# Love China Today

**K. H. Ting**

## **Love China Today:**

*Hong Kong, China* Gordon Mathews, Dale Lü, Jiewei Ma, 2008 The idea of national identity is an ambiguous one for Hong Kong. Returned to the national embrace of China on 1 July 1997 after 150 years as a British colony, the concept of national identity and what it means to belong to a nation is a matter of great tension and contestation in Hong Kong. Written by three academic specialists on Hong Kong cultural identity, social history and mass media, this book explores the processes through which the people of Hong Kong are learning to belong to a nation by examining their relationship with the Chinese nation and state in the recent past, present and future. It considers the complex meanings of and debates over national identity in Hong Kong over the past fifty years and especially during the last decade following Hong Kong's return to China. It also places these arguments within a larger global perspective to ask what Hong Kong can teach us about national identity and its potential transformations. Multidisciplinary in its approach, *Hong Kong and China* explores national identity in terms of theory, mass media, survey data, ethnography and history and will appeal to students and scholars of Chinese history, cultural studies and nationalism.

**Sex and Sexuality in China** Elaine Jeffreys, 2007-01-24 Elaine Jeffreys explores the issues of sex and sexuality in a non-Western context by examining debates surrounding the emergence of new sexual behaviours and the appropriate nature of their regulation in the People's Republic of China. Commissioned from Western and mainland Chinese scholars of sex and sexuality in China, the chapters in this volume are marked by a diversity of subject material and theoretical perspectives but turn on three related concerns. First, the book situates China's changing sexual culture and the nature of its governance in the socio-political history of the PRC. Second, it shows how China's shift to a rule of law has generated conflicting conceptions of citizenship and the associated rights of individuals as sexual citizens. Finally, the book demonstrates that the Chinese state does not operate strictly to repress sex; it also is implicated in the creation of new spaces for sexual entrepreneurship, expertise and consumption. This comprehensive study is a valuable resource for scholars in the fields of sexuality studies and post-socialist societies and culture, directly appealing to both East Asia and China specialists.

**When True Love Came to China** Lynn Pan, 2015-11-01 The Guardian's Best Books of 2015. Most people suppose that the whole world knows what it is to love: that romantic love is universal, quintessentially human. Such a supposition has to be able to meet three challenges. It has to justify its underlying assumption that all cultures mean the same thing by the word love, regardless of language. It has to engage with the scholarly debate on whether or not romantic love was invented in Europe and is uniquely Western. And it must be able to explain why early twentieth-century Chinese writers claimed that they had never known true love or love by modern Western standards. By addressing these three challenges through a literary, historical, philosophical, biographical and above all comparative approach, this highly original work shows how love's profile in China shifted with the rejection of arranged marriages and concubinage in favour of free individual choice, monogamy and a Western model of romantic love. This book, Lynn Pan's best to date, adds a wonderful new angle by encouraging us via

comparison to better appreciate how unusual even in some ways exotic a part of the Western past we take for granted as though it were natural actually is While the reader will learn a great deal about Chinese literary and cultural traditions from this book if read with an open mind the Western reader may end up rethinking things about his or her tradition just as deeply Jeffrey N Wasserstrom Chancellor s Professor of History University of California at Irvine Nobody writes about China quite as brilliantly as Lynn Pan who in this new illuminating work on love showcases her trademark erudition entwined with a novelist s sensibility Pan s rare skill makes the book a treat from start to finish a sumptuous deft and moving analysis of China s relationship with love Mishi Saran author of *Chasing the Monk s Shadow A Journey in the Footsteps of Xuanzang and The Other Side of Light* *America Loves China: A Romance Novel* Martin Avery,2015-08-13 What happens when an American man meets a Chinese woman in China *Love and Marriage* Serena Nanda,2018-12-10 Cultural anthropologist Serena Nanda mines a wide range of ethnographic research to examine the patterns of love marriage sexuality and family unique to eight cultures around the world After reviewing changing patterns in the United States readers are taken to China India Brazil Iran Indonesia Nigeria the South Pacific and Nepal to explore traditions and transformations and the intertwining dynamics of kinship class politics religion and gender roles in love and marriage An additional chapter traces the diversity of LGBTQ relationships with contemporary examples drawn from the US Indonesia and India A valuable summary chapter features a brief analysis of similar and different cultural configurations Nanda s ethnographically rich examples and fresh perspective will challenge readers to understand that their own culture is not natural or superior but rather just one of many possibilities adapted to specific environments and subject to changes **China the Super Predator** Pierre-Antoine Donnet,2024-02-23 China is facing tremendous economic social and political challenges as well as having become a predominant contributor to climate change It has also become a predator against the Uyghurs the Tibetans and the Mongols and taken over Hong Kong silencing any forms of dissent It increasingly appears that one of the Communist regime s main goals is to control the entire world but this global ambition now faces mounting geopolitical difficulties At the center stands Taiwan which has become a full blown democracy and perhaps a model for the entire Chinese nation The United States along with Japan South Korea Australia India and other states are more than ever before willing to defend Taiwan The possibility of a clash is real making China along with Russia the main threat to the democratic world *International Handbook of Love* Claude-Hélène Mayer,Elisabeth Vanderheiden,2021-05-04 This handbook is the winner of the William B Gudykunst Award for Outstanding Book in 2023 given by the International Academy of Intercultural Research This handbook includes state of the art research on love in classical modern and postmodern perspectives It expands on previous literature and explores topics around love from new cultural intercultural and transcultural approaches and across disciplines It provides insights into various love concepts like romantic love agape and eros in their cultural embeddedness and their changes and developments in specific cultural contexts It also includes discussions on postmodern aspects with regard to love and love relationships

