The Holy Ground of Grace Timothy Bowers, 2005-07 This is the fact of the matter ivory tower Christianity is a myth for most of us For all of us Yet we try to function we have to function in faith despite our own shortcomings and the

shortcomings of those around us We try to live our lives in a less than perfect world as less than perfect people who fall down flat on our faces time after time after time Yet by grace through faith we get up all the while clinging desperately to our hope in the Son The Son of the promise Tim Bowers is a product of grace God's Grace And that very grace is the subject of this book He believes that life is a dance a thing of beauty And he further believes that it is an adventure in grace Grace to behold to embrace to enjoy He believes that it is God's grace which underscores our very lives and permeates both our every relationship and our every adventure Tim is the father of two children and the third of four born to his parents both retired educators He is firmly and forever a product of the South having grown up in Georgia and in the Southern Baptist Church however it was while living in Nashville Tennessee as a young businessman that he discovered the doctrine and meaning of grace by faith alone Since earning his Masters of Divinity in 1998 Tim has worked as a pastor an outreach director and as a church planter He believes that the Church should reflect the Savior upon Whose cross it is founded that it should be raw and real and reflect both the passion and the compassion of Jesus Christ Himself That it should be anything but boring and that it should proclaim grace by faith alone in a nonjudgmental manner that truly changes lives Struggle and Strength Sharon Kennedy, 2019-01-24 The true wisdom of life consists in seeing the extraordinary in the ordinary Pearl Buck From Motown to moo towns to Menominee and Mormon country Struggle and Strength Eight Ordinary Women with Lives Most Unusual explores universal themes that define the American experience Author Sharon Kennedy has spent a lifetime seeking out colorful characters in unexpected places Here she focuses on eight remarkable women who have experienced unimaginable tragedy struggle and ultimately their own form of reconciliation They represent generations of Americans and reveal profound truths about race family class immigration and what it means to live life to the fullest in the face of adversity Kennedy deftly weaves the profiles of these women with her own personal reflections on why their stories resonate with her She shines a spotlight on the many ways universal truths are lived throughout ordinary lives The profiled women in these pages are truly extraordinary and ordinary in their own particular ways Their lives speak of resilience relationships and overcoming hardships It is a powerful reminder of the strength of the human spirit and the indomitable American spirit
