**Love and Duty** Sarah Woolfolk Wiggins, 2005 The intricate personal relationships of a notable Alabama family Known respectively as the chief of the Confederate Ordnance Bureau and as the university librarian Josiah and Amelia Gorgas were important members of the University of Alabama and regional communities Their marriage spanned the Civil War and its aftermath and epitomized the Victorian concept of separate spheres for husband and wife They were two strong personalities who deeply respected and complemented each other Love and Duty focuses on the couple s relationship as well as their relationships with other Gorgas family members Because the large but close knit family was highly literate and often separated they produced an extraordinary quantity and quality of correspondence and related manuscripts that span three generations Family members corresponded with each other almost daily In these letters and in journals they commented on contemporary events gave advice philosophized about life death love marriage parenting war and defeat These thousands of documents provide a remarkable window into the private world of a 19th century southern family Wiggins examines Josiah s and Amelia s attitudes toward a vast range of topics but most notably family which was everything to the couple **Gorgas House at the University of Alabama** Erin E. Harney, Jun A. Ebersole, 2016-11-07 Built in 1829 the Gorgas House is the oldest structure on the University of Alabama campus Originally constructed to serve as a hotel housing for the university steward and student dining hall the building underwent several renovations to meet the needs of an ever changing and growing campus Later utilized as a faculty residence classroom post office and infirmary the Gorgas House was one of the few buildings to survive the destruction of campus near the end of the Civil War Standing as a lasting reminder of the university s antebellum past the house is preserved today as a museum dedicated to the legacy of the building s final residents the Gorgas family **Mosquito Warrior** Carol R. Noe, 2013 Many books about Alabama's role in the Civil War have focused serious attention on the military and political history of the war The Yellowhammer War likewise examines the military and political history of Alabama's Civil War contributions but it also covers areas of study usually neglected by centennial scholars such as race women the home front and Reconstruction From Patricia A Hoskins's look at Jews in Alabama during the Civil War and Jennifer Ann Newman Trevi's examination of white women's attitudes during secession to Harriet E Amos Doss's study of the reaction of Alabamians to Lincoln's Assassination and Jason J Battles's essay on the Freedman's Bureau readers are treated to a broader canvas of topics on the Civil War and the state
