Love Letters To Baruch:

Love Letters to Baruch Margaret Lawrence, Barnet M. Greene, 1973 When a man and woman live closely together the only danger to their love lies in the unknown depths of the spirit where strange things are stowed away and hardly ever come to the surface in conversation So wrote Margaret Lawrence Greene to Benedict Greene the man she loved in a series of passionate and intense love letters through which she hoped to make a spiritual map of herself for him A well known Canadian journalist and crusader for women's rights in the 30s Margaret Lawrence was also a Roman Catholic convert in love with a Jew before the age of ecumenism For five lonely and agonizing years their religious differences separated them The events which finally brought them together the private conflicts they overcame are revealed in letters that cannot help but restore readers belief that love can and will endure *Bliss Carman's Letters to Margaret Lawrence, 1927-1929* Bliss Carman, Margaret Lawrence, Margaret Maciejewski, 1995 [The Feminine Gaze](#) Anne Innis Dagg, 2006-01-01 Many Canadian women fiction writers have become justifiably famous But what about women who have written non fiction When Anne Innis Dagg set out on a personal quest to make such non fiction authors better known she expected to find just a few dozen To her delight she unearthed 473 writers who have produced over 674 books These women describe not only their country and its inhabitants but a remarkable variety of other subjects from the story of transportation to the legacy of Canadian missionary activity around the world While most of the writers lived in what is now Canada other authors were British or American travellers who visited Canada throughout the years and reported on what they found here This compendium has brief biographies of all these women short descriptions of their books and a comprehensive index of their books subject matters *The Feminine Gaze A Canadian Compendium of Non Fiction Women Authors and Their Books 1836 1945* will be an invaluable research tool for women's studies and for all who wish to supplement the male gaze on Canada's past

66 Love Letters Larry Crabb, 2011-05-09 Have you ever read the Bible only to come away confused Learn the meaning of each of the 66 books of the Bible and how each one is a love letter to God's people After working with people as a psychologist for four decades author Larry Crabb invites you to explore the Bible in a new way He offers a fresh relational look at Scripture through intimate discussions with God Told through a series of conversations between himself and God Larry wrestles through what God intends us to understand in each of the 66 books of the Bible Each book tells a story that is a part of a larger one of God and how He loves His people Perfect for a small group bible study or used as a daily devotional Larry asks deeply honest questions such as God what is it you wanted me to see in Obadiah And what's up with Leviticus Is there anything there for me This one verse in Galatians has always frustrated me Why is that The way you wrote Revelation makes it difficult to understand why didn't you just describe what will happen in a straightforward way Listen to the story of God unfold through these chapters and you'll find not only His redeeming love but His plan and provision designed especially for you Though life may not be going according to your plan God has another one far better than you can imagine From

Genesis to Revelation experience His invitation to get you dancing with joy *The Wilson Circle* Charles E. Neu, 2022-02-22