such as digitalisation globalisation and the fourth industrial revolution The handbook covers a vast range of topics in relation to love aging health special needs sexual preferences spiritual practice subcultures family and other relationships and so on The chapters look at love not only in terms of the universal concept and in private intimate relationships but apply a broad concept of love which can also for example be referred to in postmodern workplaces This volume is of interest to a wide readership including researchers practitioners and students of the social sciences humanities and behavioural sciences In the 1970s through the 90s I was told that globalization was homogenizing cultures into a worldwide monoculture This volume is as risky and profound as the many adventures of love across our multiplying cultures are proves otherwise The authors revolutionary and courageous work will challenge our sensibilities and expand the boundaries of what we understand what love is But that s what love does It communicates what is offers what can be and pleads for what must be I know you ll enjoy this wonderful book as much as I do Jeffrey Ady Associate Professor retired Public Administration Program University of Hawaii at Manoa Founding Fellow International Academy for Intercultural Research The International Handbook of Love is far more than a traditional compendium It is a breath taking attempt to synthesize our anthropological and sociological knowledge on love It illuminates topics as diverse as Chinese love one night stands teen romance or love of leaders and many more This is a definitive reference in the field of love studies Eva Illouz author of The End of Love A sociology of Negative relationships Oxford University Press This is not a volume to be read in a single sitting though I almost did due to a protracted hospital stay nor is it romantic or inspirational reading though in some cases I had hoped for more narrative examples and case studies Rather it is a highly diverse scholarly effort a massive resource collection of research papers on love in a variety of contexts personal and professional settings and cultures The work is well referenced providing a large number of resources for deeper exploration We owe our thanks to the authors and editors of this handbook for work well done though that word in the title should not lead readers to suspect that enlightening as it is this book is a vade mecum or practical tour guide that provides ready solutions to the vicissitudes and challenges of our love lives Reviewed by Dr George F Simons on amazon com Please see Claude H l ne Mayer s interview related to the handbook in LeanHealth Talks published by Bernadette Bruckner <https://www.youtube.com/watch?v=YNXA9sWuWo> Please see Claude H l ne Mayer s interview related to the handbook published In Iran News Daily <https://newspaper.irandaily.ir/nid/6941/pid/6> type 0

**Love's Uncertainty**  
Teresa Kuan, 2015-02-27 Love s Uncertainty explores the hopes and anxieties of urban middle class parents in contemporary China Combining long term ethnographic research with analyses of popular child rearing manuals television dramas and government documents Teresa Kuan bears witness to the dilemmas of ordinary Chinese parents who struggle to reconcile new definitions of good parenting with the reality of limited resources Situating these parents experiences in the historical context of state efforts to improve population quality Love s Uncertainty reveals how global transformations are expressed in the most intimate of human experiences Ultimately the book offers a meditation on the nature of moral agency examining

how people discern amid the myriad contingencies of life the boundary between what can and cannot be controlled

