Osborn,2024-11-27 3 AM interruption of dreams awoken to admire the hovering moon framed perfectly in the window square yellow world of silent night aglow of Autumn s nocturnal light beaming thru the room streaming thru the dreaming Invasion of the make believe I run back to reality which though seems to be no less real Startled by the departure from the haven of magical creation where I am you and you are me and kitty is all three And beyond the other side of night you walk softly in the gentle part of morn by the brook adjacent to your nook and to the sky you look for the source of music in the moon for you a translucent spoon which fed the pulsing rumble of a boom to you And back across the ocean s gulf which the corpus shan t not cross I stare into the yellow moon and stream the pulsing of the boom that is the beating of my heart scant contained by the little room Just as much a dream are you as that from which I d awoken too soon so fight for the concrete feel of the solid real when your soundless tune filled my

room crosscurrents from that streaming moon Your subtle Self I entertained in collaboration of the heart where words
unspoken your poesy tokens currency I received with a thunderous start Busy space of little room awash with yellow moon
Magnanimous thoughts penned by hand I yet heard spoken from your lips which as if to steal your breath that thru them
healed a thousand times I softly kissed in some alternate land where we had not missed And I held you close your head upon
my shoulder your warm hot hand I held with mine so that what words I whispered in your ear would not fail a response dear
of your spoken poesy seer that d burnish from our moments near nearly soundlessly come of your sweet lips Music of the
