic persona Browning suffered from mastoiditis a devastating physical ailment that robbed him of his hearing deprived him of an education eroded his professional skills and led to his heavy dependence on alcohol Accounts of Browning's unconventional behavior were bolstered by his own outlandish storytelling These stories were embellished by newspapers of the time making him a legend Tim Newby addresses the myths surrounding the larger than life figure uncovers the thin line between fact and fiction and presents an extensive account of Browning the man and legendary ball player *The Baseball Bat* Stephen M. Bratkovich, 2020-08-06 Why do modern day sluggers like Aaron Judge prefer maple bats over the traditional ash bats swung by Ted Williams and others Why did the surge of broken bats in the early 21st century create a crisis for Major League Baseball and what steps were taken to address the issue Are different woods being considered by players and manufacturers Do insects disease and climate change pose a problem long term These and other questions are answered in this exhaustive examination of the history and future of wooden bats written for both lifelong baseball fans and curious newcomers