**China Today** Leila Fernández-Stembridge, Taciana Fisac, 2004-02-24 First Published in 2004 China is increasingly influenced by international affairs especially since its entry into the World Trade Organization in December 2002 Despite this domestic reforms remain a priority and as China adapts its economic structure to these ongoing domestic reforms there are significant social and political consequences These issues are thoroughly analysed in this volume which includes chapters by both Eastern and Western specialists thereby providing an interdisciplinary vision of contemporary China Particular attention is devoted to questions such as the social compact in urban China emerging social conflicts nation building dynamics and the redefinition of collective identities amidst the current dialectics between control and cohesion The enduring theme of the book is the complexity of current developments in today's China **Deep China** Arthur Kleinman, 2011-09-26 Deep China investigates the emotional and moral lives of the Chinese people as they adjust to the challenges of modernity Sharing a medical anthropology and cultural psychiatry perspective the contributors Arthur Kleinman Yunxiang Yan Jing Jun Sing Lee Everett Zhang Pan Tianshu Wu Fei and Guo Jinhua explore the remaking of the moral person during China's profound social and economic transformation unraveling the shifting practices and struggles of contemporary life Page 4 of cover **God Is Love** K. H. Ting, 2004 This collection of writings is a reflection of Bishop Ting's thoughts and opinions in a changing political and spiritual environment that have existed over the past 57 years **The Sabbath Recorder**, 1908 **The Chinese Students' Monthly**, 1927 **China CEO** Juan Antonio Fernandez, Laurie Underwood, 2006-04-14 CHINA CEO Voices of Experience From 20 International Business Leaders is based on interviews with 20 top executives and eight experienced consultants based in China The book is packed with first hand front line advice from veterans of the China market Hear directly from the top executives heading up the China operations of Bayer British Petroleum Coca Cola General Electric General Motors Philips Microsoft Siemens Sony and Unilever plus expert China based consultants at Boston Consulting Group Korn Ferry International McKinsey Company and many more Each chapter provides practical tips and easy to grasp models that will help new managers in China to be effective In CHINA CEO we deliver what other Western authors can't first hand reflections based on over 100 years collective experience in China The book presents this rich knowledge in a readable conversational style suitable for time constrained executives Each chapter gives specific advice on how to manage Chinese employees work with Chinese business partners communicate with headquarters face competitors battle intellectual property rights infringers win over Chinese consumers negotiate with the Chinese government and adapt yourself and your family to life in China **Liberal Arts and the Legacy of China's Christian Universities** Peter Tze Ming Ng, Leping Mou, Ruth Hayhoe, 2023-05-04 This book brings together English translations of thirteen research papers published in recent years by Chinese historians sociologists and educators These papers investigate various dimensions of the legacy of China's historic The Christian Universities which continues to inspire higher education reform in China even in the twenty first century This

book focuses on Christian Universities which fostered a particularly notable Liberal Arts Education in the Chinese context Besides embracing some ideals in common with Liberal Arts Education developed in the West their Liberal Arts Education curriculum had an emphasis on readings in the classics history philosophy religion ethics and literature which conveyed traditional Chinese values The Christian Universities also shared a strong commitment to moral formation community service and global citizenship education This book emphasizes Liberal Arts Education that focused on the whole person where academic knowledge skills and character were equally valued The book presents distinctive characteristics of the study of Christian higher education in China and the interplay between globalization and localization **Have You Seen The Stars**

**Tonite** Craig Fenton,2008-08-07 When it comes to the J A J S Craig Fenton is the source Signe Anderson original J A member and part of the J S 93 94 Have You Seen The Stars Tonite contains 179 photos the singles and albums the Jefferson Starship and J S The Next Generation released a healthy dose of the solo projects and the dates of service for members of the band past and present There is much more You can find documentation on the players that filled in for the regular members special guests and setlists either whole or at least partial for 703 concerts There is no reason to stop there The first time a song appeared alternate versions excerpts poem titles and a year by year breakdown of the tunes performed are all included in the flight manual Finally you can see which Jefferson Airplane titles were performed an entire list of documented songs played 1974 1978 and 1992 2007 as well as an extensive listing of many of the cover tunes performed and the artists that made them famous China: in My Eyes Robert Stanelle,2012-08-31 Most Americans and people all over the world have

grown up with an image of China that is vastly different from what is the real China of today The author a senior American has lived and taught in China for five years and through his teaching and travels all around the country tells the story of those incredible five years What he experienced discovered and learned during that time will at times have you laughing smiling thinking wondering or amazed at the China of today Some stories may bring tears to your eyes Whatever you may think and feel as you read this fascinating tale you will thoroughly enjoy China In My Eyes *Congressional Record* United States. Congress,1949 **World Heritage Craze in China** Haiming Yan,2018-03-28 There is a World Heritage Craze in

China China claims to have the longest continuous civilization in the world and is seeking recognition from UNESCO This book explores three dimensions of the UNESCO World Heritage initiative with particular relevance for China the universal agenda the national practices and the local responses With a sociological lens this book offers comprehensive insights into World Heritage as well as China s deep social cultural and political structures **The Chinese Lifestyle** Alfonso

Sanchez-Romera,2023-01-13 The research presented in this book explores the formation of the middle class in contemporary urban China Including case studies on middle class professionals living in Beijing this book analyses how social and economic changes to Chinese society create a middle class lifestyle and new forms of distinction with a particular focus on the social construction of identity Looking through the lens of individuals perception of life trajectories and ideological taxonomies

generated within the framework of post Maoist China the book uncovers the role that the Chinese middle class play in a state sponsored discourse and where the distinctions identifying the middle class lifestyle produce inequality transfer privilege and disadvantage in contemporary urban China It goes on to question hegemonic discourses on class arguing that a middle class identity is progressively constructed in urban China not only through consumption practices but through the experience of non individualistic activities in both the public and private spheres Analyzing how social distinctions are performed contributes to the understanding of the Chinese middle class pre pandemic as well as the continual challenges this social group shall face in the years to come As such this is a must read for those interested in the Chinese middle class Chinese politics and gender studies
