Poetic Youth Ministry Jason

Lief,2015-04-22 Current research shows what many in the Christian community already know young people are leaving the church This raises important questions Why are young people leaving How can the church respond Some have responded to this issue out of a posture of fear and anxiety trying to find new ways to strengthen doctrinal beliefs or practices of faith formation and discipleship What if the best response isn't to strengthen our theology or tighten our hold on the lives of young people What if the best response is a posture of love that lets young people go Using the insights of philosopher Charles Taylor and theologian Dietrich Bonhoeffer Poetic Youth Ministry argues that the church must take seriously the formative power of social and cultural patterns that shape the social imaginaries of young people Rather than seeing the problem as young people abandoning faith the Christian community should see the issue as young people exchanging one form of faith for another This allows the church to approach the issue from a posture of love calling young people to embrace their identity in the new humanity revealed in the death and resurrection of Jesus Christ Growing Love in Christian Marriage Third Edition - Pastor's Manual Jane P. Phillips is the answer This book looks at the most extravagant royal ceremonies and the most controversial figures from wife murderer Henry VIII to the scandalous Caroline of Brunswick who was banned from her husband s coronation but turned up anyway The best and the worst monarchs are reassessed with investigations into how the likes of alleged nephew killer and hunchback Richard III achieved their villainous reputations The image of the monarchy is also examined whether it s in commemorative ceramics respectful movies such as The King s Speech or more critical fare

Searching the Heart Karen Lystra,1992-06-25 In January 1862 Charles Godwin courted Harriet Russell ultimately unsuccessfully with the following lines Like cadences of inexpressibly sweet music your kind words came to me causing every nerve to vibrate as though electrified by some far off strain of heavenly harmony Almost ten years later Albert Janin upon receiving a letter from his beloved Violet Blair responded with I kissed your letter over and over again regardless of the small pox epidemic at New York and gave myself up to a carnival of bliss before breaking the envelope And in October 1883 Dorothea Lummis wrote candidly to her husband Charles I like you to want me dear and if I were only with you I would embrace more than the back of your neck be sure In Karen Lystra s richly provocative book Searching the Heart we hear the voices of Charles Albert Dorothea and nearly one hundred other nineteenth century Americans emerge from their surprisingly open intimate and emotional love letters While historians of nineteenth century America have explored a host of private topics including courtship marriage birth control sexuality and sex roles they have consistently neglected the study of romantic love Lystra fills this gap by describing in vivid detail what it meant to fall in love in Victorian America Based on a vast array of love letters the book reveals the existence of a real openness even playfulness between male and female lovers which challenges and expands more traditional views of middle class private life in Victorian America Lystra refutes the common belief that Victorian men and women held passionlessness as an ideal in their romantic relationships Enabling us to enter the hidden world of Victorian lovers the letters they left behind offer genuine proof of the intensity of their most private interactions feelings behaviors and judgments Lystra discusses how Victorians anthropomorphized love letters treating them as actual visits from their lovers insisting on reading them in seclusion sometimes kissing them as Albert does with Violet s and even taking them to bed She also explores how courtship rituals which included the setting and passing of tests of love succeeded in building unique emotional bonds between lovers and how middle class views of romantic love which encouraged sharing knowledge and intimacy gave women more power in the home Through the medium of love letters Searching the Heart allows us to enter unnoticed the Victorian bedroom and parlor We will leave with a different view of middle class Victorian America
