Stephen Russell Mallory Rodman L. Underwood,2010-09-22 Just as Confederate naval action is commonly overshadowed by the land battles of the Civil War the navy s originator Stephen Mallory is often overlooked in favor of more famous leaders Mallory had served as one of Florida s U S senators for ten years before becoming navy secretary in the Confederate government challenged to create a valid military force where none had existed This biography chronicles Mallory s formative years in Key West his decades of public service and his declining days It discusses his career in the United States Senate where he chaired the Committee for Naval Affairs helping to strengthen in an ironic twist of fate the very navy he would later attempt to defeat The work also examines the challenges and obstacles Mallory faced in creating a navy for the South Special attention is given to Mallory s family relationships Primary sources include autobiographical documents and archival records Killing for Sport Pat Brown,2008 A criminal profiler journeys inside the dark minds of serial killers to provide a portrait of these deadly predators how they hunt for victims how to identify them and how to protect oneself from them The Journal Letters and Related Biographical Items of the Reverend Charles Wesley, M.A., Second Edition Prof. Richard P. Heitzenrater,Randy L. Maddox, Frank Baker,2023-01-17 Charles Wesley s Journal is crucial to an understanding of the beginnings of the Wesleyan Methodist movement As a primary record of one of the founders of the Wesleyan Methodist movement Charles Wesley s Journal is crucial to an understanding of the beginnings of that movement It is an indispensable interpretive companion to John Wesley s Journal diaries and letters Since it provides essential background to the context of Charles Wesley s lyrical theology expressed in sacred poetry it is likewise essential for anyone who wants to understand the context out of which Wesleyan theology worship spirituality hymnody and conferencing emerged For a church or movement which avers that it sings its theology Charles Wesley s Journal is an imperative This volume is part of a series dedicated to providing a complete and accurate published collection of Charles Wesley s manuscript items beyond his sermons and verse The various items in the series constitute crucial primary texts for studying Wesley s life his ministry and his increasingly contentious position within Methodism in his later years The first two volumes of the series were devoted to Charles Wesley s Manuscript Journal a single bound item held at the Methodist Archives and Research Centre The present volume gathers a number of scattered items the majority also held at MARC many of which are

earlier and more complete drafts of material in the Manuscript Journal The third major component of the series is the publication of all of Charles Wesley's surviving personal correspondence which is replete with material of biographical and larger historical interest This second edition adds journal letters and records from December 1716 January 1717 Accounts of Old Jeffrey and May 12 June 14 1746 Praise for the First Edition It's a great day in the life of a student of the Wesleys when we get a fresh volume of material scarcely known to previous generations So it is with this collection of Charles Wesley's journal letters from the period 1738 1756 and similar letters up to 1778 that describe his sons' musical careers and in fact reveal a great deal about his life This will be relished by all concerned with the heritage of the Wesleys and we're especially blessed to have it in a very well annotated critical edition Ted A Campbell Professor of Church History Perkins School of Theology Southern Methodist University Dallas TX The publication of Charles Wesley's Journal Letters helps expand our knowledge of his life and ministry and enrich our understanding of the wider evangelical revival This is an essential text for scholars of early Methodism edited by renowned experts in the field Geordan Hammond Senior Lecturer in Church History and Wesley Studies and Director of the Manchester Wesley Research Centre Nazarene Theological College Manchester UK

Dallenbach, Madison Bentley, Edwin Garrigues Boring, Margaret Floy Washburn, 1899 *No More Tomorrows* Kathryn Bonella, Schapelle Corby, 2011-01-18 It was meant to be a two week holiday to celebrate her sister's birthday but for Schapelle Corby it ended up a waking nightmare Arrested at Denpasar airport after marijuana was found in her luggage she became the victim of every traveller's darkest fear Over four kilograms of drugs had been planted in her bag after she'd checked it in and she was forced to face the consequences of someone else's crime in a country where the penalties for drug smuggling are among the harshest in the world Her trial and conviction became one of the biggest news stories of the decade and her family watched in horror as she was sentenced to 20 years in jail Yet despite the huge media coverage the one voice the public never properly heard was Schapelle's Now in this compelling book she tells her own story of being wrenched from a carefree holiday and incarcerated in a stinking police cell and of learning to survive in the squalor discomfort and violence of an Indonesian jail It is an account like no other and will be one of the most unforgettable books you'll ever read **The Phrenological Journal and Life Illustrated** ,1856
