Ashley E. Cardenas,2010-11-22 Blurred Vision is about life experiences everyone will at some point in his or her live It speaks truth in experiences have been through Since birth to our first kiss to our first break up and many other firsts we all wish that we had someone their or some type of advice that we could have read This book Blurred Vision will be the advice which we all need to help us live a decent life a life lead by truth and honesty Throughout life we all prove ourselves not to be humble quiet but loud and our first thought is to fight back We all dont want to stay quiet and just let the situation be and fully accept it for what it is The book Blurred Vision is based on my life experiences the experiences that molded advice which in turn molded this book *Shared Island* Two Feathers,2013-09 It had been almost a year since Todd and I decided to go our separate ways It was a mutual decision to break up We had simply grown apart We still loved each other very much but we just couldn t seem to get past the differences that grew between us the last year that we were together It wasn t an easy decision for either one of us We did however remain friends through the break up We still talked to each other all the time and in the first few months after the breakup I found it hard to talk to him and not ask if he wanted to try and work things out only because I didn t want to be alone I was learning firsthand what the word lonely really meant There were a couple of other boyfriends before Todd but I knew that they weren t going to last They had simply been someone to hang out with and have fun with someone to go out to dinner with or a movie I had no intentions of getting too serious with them like I had with Todd I had always thought that Todd was the one for me my true and everlasting soul mate He made me feel special and he didn t obsess over me or what I

did I felt that I could be myself a free spirit with him He was soft and loving toward me he was protective but not overbearing He made me feel safe I knew that I didn t have to worry about anyone hurting me Todd would stand back and let things happen till he sees that I needed his help Then he would step in and take over No one messed with me while I was with Todd
