H. De Gitter-Pherekyde, 2024-12-04 You re not defeated when you re bleeding nor when your eyes are full of tears The true defeats will take place only if you give up your dreams Radu Gyr Romanian poet translation This story is for grandchildren grandparents and everyone in between because it s about love love is ageless and it s for all Love created the universes and Love keeps them together Love created Life Love is Life and Life is Love The aspects of Love are unlimited and even reversible it affects a person s actions in both directions good and bad When the direction is positive love leads to evolution and when it is negative it causes transformation Even hate which is love upside down can be transformed to become love upside up This story can be the symbol of everyone s life which unfolds in two stages The primary stage could be called the Abstract or Conceptual phase It takes place in the soul and mind It begins with a Dream which ignites Motivation which in turn generates a Goal and the Goal sparks ideas and designs Planning The second stage could be called the Action phase It activates the heart and mind to carry out the Dream giving life to the elements elaborated in the first stage and it doesn t stop until the fulfilment of the Dream is achieved This Achievement could be called the Adventure of one s life What is life s adventure if not jumping into the unknown because only there can be found everything that one wants and desires to have Is it possible for every I to get in the end what every I really wants and dreams of I represents every person at any age everywhere at any time in every place in all existing worlds and yes it can When the mind is opened a loving heart carries a free spirit and with focus determination and perseverance everything is possible and achievable Therefore YES I can because I declares with conviction I SAID I CAN      [San Diego Magazine](#) ,2006-01 San Diego Magazine gives readers the insider
