requests Peter Davison has gone ahead and written his autobiography anyway It wasn't the book they tried to stop it was more like the book they didn't want him to start An aspiring singer songwriter once dubbed Working s answer to Bob Dylan by his mum who once heard a Bob Dylan song Peter actually penned a hit for Dave Clark but soon swapped a life on the pub circuit to tread the boards From colonial roots his dad was Guyanese and his mother was born in India the family settled in Surrey where Peter's academic achievements were unspectacular he even managed to fail CSE woodwork eliciting a lament from his astonished teacher All you have to do is recognise wood Despite this Peter has secured his place in science fiction history becoming the fifth Doctor Who although he nearly turned down the role The Time Lord connection continued with the marriage of his daughter Georgia to Dr Who number ten David Tennant The artist formerly known as Peter Malcolm Gordon Moffett has starred in a number of television series including Love for Lydia A Very Peculiar Practice At Home with the Braithwaites and The Last Detective and became a national treasure for having his arm up a cow in his role as Tristan Farnon in All Creatures Great and Small He was also in a Michael Winner movie He made his first stage appearance with an amateur dramatic company but The Byfleet Players loss was the West End's gain as he now has a number of musicals to his name including Legally Blonde Chicago and Spamalot Most recently he starred in the box office record breaking Gypsy where he rubbed shoulders backstage with Dames Meryl Streep Maggie Smith and Judi Dench all asking him for directions to Imelda Staunton's dressing room One thing is for sure of all the British screen and stage actors of the last fifty years Peter Davison is certainly one of them and within these pages intrepid readers will at last have the dubious honour of sharing in his life and times as he despairs over whether there truly ever can be life outside the box Love & Lies Ellen Wittlinger, 2012-06-19 In

this long anticipated companion novel to the Printz Honor Book *Hard Love* which critics called A bittersweet tale of self expression and the struggle to achieve self love Ellen Wittlinger offers a novel just as emotionally honest and deeply felt Marisol Guzman has deferred college for a year to accomplish two things She will write a novel and she will fall in love How hard could that be She gets her very own apartment with her high school best friend as roommate and a waitressing job at a classic Harvard Square coffeehouse When she enrolls in an adult education class *How to Write Your First Novel* there are two big surprises waiting for her John Galardi aka Gio a fellow zine writer who fell head over heels for her last spring despite the fact that she s a lesbian and her instructor Olivia Frost the most exquisitely beautiful woman she s ever seen But as Marisol ventures into what seems to be her storybook romance with Olivia things start to go off track Between the ups and downs of her new relationship her strained friendship with Lee a newly out lesbian who is crushing big time on Marisol and her roommate s new boyfriend who is equally afraid of Marisol and their cat moving in Marisol starts losing sight of her goals Is she too blinded by love to see the lies
