I LOVE GOD, NOW WHAT? Book I Days 1 - 91 Steve Haines,2025-08-21 Like any professional Pastors can be busy people Often the demands upon their time are myriad The time when I first came to accept Christ as my Lord was wonderful beyond measure Although my Pastor was eager to introduce me to Christ he was not as intimately available to guide me in the aftermath of that wonderful moment You see having accepted Christ as Savior guarantees the blessing of eternity with Christ but the new believer still has the rest of his or her life to negotiate There are lots of things to learn but in big churches people can get lost in the crowd and fall through the cracks and in small churches well there is only so much a small staff can do So I stumbled around for a long time very gradually figuring out how to navigate the world and still hold to my faith in Christ I remember thinking There has to be a better way than this These discussions are part commentary part history part blessing and part questioning There s a little bit of everything I ve put considerable thought into writing these things and I want you to get some benefit some blessing from them Think about what you read You might be provoked to irritation or to curiosity or to laughter Try to apply the thoughts to your life But the bottom line is if you don t read you won t benefit This first book that you are holding tries to answer some basic questions Why should I fear God Why should I trust Him Who am I in Christ What is the nature of sin Following books talk about the Jewish Festivals and their profound meaning about God s Constitution Matthew chapters 5 7 about God s manifested love what it means to be Grafted In to God s family how to know Jesus and what it means to abide in Christ I hope you stick around to the end Every life has its ups and downs and after several cycles of this I was fed up and began to look for answers I found this crazy new church which was meeting in a hotel conference room I remember people all around me speaking in these strange indecipherable ways people falling down on the floor and generally acting nuts I remember thinking Why am I here God had a plan but I was not awake to it But I stayed out of curiosity if nothing else and eventually God began to draw me in Since then God has led me on a wonderful journey Where once I had a sort of vague notion of God He used personal struggle to draw me closer to him Where once I looked at everything from a performance oriented point of view He taught me the true value of the love of Christ Where once I had to be doing things for Christ He taught me the value of resting in the presence of Christ I want people to understand these things I want everyone to experience the intimate presence of Christ in their lives I want everyone to see real time answers to prayer as I have I want people to understand that humble submission to God is the answer to every struggle every problem and every stress

Teaching and Learning the Love of God Joseph Ratzinger, 2017-07-13 This inspiring collection of homilies delivered by Joseph Ratzinger Benedict XVI over six decades offers deep theological and historical insights on the meaning of the life and the witness of a Catholic priest When Pope Benedict XVI inaugurated the Year for Priests in 2009 he did so in conjunction with celebrating the 150th anniversary of the death of John Vianney the patron saint

of all parish priests Benedict's purpose for that special year is the same purpose of this book of homilies to deepen the commitment of all priests to interior renewal for the sake of a stronger and more incisive witness to the Gospel in today's world. As St John Vianney would often say, 'The priesthood is the love of the heart of Jesus.' This touching expression makes us reflect on the immense gift that priests represent not only for the Church but for all mankind. Contemporary men and women need priests to be distinguished by their determined witness to Christ. These homilies are meant to illuminate and to inspire priests to renew their commitment to teaching and learning the love of God. The homilies cover a wide variety of important topics on the priesthood, all deeply rooted in Scripture, including acting in persona Christi, becoming an offering with Christ for the salvation of mankind, being there for God's mercy and witnessing Christian joy.

The Love That We Are Uwa Hunwick, 2012-12-21

Why is it that all humanity yearns so much for love? Is there anything or anyone who does not want to love and be loved? Why do we feel a special something merging with when we are in love or hear the four-letter word love? Could it not be because love touches the core essence of our beings and we react the way we do because the love atoms and molecules of our bodies recognize and identify with it? It rings their bells in a manner of speaking. You will also observe that more song lyrics in the whole world are about love, given, found, longed for, rejected, lost, etc. Furthermore, one cannot deny that scientific experiments and natural happenings have proven that animals, plants, all living things react favorably when approached and treated with love. Typically, a dog senses when we exhibit signs of fear, dislike, or other negative emotions which are at variance with the attributes of living love. Whereas a show of confidence, tolerance, and good disposition toward animal and man, which are acceptable derivative attributes of living love, will calm them and restore their confidence because like recognizes like.

THE ELIXIR OF IMMORTALITY many have journeyed far and wide seeking to find the elixir of life. Some think it is a magical potion that gives immortality, and the quest for this portion has consumed these. In a journey through the pages of this book, each reader unveils for himself the logical reasons why this elixir of life is very necessary for all. This book points boldly to a very simple but sure pathway to this elixir of life, and as I traveled through its pages, not only did I move from seeking to enlightenment, from understanding to knowing, and then from awakening to liberating happiness because I went through a transformation, I found LIVING LOVE. This experience is my wish for all mankind.

Friendly Fireside Meditations Don Fholer Shank, Deni Anne Fholer, 2011-11

One year our pastor gave us twenty-five scriptures, one a week for twenty-five weeks, urging us to memorize one each week. Frankly, my friend, I laughed when the pastor advanced such a frightening thought at my age of seventy-six. I was doing good as a youth to memorize John 3:16 and the twenty-third Psalm. No chance at my age and IQ level. Then the laughing ended abruptly when in a most alarming voice God let me know he wanted me to memorize every one of

those assigned scriptures Although memorizing a verse a week might seem as intimidating you will find it surprisingly easy when you allow God to guide you In Friendly Fireside Meditations Don outlines twenty five verses that will help you draw nearer to God as you write His word upon your heart The conversational and moving daily meditations that accompany each week s memory verse will help further encourage you in your new undertaking Don t stand out in the cold come warm yourself with the word of God This book is dedicated to the hungry ill clothed and ill housed children and their families wherever they are Note that after printing costs the money from this book will go to missions such as Deni s Isaiah 58 In His Service Ministry and to all the others she and I know to be so helpful to hurting children and adults
