Our Hidden Settlement Mona Ballge Miron, 2023-08-07 My journey goes back in time to Burton Michigan's history when it was still the Atherton Settlement 1835 1855 Genesee County was formed in 1836 Michigan wasn't even a state until 1837 This was an exciting time for new families to settle here finding land of their own for the first time freedom of religion and new adventures I'll be going through the yearly traditions behind the holidays and inventions along the way I hope you enjoy my historical journey Learning about the settlers on Thread River was a lot of fun how they made the Atherton Trail the four Atherton families working together to survive the cold winters They built strong shelters saved food and wood for the winter with the help of the natives In 1835 the Atherton Settlement was established the Atherton families built a strong community over the next twelve months with thirty families They built their homes barns wagons three churches a mill and a trading post The first school in the settlement was founded in 1836 the Atherton School was a one room schoolhouse built on the corner of Atherton Trail and Center Road where the Burton Memorial Library sits now Betsey Atherton was the first teacher Throughout my research we have a lot to be thankful for especially the four Atherton men that were brave enough to stay and never give up on the settlement As more people joined the settlement for the next 20 years some had military backgrounds and mostly coming from New York With all manner of trades to prosper as the community when more schools were needed the farmers would build one in each area for the children 1855 Atherton Settlement combined with other farms to become Burton Township the second largest township but without a post office so HIDDEN

A Gift of Love Tony Cointreau, 2016-08-30 I wrote A Gift of Love because people kept asking me to do so telling me that there was a great need for it Perhaps it was their parents who were dying or another family member or a close friend and they needed to know what they could do for their loved ones in those last weeks days or hours They knew that I had worked with Mother Teresa as a volunteer in her homes for the dying and had twelve years experience in what they were facing perhaps for the first time and asked me to pass on some of my knowledge In 1979 when I saw a magazine photograph of one of Mother Teresa's volunteers carrying a dying man in his arms I knew in an instant that I had to become a part of this work It was certainly not a religious calling but a simple calling to give something of myself to others I felt that if I could comfort one dying person my life would have had purpose It took me ten years to enter the world that I had only seen a glimpse of in that magazine article When I did it was during the worst of the AIDS crisis in the United States in a hospice called Gift of Love in New York City which had been opened by Mother Teresa in 1985 It had room for fifteen dying men most of them from a world I had never known a world of drugs poverty and crime a far cry from the privileged life of children in Europe that I had been brought up in and later on the world of show business in which I had

been able to fulfill some of my greatest dreams In the years to come these men who were dying of AIDS and had never been given much of a chance in life taught me not only about the many ways to help others die in an atmosphere of peace and love but also how to enjoy the richness of living our lives fully until the very end Whenever Mother Teresa asked me to sing for her on her little terrace in Calcutta I never said No And when I asked her to help me write about caring for loved ones in their last days she also never said No What a blessing thank you Mother If I can reach just one person who is flailing around in panic and fear while trying to help a loved one at the end of their life my journey will have been worthwhile
