But the Greatest of These Is Love Edward M. Vigeant, 2014-03-05 This new Thought System emphasizes application rather than theology It specifically states that a universal religion is impossible but a Universal Experience is not only possible but also necessary This Universal Experience is Love Universal means that all of the billions of people who have passed through this world since time began and all of the people who are here now seven billion would know God God is Love To know Gods Love within is to know God Where learning ends there is Love Love is not learned There was never a time in which you knew it not Once this new perception of God is accepted then everything changes The quiet Voice of Love will help you to reinterpret everything you have been taught as fearful and that makes you feel guilty and will change them to only what is loving is true There are no rules and regulations to obey You need do nothing The Power of Love will set you free It is not through any of your efforts Here is the ultimate release which everyone will one day find in his own way at his own time Think about this If Love is the primary focus of your life what are you going to do wrong Fear God and keep His commandments becomes Know God and accept His Certainty According to Wikipedia it is estimated that there are approximately 4 200 religions in the world today I say But the Greatest of These is Love

How Lucifer Hijacked Humanity's Eternal Destiny Christine Sihag, 2023-09-21 How Lucifer Hijacked Humanity's Eternal Destiny is a whimsical poetic tale that tackles some of humanity's most enduring enigmas such as the unnerving inevitability of death as the beginning of one's own eternal destiny and the disturbing existence of evil in the world But what might eternity be if life is the only testing ground that precedes forever And why has humankind been assigned such a wondrous but grave responsibility as everyone contemplates eternity with concepts of heaven hell and even nothingness These ageless ideas continue to cause everyone to hope for the very best in terms of an afterlife for themselves and for their loved ones Eternity remains as relevant a consideration now as it was in ancient times when the greatest civilizations labored to entomb their kings and queens with enough care as to ensure their safe arrival to the hereafter Thus the onus of eternity has always haunted humanity like the strange curse of death itself And as humanity still reckons with that inexplicably egregious entity called evil does anyone actually know what it is or who it is

How to Survive Abusive, Controlling and Addictive Relationships Cynthia Kelly, 2012-06 Domestic violence is not new to the human condition it is as old as mankind itself It showed its ugly head in the first family that God created Adam and Eve's two sons brought it to form when Cain slew his brother Abel in a fit of jealous rage But the answers to the problem are as old as mankind as well and the author believes they are found not only in the pages of this book but also in the pages of the book of books the Holy

Bible It is her hope and desire that those who read it will find the help wisdom and ultimately the safety and survival it ascribes

Theology and Survival Movies Ioan Buteanu,2023-03-03 This book provides an innovative analysis of the survival movie genre from an Orthodox Christian anthropological perspective Grounded in the Orthodox tradition the approach builds from the first chapter of Genesis where man is described as made in the image and after the likeness of God It offers a nuanced theological exploration of the concept of the survival movie and examines a number of significant cinematic creations illustrating how issues of survival intersect romantic Western science fiction and war films The author reflects on how survival movies offer a path for the study of human nature given they depict people in crisis situations where they may reveal their true characters As well as discussing the role of a limit situation as a narrative element the book highlights the spiritual aspect of survival and points to the common hope in survival movies for something more than biological survival It is valuable reading for scholars working in the field of religion and film

I Didn't Survive Naghmeh Abedini Panahi,Eugene Bach,2023-10-10 It s hard enough having a painful secret that you are terrified of sharing It s even harder when you find yourself in the international limelight as the advocate wife of a Christian hero imprisoned for his faith The worst part is fearing that if you did share this secret it might devastate the lives of your family and close friends alienate tens of thousands of active supporters and cause persecuted people around the world to become even more vulnerable Naghmeh Abedini Panahi lived in constant tension from the irreconcilable realities playing out in her own life in her family life in the conduct of others and on the worldwide stage as she interacted with power brokers and well known religious leaders Tension involving Steadfastly honoring God versus being carried away by the tide of circumstances Personal reality versus public persona Genuine faith versus hypocritical religion Truth and caring versus the end justifying the means Obedience to God versus loyalty to others For Naghmeh it all came to a breaking point and the only way through it was to die Not physically but in experiencing a death and rebirth in her understanding of God her faith and her identity as a woman I can t tell you how I was able to make it through because I didn t she writes Like the Phoenix rising from the ashes the new me emerged from the catastrophe of my marriage I Didn t Survive Emerging Whole After Deception Persecution and Hidden Abuse is Naghmeh s firsthand story which takes you from war torn Tehran to the quiet Midwestern U S to the halls of power in Washington D C It vividly describes the Islamic upbringing that shaped her her unexpected conversion to Christianity and the events that led to her marriage to Saeed Abedini a magnetic pastor in the Iranian underground church The book details Saeed s arrest and imprisonment for preaching the gospel her fateful decision to share the truth about her husband her betrayal and abandonment by former supporters and the new life of advocacy for women that has arisen from the brokenness Through the pain abuse and loss Naghmeh clearly demonstrates what it means for us to find our true identity in God discover the protective care God has for His children and participate in sharing the love and healing He desires to bring to the world

Thinking About God's Love Lorraine Cavanagh,2015-12-01 There are many people who are put off Christianity by the

way the doctrines of atonement and redemption are communicated People find it hard to believe in a loving God who appears at the same time to be so angry and vindictive Many also feel that Christian teachings publicly or privately do not connect with them in any meaningful way This is either because they are put off by the narrow theological framework in which Christianity is presented or because what is said about atonement and redemption seems theoretical and remote from their experience of life This book seeks to address some of the difficult questions that these people are asking It is written for those who may be wanting to return to their faith who would like to explore it in greater depth or in a more open theological landscape The intention is that readers will find in this book a new understanding of what it really means to live as people who have been forgiven and brought home into a more honest and deeper relationship with God through the atoning and redemptive work of Jesus Christ
