Two years after his wife Jane was diagnosed with Alzheimer's, Robert McAllister began a journal closely documenting the course of Jane's illness and all that transpired between them. He wrote faithfully for Jane's sake and for his own, always committed to deepening his understanding of the disease and to talking openly with Jane about what was happening. He promised not only to be her sole caretaker till the end but always to be at her side to help her sort out Alzheimer's devastating consequences from the essential Jane who was the love of his life and complete companion for over fifty years. Robert was 92 at the time of Jane's death and the completion of his journal. His graceful writing, emotional honesty, and ability to convey the transformative power of their love and their abiding faith in God makes this book stand as one of the most powerful additions to the Alzheimer's literature. Ten Thousand Joys & Ten Thousand Sorrows Olivia Ames Hoblitzelle, 2010-09-30. Ten Thousand Sorrows, Ten Thousand Joys offers a vision of lives well led and of love in the thick of crisis and loss. Beyond inspiring, Daniel Goleman, author of Emotional Intelligence. This beautiful book is unlike any other personal account of living with Alzheimer's disease that I have ever read. It offers patients and families practical insights into how they can live their lives more fully amidst the heartbreak of a mind-robbing illness. Paul Raia, Director of Patient Care and Family Support, Alzheimer's Association, Massachusetts Chapter. A story of courage, love, and growing wisdom in the face of Alzheimer's. Joseph Goldstein, author of One Dharma, Founder, Director of Insight Meditation Society. In this profound and courageous memoir, Olivia Ames Hoblitzelle describes how her husband's Alzheimer's diagnosis at the age of seventy-two challenged them to live the spiritual teachings they had embraced during the course of their life together. Following a midlife career shift, Harrison Hoblitzelle, or Hob, as he was called, a former professor of comparative literature at Barnard, Columbia, and Brandeis University, became a family therapist and was ordained a Dharmacharya, senior teacher by Thich Nhat Hanh. Hob comes to life in these pages as an incredibly funny and brilliant man who never stopped enjoying a good philosophical conversation, even as his mind quite literally slipped away from him. And yet, when they first heard the diagnosis, Olivia and Hob's initial reaction was to cling desperately to the life they had had. But everything had changed, and they knew that the only answer was to greet this last phase of Hob's life consciously and lovingly. Ten Thousand Joys, Ten Thousand Sorrows provides a wise and compassionate vision for maintaining hope and grace in the face of life's greatest challenges. This memoir was originally self-published as The Majesty of Your Loving. Forget Me Not Bobbi Irving, 1914-06-17. The true story of a husband and wife who, after a long and loving life together, have to deal with the trials and tribulations of Alzheimer's disease while desperately trying to maintain a life together. It is also about the loving, sad, and disturbing notes that the wife

be write from the onset of her disease through to her ultimate passing
