## **Love In A Different Climate The Meaning Of Being Gay In South Asia:**

**Sexual Sites, Seminal Attitudes** Sanjay Srivastava, 2004-03-20 Discussions on sexuality in the South Asian context have tended to focus largely on men's preoccupations through notions such as semen anxiety. Another restrictive framework is the excessive importance ascribed to religion in everyday life. The result has been a rather narrow debate on sexuality. By providing accounts of a myriad sites and meanings of sexuality, this remarkable volume broadens the debate on sexuality in South Asia. It combines perspectives from history, anthropology, and cultural and literary studies to provide an interdisciplinary exploration of the cultures of and the multiple meanings and contestations that gather around masculinities and sexualities. The collection is unique in the breadth of its theoretical concerns, its focus on hitherto marginalized sexual identities, and its novel juxtapositions of analyses of colonial discourses with those of postcolonised modernity. **Digital**

**Queer Cultures in India** Rohit K. Dasgupta, 2017-03-16 The work argues that new media social networking sites (SNS), both web and mobile, and related technologies do not exist in isolation; rather, they are critically embedded within other social spaces. This book will be of great interest to scholars and researchers of gender studies, especially men's and masculinity studies, queer and LGBT studies, media and cultural studies, particularly new media and digital culture, sexuality and identity, politics, sociology, social anthropology, and South Asian studies. **Passionate Modernity** Sanjay Srivastava, 2020-11-29

Combining historical and ethnographic analysis, this book deals with the making of the heterosexual imagination from the beginning of the twentieth century to the present in the Indian context. This unique book uses methods from anthropology, cultural studies, and history to explore the making of modern cultures of sexuality in India. It provides an analysis of the sexual and domestic politics of the period by focusing on the vast corpus of publications and journals on sexology from the 1920s to the 1940s and links Indian activities with those in other parts of the world. The author analyzes material that has thus far been outside the purview of scholarly studies, namely, footpath pornography, magazines such as *Sexology Mirror* in Hindi, women's magazines dealing explicitly with sex and sexuality. **Forthcoming Books** Rose Arny, 1999

We are everywhere, and *Firebrand Spark Pamphlet 4* can help us find and work with one another.