An in depth look at the key advisers to Woodrow Wilson during the course of his tumultuous presidency Nearly 100 years after Woodrow Wilson's death historians continue to be divided over the impact of his presidency and his political leadership The collapse of Wilson's health in 1919 and his failure to win Senate approval of the Versailles Treaty have tainted his legacy as have the racism of his administration and its disregard for civil liberties after American entry into World War I In *The Wilson Circle* Charles E Neu takes a new look at the Wilson presidency through the lens of his inner circle a group of ten advisers Some of these advisers like his wife Ellen were by his side at the start of his term while others joined him as the challenges facing Wilson's presidency mounted All of these advisers believed that whatever Wilson's flaws as a leader they had served a great man whose legacy would endure Struck by his magnetism his oratorical gifts and the power and precision of his mind they each became to one extent or another friends of the president Looking back they acknowledged that their relationship with Woodrow Wilson had transformed their lives Challenging the publicly held assumption that Wilson was a remote harsh president by exploring the intense emotional connection he developed with this tight knit group Neu argues that we can partially credit Wilson's remarkable journey in American politics to his ability to bring together such an impressive group of advisers Wilson realized that given his limited energy and experience he had to rely on advisers to help him maintain his physical and emotional equilibrium and to achieve his far reaching political goals And as the demands on his presidency changed changes also occurred in his group of presidential confidants Informing vivid biographical sketches with a wide range of recent scholarship *The Wilson Circle* shines a light on the exceptional people whose advice impacted the course of a presidency **Letters from Home** Malka Z. Simkovich, 2024-06-18 The announcement by the Persian king Cyrus following his conquest of Babylon in 539 BCE that exiled Judahites could return to their homeland should have been cause for celebration Instead it plunged them into animated debate Only a small community returned and participated in the construction of the Second Temple in Jerusalem By the end of the sixth century BCE they faced a theological conundrum Had the catastrophic punishment of exile understood as marking God's retribution for the people's sins come to an end By the Hellenistic era most Jews living in their homeland believed that life abroad signified God's wrath and rejection Jews living outside of their homeland however rejected this notion From both sides of the diasporic line Jews wrote letters and speeches that conveyed the sense that their positions had ancient roots in Torah traditions In this book Malka Z Simkovich investigates the rhetorical strategies such as pseudepigraphy ventriloquy and mirroring that Egyptian and Judean Jews incorporated into their writings about life outside the land of Israel charting the boundary marking push and pull that took place within Jewish letters in the Hellenistic era Drawing on this correspondence and other contemporaneous writings Simkovich argues that the construction of diaspora during this period reinforced by some and negated by others produced a tension that lay at the core of Jewish identity in the ancient world This book is essential reading for scholars and students of ancient Judaism and to

laypersons interested in the questions of a Jewish homeland and Jewish diaspora **Lament in the Letter of James** Grant Flynn, 2025-08-14 In *Lament in the Letter of James* Grant Flynn presents the first book length study of lament in James After exploring the contours and development of Old Testament lament Flynn examines the lament material in James including a reference to an act of lament allusions to Old Testament laments and exhortations to lament The author then proposes that the choice to use Job as a model of perseverance implies that Job's lament shaped perseverance informs James's understanding of the virtue By rereading the epistle's opening call to consider trials as pure joy with this Joban perseverance in mind Flynn concludes that James envisions an ongoing cycle of lament and joy that reflects both the pain of human suffering and the hope of eschatological perfection **Saturday Night**, 1973 *James* Joel B. Green, 2025-03-04 In this new authoritative volume of the New Testament Library series Joel B Green presents the writer of James as a sort of practical theologian directly addressing the lived experiences of Jewish Christ followers beset by Roman social conventions and sensibilities contrary to the divine command to love God and love neighbor The book of James is nothing if not pragmatic Its core arguments rest on urging its audience to take concrete action to develop faithful life patterns in a world that is often set against those who seek to follow Jesus Christ as Lord Joel B Green shows how the practical wisdom of James can continue to speak prophetically to a range of issues that plague our contemporary experience the entrenched and growing gap between the wealthy and impoverished foremost among them But readers who might be tempted to formulate a simple to do list from James's precepts are encouraged instead to enter into the world of the text as fully and as humanly as possible by asking questions like How would the letter's first audience and then how might we hear and internalize the writer's words about perfection moral purity humans made in God's likeness and prayer for the sick and disabled How might their lives and then how might ours be shaped by James's central concern with the double love of love of God and love of neighbor James A Commentary examines the Letter of James from a variety of angles its social and cultural contexts its relationship to Israel's Scriptures and to the teaching of Jesus the development of its message and its significance theologically As with other volumes in the New Testament Library series this commentary strives to come to terms with the literary and historical aspects of James its arguments its appeals its perspectives its interpretation of Jesus message and Israel's Scriptures its grasp of contemporary Jewish and Greco Roman thought But it most deeply aims to show how James points readers toward envisaging the world as God does and acting accordingly personally and communally The New Testament Library series offers authoritative commentary on every book and major aspect of the New Testament providing fresh translations based on the best available ancient manuscripts critical portrayals of the historical world in which the books were created careful attention to their literary design and a theologically perceptive exposition of the biblical text The contributors are scholars of international standing The editorial board consists of John T Carroll Union Presbyterian Seminary Susan E Hylen Candler School of Theology Emory University and Emerson B Powery Messiah University **1 Peter** Donald Senior, Daniel J.
