Different interplays of elements impact our emotional responses and influence the outcome of our relationships. Incidentally, emotions can be really complex and response to emotional stimuli rational or irrational may have life-changing impact on our lives. The Influence of Love broadens the reader's perspectives on complexities of Love and emotions and offers positive resolution paths. Written in episodes, this book uses true life events to invoke the power of INFLUENCE in emotional entanglements. Passages accentuate the powerful dynamics of INFLUENCE which directly affects decisions of partners in relationships. Each episode reflects individual emotional struggles, conflicts, and sometimes painful resolution processes. Of great importance is the author's key principle that a relationship without invisible underpinning influencing variables is chaff at best.
