Brush III,2019-02-16 This is a compilation of descriptions detailing the intricacies of some of the most common yet necessary characteristics traits and emotions that are a part of each of our daily lives that are expressed and or felt on a regular basis *Love That Lasts: A Real Talk Guide to Relationships* Napoleon Nalcot,2025-06-21 A real talk guide for anyone who s tired of the love advice that sounds nice but doesn t actually help If you ve ever felt lost in love stuck in silence or unsure how to stay close when life pulls you apart this book is for you *Love That Lasts A Real Talk Guide to Relationships* offers down to earth guidance for couples and individuals who want to love better not just longer In everyday language that feels more like a friend than a lecture you ll learn how to communicate with honesty and clarity repair trust and rebuild connection grow through conflict instead of walking away from it keep choosing each other even when it s hard build a love that s rooted in action not just words Perfect for those in long term relationships new beginnings or recovering from past hurts this is your reminder that healthy love is possible and it doesn t have to be complicated Because love isn t about finding the perfect person It s about learning how to love each other well imperfect and all **From Him to Us** Nate Gray,2006-09 *From Him to Us Volume 1* Nate Gray This book is a series of fifty three inspirational speeches and is formatted into seven chapters There were originally fifty two speeches for this book but I didn t realize I had another one written The fifty two speeches are symbolic to fifty two weeks in a year and I finished in 2004 which was a leap year so I just used the extra speech for the extra week 7 chapters are also symbolic to the 7 days of creation and resemble completion This book started when I wrote my first speech for a church service in August 2002 The contents therein are many mini sermons The topics in here range from issues on faith and patience to preparation for eternity in Heaven with God *From Him to Us* is arranged in an order that allows people to see the process in life and prosper as they go through life Everything starts with faith and patience and as this book is read you will also gain spiritual wisdom and understand the fate of life It also increases your understanding and strengthens your character and develops your perspective into a God like perspective Overall you will be introduced to the process of life go through the process and the end result will depend on what you have learned in the process **Where There Is Love, There Is God** Mother Teresa,2010-08-10 Mother Teresa s relationship with God and her commitment to those she served the poorest of the poor is here powerfully explored in her own words Taken largely from her private lessons to her sisters published here for the first time *Where There is Love There is God* unveils her extraordinary faith in and surrender to God s will This book is in some way a sequel to *Mother Teresa Come Be My Light* in which her own very private spiritual struggles were explained Sent to alleviate the sufferings of the poor she assumed their struggles and pain in the depths of her heart This led to particularly

intense anguish which she lived through with heroic courage and fidelity over several decades As important as this aspect of her life is that remarkable testimony of her life and her words intensifies the need and desire to know more of her thought There is much she can teach us as we face our daily struggles or sufferings which can at times be unusually severe Where There is Love There is God though not an exhaustive anthology of Mother Teresa s teaching nonetheless shows what she believed and taught about important issues that confront all people Due to her constant interaction with people of diverse backgrounds no life situation was foreign to her and in this book her role is primarily one of teacher and guide Love is perhaps the word that best summarizes Mother Teresa s life and message The title reflects what she proclaimed during her entire life God is alive present and still loves the world through you and through me Mother Teresa sought to be an extension of God s heart and hands in the world of today She was called to be a missionary of charity a carrier of God s love to each person she met especially those most in need Yet she did not think that this was a vocation uniquely hers each person is in some way called to be a carrier of God s love Through the practical and timely advice she offers Mother Teresa sets us on the path to closer union with God and greater love for our brothers and sisters
