*Love Your Enemies* Grace E.M. Allan, 2025-01-01 Do you doubt whether there s more to the world than what we can see in the natural At Ethan s house Aaron struggled to understand why Ethan had helped him The reasons sounded crazy like nothing he d ever heard of before His friend s unique behaviour had created within Aaron a hunger to hear more He hadn t deserved Ethan s help In a small city in northwestern Ontario a close knit family of believers finds themselves challenged to unconditionally love an enemy who seeks to kill one of their own But is their enemy truly lost to them or to God Along the way these brothers and sisters in Christ discover that they have more in common with this man than it initially appears despite the powerful unseen forces involved For in this world there are two rival families one whose purpose is to destroy and the one whose purpose is to restore everything back to the original design of creation

Convention     'Love Your Enemies' John Piper,1979     **Beautify the Meek** Joan Evans Walden,2014-11-12 God gives us all a story to tell during sad times happy times and glad times We make endure many struggles in life but we know the outcome is none other than victory We must fight the good fight Some of you may not have found your way but I pray that you find wisdom from one of the writings or poems that were laid on my heart to convey Just know that you are somebody special and God has a plan for your life If you are on the detour road be happy that you can map your way back by way of the cross I can only be true to myself and thank the Almighty God for the revelation that He has chosen to impart through my delivery to you Remember the blessings of the Lord are forever present Just reach outward and upward and grab them every day God loves you and I do too     Happiness! Kelly Chance Beckman,2011     Come to the Well Mathew Gilbert,2016-07-27 Jonathan Edwards once described God as an infinite fountain of divine glory and sweetness This is good news for Christians journeying through the dryness and weariness of a fallen world In Come to the Well author Mathew Gilbert takes Christians to the well of God so they may drink and be satisfied in him Through fifty meditations on various Bible passages theological topics and life issues Gilbert offers Christians a devotional book that carries significant theological weight to allow them to think more deeply about God without having to crack open a systematic theology These short writings ground Christians in the gospel so they will find lasting joy in the face of suffering and temptation     Loving Our Enemies James H. Forest,Jim Forest,2014 Not everything Jesus taught must be regarded as a commandment Counsels on voluntary poverty or celibacy for instance have been seen as an option for a small minority of Christ s followers The same cannot be said about the love of enemies This does not fall in the if you would be perfect category It is instead basic Christianity which Jesus taught through direct instruction through parables and by the example given with his own life And yet it is undoubtedly the hardest commandment of all one that runs counter to our natural inclinations It is as Jim Forest shows a commandment that calls for prayer discernment and constant practice Along with reflections drawn from scripture the lives of the saints and modern history Forest offers nine disciplines of active love including praying for enemies turning the other cheek forgiveness and recognizing Jesus in others that make the love of enemies if not an easier task then a goal worth striving toward in our daily lives     Strangers, Neighbors, Friends Kelly James Clark,Aziz Abu Sarah,Nancy Fuchs Kreimer,2018-08-06 From 9 11 to Israel Palestine to ISIS the fear of the religious stranger is palpable Conservative talk show hosts and liberal public intellectuals are united in blaming religion usually Islam for the world s instability If religion is part of the problem it can and should be part of the solution Strangers Neighbors Friends co authored by a Muslim a Christian and a Jew aims to inform and inspire Abraham s children that God calls us to extend our love beyond family and fellow believer to the stranger     **The Comfort Bible** Dr. Paul R. Johnson,2022-01-27 Man that is born of a woman is of few days and full of trouble This statement from Job 14 1 is as true today as it was thousands of years ago when it was penned Though we all suffer throughout the Bible from Genesis to Revelation there are precious verses of comfort that can lift our spirits The Comfort Bible offers help for those going through

**The Conclusion of the New Testament** Witness Lee,1985      Paul's Non-Violent Gospel Jeremy Gabrielson,2014-08-28  
Rather than viewing the Apostle Paul s many references to peace and non retaliation as generalized ethical principles drawn from Paul s background Jeremy Gabrielson argues that peace and non retaliation should be understood in relation to Paul s history of being a violent persecutor of Jesus followers After his Damascus road experience Paul zealously announced the gospel and abandoned his violent ways His apostolic vocation included calling and equipping assemblies of people whose common in life was ordered by a politics characterized by peaceableness This political dimension of Paul s gospel in continuity with the earliest evidence we possess regarding Jesus and his disciples stands in stark contrast to the politics of both the contemporary Roman imperial power and those who would seek to replace Rome by violent means      **The Neighbor** Slavoj Žižek,Eric L. Santner,Kenneth Reinhard,2010-06-08 In Civilization and Its Discontents Freud made abundantly clear what he thought about the biblical injunction first articulated in Leviticus 19 18 and then elaborated in Christian teachings to love one s neighbor as oneself Let us adopt a naive attitude towards it he proposed as though we were hearing it for the first time we shall be unable then to suppress a feeling of surprise and bewilderment After the horrors of World War II the Holocaust Stalinism and Yugoslavia Leviticus 19 18 seems even less conceivable but all the more urgent now than Freud imagined In The Neighbor three of the most significant intellectuals working in psychoanalysis and critical theory collaborate to show how this problem of neighbor love opens questions that are fundamental to ethical inquiry and that suggest a new theological configuration of political theory Their three extended essays explore today s central historical problem the persistence of the theological in the political In Towards a Political Theology of the Neighbor Kenneth Reinhard supplements Carl Schmitt s political theology of the enemy and friend with a political theology of the neighbor based in psychoanalysis In Miracles Happen Eric L Santner extends the book s exploration of neighbor love through a bracing reassessment of Benjamin and Rosenzweig And in an impassioned plea for ethical violence Slavoj i ek s Neighbors and Other Monsters reconsiders the idea of excess to rehabilitate a positive sense of the inhuman and challenge the influence of Levinas on contemporary ethical thought A rich and suggestive account of the interplay between love and hate self and other personal and political The Neighbor will prove to be a touchstone across the humanities and a crucial text for understanding the persistence of political theology in secular modernity      Reading with Earth Anne Elvey,2022-08-25 Winner of the 2023 ANZATS Award for the Best Monograph by an Established Scholar Applying a re envisioned ecological feminist hermeneutics

this book builds on two important responses to twentieth and twenty first century situations of ecological trauma especially the complex contexts of climate change and cross species relations first ecological feminism second ecological hermeneutics in the Earth Bible tradition By way of readings of selected biblical texts this book suggests that an ecological feminist aesthetic bringing present situation and biblical text into conversation through engagement with activism and literature principally poetry is helpful in decolonizing ethics Such an approach is both informed by and speaks back to the new materialism in ecological criticism
